POLICIES FOR VALUE ADDED COURSES

A Department's Add on / Value-Added Course is open for both undergraduate and postgraduate students. It is mentioned that the Value Added Course should not be included in the curriculum of Anna University, Chennai Regulations.

Course Structure

The courses offered should not be identical to any other course specified in the corresponding program's curriculum or any other programs. If expert is not available in Internal faculty we go with external faculty.

- i. The value-added courses are conducted on weekends or during vacation.
- ii. After getting approval from the respective Head of the Department, students are authorized to pursue a value-added courses conducted by other departments.

Duration

The duration of the value-added courses should be more than 30 hours of theory, which may be the combination of theory and laboratory courses.

Evaluation

The value added courses will be assessed and evaluated through multiple-choice questions, True/ False, fill in the blanks, image-based, graphical analytical, etc., to check competency level of the students. A committee comprises of the Department Head, Course Coordinator, and a senior Faculty member.

Eligibility for Certification

The criterion for getting a certificate in value-added courses is based on 90% of Attendance and 50% of marks. If any one of the criterion is not met, the students are not eligible to get the certificate.
