ANNA UNIVERSITY OF TECHNOLOGY, COIMBATORE
(Estd. Under Act No. 42 of 2006 by the Government of Tamil Nadu)

Cdr.S.Premchand, I.N. (Retd),
REGISTRAR i/c

Phone : 0422-269 4455
Fax : 0422-269 4400

Lr.No: AUTCBE/CA/CA1/Affiliation/UG & PG/1407/633/2011

Date: 08.09.2011

To

The Principal,
K S R Institute for Engineering and Technology,
KSR Kalvi Nagar, Tiruchengode – 637 215.

Sir,

Sub : Grant of Provisional affiliation - UG – for the academic year 2011-12 – Reg.

Ref : Your application for affiliation for the academic year 2011-12

I am by direction to inform you that under the provisions of the Anna University of Technology, Coimbatore Statutes for affiliation, **Provisional affiliation** for the new programme(s) is granted for the following UG programme(s) with the sanctioned intake mentioned against each for the academic year 2011-12 (July 2011 to June 2012) to K S R Institute for Engineering and Technology, KSR Kalvi Nagar, Tiruchengode – 637 215.

Sl. No.	Degree	Branch	Type of affiliation	Intake	
				Existing 2010-11	Approved 2011-12
1	B.E	Mechanical Engineering	Provisional	0	60
2	B.E	Electronics & Communication Engineering	Provisional	0	60
3	B.E	Computer Science and Engineering	Provisional	0	60
4	B.E	Electrical and Electronics Engineering	Provisional	0	60
5	B.Tech	Information Technology	Provisional	0	60

The above said provisional affiliation is being granted subject to the fulfillment of the conditions mentioned below:

1. Rectification of the deficiencies, if any, existing in the college as already communicated by the University
2. **Provisional Affiliation Conditional (P A C):** In respect of programmes for which conditional provisional affiliation is granted, re-inspection will be conducted, if the University deems it necessary, to verify the compliance in rectifying the deficiencies already communicated.
3. **Production of originals of AICTE / COA / DGS approval and all other related documents for verification as and when demanded.**
4. Verification by a committee towards the fulfillment of the conditions mentioned above and the continued fulfillment of the requirements for the above mentioned course(s) as per the norms and standards of AICTE and the laboratory requirements as per the curricula and syllabi of Anna University of Technology, Coimbatore for the above courses. In the event of any violation/infringement of the above said conditions and / or the provisions of Anna University of Technology, Coimbatore Act / Statutes / Regulations, AICTE Act, norms & standards / regulations / guidelines or any other law time being in force, suitable action including suspension / withdrawal of affiliation of course(s) may be initiated against the college.

The provisional affiliation is granted without prejudice to the right of the University of requiring production of certificate required under section 37-B of Tamil Nadu Land Reforms (LC) Act 1961 subject to the decision of the Hon'ble High Court of Madras in W.A.No.3454/2002 batch and W.A.No.3482/2002 batch.

Mettupalayam Road, Jothipuram & Post, Coimbatore – 641 047

PRINCIPAL,
K. S. R. INSTITUTE FOR
ENGINEERING AND TECHNOLOGY,
K. S. R. KALVI NAGAR,
TIRUCHENGODE - 637 215,
NAMAKKAL DS. TARDK. NAGAR

Under no circumstance fresh admission be made in the above course(s) during the academic year 2012-13, until and unless the continuation of provisional affiliation is obtained from the University.

The Management should submit a duly signed undertaking on a Rs.20/- non-judicial stamp paper to the Registrar, Anna University of Technology, Coimbatore 641 047, within 15 days from the date of receipt of this letter to the effect that the conditions specified above will be fulfilled.

Note : If at any point of time during an inspection or surprise inspection it is found that the norms and standards prescribed are not maintained by the college the provisional affiliation granted above will be withdrawn without any notice.

Yours faithfully

REGISTRAR

Lr No. 02 /AFFLN/CAI/CBE/AU/2020-21/7316

Date: 30-06-2020

To

The Principal
K S R Institute for Engineering and Technology, K
S R KALVI NAGAR, TIRUCHENGODE-637215.

Sir,

Sub: Anna University - Provisional Affiliation for the Existing course(s) / New course(s) /
Variation in intake - U.G. / P.G. for the academic year 2020-21 Granted - Reg.

Ref: 1. Your application for affiliation for the academic year 2020-21

2. AICTE/COA/DGS Approval for the academic year 2020-21

I am to inform that under the provisions of Section 7.6.1 of the Statutes for Affiliation of Anna University, Chennai, **Provisional Affiliation** for the continuation of the existing course(s) / new course(s) / variation in intake in the existing course(s) is granted for the following U.G / P.G. courses with the sanctioned intake mentioned against each course for the academic year 2020-21 at K S R Institute for Engineering and Technology, K S R KALVI NAGAR, TIRUCHENGODE-637215.

Sl. No.	Degree	Course(s)	Sanctioned Intake	
			2019-20	2020-21
1	B.E.	Computer Science and Engineering	60	60
2	B.E.	Electrical and Electronics Engineering	60	60
3	B.E.	Electronics and Communication Engineering	60	60
4	B.E.	Mechanical Engineering	60	60
5	B.Tech.	Information Technology	60	60
6	M.E.	CAD/CAM	18	6
7	M.E.	Embedded System Technologies	18	6
8	M.E.	Software Engineering	18	6
9	B.E.	Biomedical Engineering	-	60
10	M.E.	Big Data Analytics	-	6

The above said Provisional Affiliation is being granted subject to the fulfillment of the conditions mentioned below:

- Production of Originals of AICTE / COA / DGS approval and all other related documents for verification, whenever demanded by the University.
- Verification by a Committee towards the fulfillment of the conditions mentioned above and the continued fulfillment of the requirements for the above-mentioned course(s) as per the norms and standards of AICTE / University and the laboratory requirements as per the curricula and syllabi of Anna University, Chennai for the above courses. In the event of any violation/infringement of the above said conditions and / or the provisions of Anna University, Chennai Act / Statutes / Regulations, AICTE Act, norms & standards / regulations / guidelines or any other law being in force, suitable action including suspension / withdrawal of affiliation of course(s) may be initiated against the college.

COURSE PLAN

Subject Code & Subject Name	CS8591 - COMPUTER NETWORKS	Regulation	R2017
Academic Year & Semester	2019- 2020 (ODD)	Year / Sem.	III / V
Name of the Faculty	Ms. K. G. Lavanya, AP/IT	Degree / Branch	B.Tech. / IT

INTRODUCTION:

Modern world scenario is ever changing. Data Communication and network have changed the way business and other daily affair works. Now, they highly rely on computer networks and internetwork.

A set of devices often mentioned as nodes connected by media link is called a Network. A node can be a device which is capable of sending or receiving data generated by other nodes on the network like a computer, printer etc. These links connecting the devices are called Communication channels.

Computer network is a telecommunication channel using which we can share data with other computers or devices, connected to the same network. It is also called Data Network. The best example of computer network is Internet. Computer network does not mean a system with one Control Unit connected to multiple other systems as its slave. That is Distributed system, not Computer Network.

The entire course is divided into five units:

Unit-1:

Gives an overview of network, protocol layering, TCP/IP protocol suite and OSI model. It also covers transmission media and switching in physical layer.

Unit-2:

Deals with data link layer services and protocols. Also includes MAC, Ethernet (802.3), Wireless LANs, Bluetooth and connecting devices.

Unit-3:

Deals with functionalities of network layer, IPV4 addresses, protocols, unicast routing algorithms and protocols, multicasting and IPV6.

Unit-4:

Deals with transport layer protocols like TCP and UDP, services and SCTP.

Unit-5:

Gives an idea on various application layer protocols to develop applications.

COURSE OBJECTIVES:

- To understand the protocol layering and physical level communication.
- To analyze the performance of a network.
- To understand the various components required to build different networks.
- To learn the functions of network layer and the various routing protocols.
- To familiarize the functions and protocols of the Transport layer.

PRINCIPAL,
K. S. R. INSTITUTE FOR
ENGINEERING AND TECHNOLOGY,
K. S. R. KALVI NAGAR,
TIRUCHENGODE-637 215,
NAMAKKAL DL, TAMIL NADU.

APPLICATIONS:

- Railway reservation system and Access to Information
- Supermarkets, e-tendering documents
- Signing web forms, , filing income tax returns

PREREQUISITE:

- Basics of computer science
- Knowledge about hardware components
- computer configuration

OUTCOMES:

At the end of the course, the student should be able to:

- C302.1: Recognize the basic layers and its functions in computer networks and evaluate the performance of a network.
- C302.2: Demonstrate the basics of how data flows from one node to another.
- C302.3: Analyze and design routing algorithms.
- C302.4: Design protocols for various functions in the network.
- C302.5: Analyze the working of various application layer protocols.

PROGRAM OUTCOMES (POs)			
PO1	Engineering Knowledge	PO7	Environment and sustainability
PO2	Problem Analysis	PO8	Ethics
PO3	Design/development of solutions	PO9	Individual and team work
PO4	Conduct investigations of complex problems	PO10	Communication
PO5	Modern tool usage	PO11	Project management and finance
PO6	The Engineer and society	PO12	Life-long learning
PROGRAM SPECIFIC OUTCOMES (PSOs)			
Programming Skill: Work as Software Engineers for providing solutions to real world problems using programming languages and open source software.			
Web Designing Skill: Ability to use the web designing skill to establish new solutions for the societal needs.

COURSE PLAN

Subject Code & Subject Name	CS8581 – Networks Laboratory	Regulation	R2017
Academic Year & Semester	2019 - 2020 (ODD)	Year / Sem.	III / V
Name of the Faculty	K.G. Lavanya, AP / IT	Degree / Branch	B.Tech. / IT

OBJECTIVES:

The student should be made to:

- To learn and use network commands.
- To learn socket programming.
- To implement and analyze various network protocols.
- To learn and use simulation tools.
- To use simulation tools to analyze the performance of various network protocols.

APPLICATIONS:

- Online Banking Applications
- Railways, Airports

PREREQUISITE:

Computer basic concepts

OUTCOMES:

After completing this course, the student will be able to:

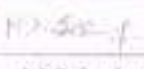

- C308.1: Implement various protocols using TCP and UDP.
- C308.2: Compare the performance of different transport layer protocols.
- C308.3: Use simulation tools to analyze the performance of various network protocols.
- C308.4: Analyze various routing algorithms.
- C308.5: Implement error correction codes.

REF: KSRIET/ECE/DAC/2015-2016/EVEN/ 01

DATE: 07.12.2015

Circular

The Department Advisory Committee meeting for the academic year 2015 - 2016 odd semester is scheduled on 12.12.2015 at 10.00 am in the ECE seminar Hall. The following Department Advisory Committee members are requested to attend the meeting without fail.

1	Mr. R. Nandakumar	HoD & Programme Coordinator /ECE
2	Dr. P.V.N. Reddy	Professor/ECE
3	Dr. R. Venkadesh	Professor/ECE
4	Dr. A.N. Nandakumar	Professor/ECE
5	Mr. P. Govindaraju	Assistant Professor /ECE
6	Mrs. W. Devapriya	Assistant Professor /ECE
7	Mr. T. Marthandan	Assistant Professor /ECE
8	Ms. S. Gomathi	Assistant Professor /ECE
9	Dr. P. Veena	Professor/EEE
10	Mrs. S. Russia	Assistant Professor/IT
11	Mr. M. Gokula Krishnan	Industry member
12	Mr. A. Kannan	Industry member
13	Mr. T. Laxmikandan	Academician
14	Mr. J. Christopher Clement	Academician
15	Mr. M. Deepan	Alumni
16	Ms. S. Indumathi	Alumni
17	Ms. D. Gayathri	Student
18	Ms. S. Nivedha Shree	Student
19	Mr. B. Ravi Varma	Student
20	Mr. S. Rajendran	Parent
21	Mr. M. Suresh	Parent

Agenda

- Review of Vision, Mission, PEO, PO and PSO.
- Review on CO, PO and PSO Attainment.
- Analysis of Annual Performance Audit of 2015 Batch.
- Activities of R&D cell and Training & Placements.
- Others.

The HOD and Convener of the Department Advisory Committee presented the following activities of the department for the academic year 2014 - 2015 Even semester. The following suggestions are given by the committee and remedial actions are taken for improving the performance of the department during the academic year 2015 - 2016 Even semester.

S. No.	Agenda	Discussion	Action taken	Resp	Target
1.	Review of Department Vision, Mission, PEO, and PSO	No recommendations were received from the stakeholders about change of Department Vision, Mission, PEO and PSO. After discussion with the members, it is decided to continue on the same.	-	PC	C
2.	Changes in contents of curriculum, syllabus and COs	There is no change in syllabus, Regulation and COs as compared to previous year and hence the committee approved their subjects and outcomes.	-	PC	C
3.	Analysis on CO attainment with POCAT, Graduate Exit Survey and University Exams	The evaluated attainment of CO attainment with POCAT, Graduate Exit Survey and University Exams are analyzed. Found that courses such as M II, Chem II, ED, CT were not attained their target levels. At this point, Dr. Laxmikandan and Mr. Gokulakrishnan suggested to <ul style="list-style-type: none"> Solve Extra problems during tutorial classes Project Nptel videos for easy understanding Teach deep basics on core courses Provide extra problems as assignment 	Programme Coordinator advised all Module Coordinators to <ul style="list-style-type: none"> Solve extra problems during tutorial classes Project Nptel videos for easy understanding Teach deep basics on core courses Provide extra problems as assignment 	PC	C

		<p>Action: Mock group discussions based sessions to be conducted to all the students.</p> <p>PO11: Project management and finance Action: More Students to submit project proposal to TI contest, TNSCST and other project contests under the guidance of faculty members</p> <p>PO12:Life-long learning Action: More no. of students to complete Online certifications on various courses.</p>	<p>do regular labs, mini projects and project work.</p> <p>PO10: Communication Action: Mock group discussions based sessions to be conducted to all the students.</p> <p>PO11: Project management and finance Action: More Students to submit project proposal to TI contest, TNSCST and other project contests under the guidance of faculty members</p> <p>PO12:Life-long learning Action: More no. of students to complete Online certifications on various courses.</p>		
4.	<p>Analysis on PSO attainment with POCAT, Graduate Exit Survey and University Exams</p>	<p>The evaluated attainment of PSO attainment with POCAT, Graduate Exit Survey and University Exams are analyzed. However the committee suggested to adapt the following suggestions for further attainment. They are given as follows.</p> <p>PSO1: Embedded system design Action 1: Students to be motivated to do Mini projects and also apply for project contests</p> <p>PSO2: Simulation Tools Action 1: The students has to be motivated to undergo Value added courses.</p>	<p>Programme Coordinator advised all the Module coordinators to follow as given below</p> <p>PSO1: Embedded system design Students to be motivated to do Mini projects and also apply for project contests</p> <p>PSO2: Simulation Tools Seminars, Workshop on Multisim and Microwind Simulation tool to be organized</p>	PC	C

<p>Analysis on PO attainment with POCAT, Graduate Exit Survey and University Exams</p>	<p>The evaluated attainment of PO with POCAT, Graduate Exit Survey and University Exams are analyzed and found to be attained. However the committee suggested to adapt the following suggestions for further attainment. They are given as follows, PO1: Engineering Knowledge Action: Students will be given training to implement solutions for different problems PO2: Problem Analysis Action: Tutorial classes to be offered to practice the analytical courses PO3: Design/Development of solutions Action: Students to be motivated to refer standard text books for solving more problems PO4: Conduct investigations of complex problems Action: Students to be motivated to do more simulation projects for better understanding of concepts PO5: Modern tool usage Action: Value added courses to be offered on recent trends based courses PO6: The engineer and society Action: Students to be taken to project lab and given exposure on sensors and controllers to do mini projects PO7: Environment and sustainability Action: Final year students to be asked to do eco friendly projects. PO8: Ethics Action: Training sessions on soft skills and human values to be conducted to students PO9: Individual and team work Action: Students to join as team to do regular labs, mini projects and project work PO10: Communication</p>	<p>Programme Coordinator advised all the Module coordinators to follow as given below PO1: Engineering Knowledge Action: Students to be given training to implement solutions for different problems PO2: Problem Analysis Action: Tutorial classes to be offered to practice the analytical courses PO3: Design/Development of solutions Action: Students to be motivated to refer standard text books for solving more problems PO4: Conduct investigations of complex problems Action: Students to be motivated to do more simulation projects for better understanding of concepts PO5: Modern tool usage Action: Value added courses to be offered on recent trends based courses PO6: The engineer and society Action: Students to be taken to project lab and given exposure on sensors and controllers to do mini projects PO7: Environment and sustainability Action: Final year students to be asked to do eco friendly projects. 10.	Analysis on co curricular and extracurricular activities	Students co curricular and extracurricular activities have been reviewed and found that, 68 number of students have received prizes in various events and more students participated. Hence committee appreciated	-	PC	C
11	Analysis on Student performance in Online Certification courses and in competitive exams	Student participations in Online courses are low and conduction of GATE Exam coaching class is appreciable.	-	PC	C
12	Analysis on activities of professional societies and student forum	Number of programs conducted by Professional societies and student forum are found appreciable by the committee. However, Dr. T. Laxmikanthan, suggested to ensure their outcomes.	Programme Coordinator advised all the class advisors to ensure their outcomes.	PC	C
13	Analysis on feedback from Academic Review, Class Committee Meeting and Student's feedback	Academic review, Class committee meeting and students feedback collection has been carried out frequently. Suggestions given by them were analyzed and rectified then and there. Hence the committee appreciated.	-	PC	C
14	Analysis on feedback obtained from Stakeholders	Number of feedback collection from stakeholders were reviewed by the committee and appreciated the PC.	-	PC	C
15	Analysis on activities of R&D cell	Activities of R & D cell have been analyzed and found that, there is a significant improvement compared to previous years. However, the committee suggests increasing the publications on quality journals.	Programme Coordinator advised, all the faculties to increase publication on quality journals.	PC	C

5	Analysis on PEO attainment with POCAT, Graduate Exit Survey and University Exams	The evaluated attainment of PEO attainment with POCAT, Graduate Exit Survey and University Exams are analyzed. However the committee suggested to adapt the following suggestions for further attainment. They are given as follows, PEO 1: Core Competency Action 1: Seminars, Workshops and guest lectures to be organized PEO 2: Professionalism Action 2: Human values based awareness program to be organized PEO 3: Higher studies and Entrepreneurship Action 3: To motivate students towards higher education.	Programme Coordinator advised all the Module coordinators to follow as given below PEO 1: Core Competency To organize a Seminar on Circuit Designing PEO 2: Professionalism Human values based awareness program to be organized PEO 3: Higher studies and Entrepreneurship Seminar related to Higher education to be organized.	PC	C
6	Review of Target Level Prescription and setting	Review of Target Level for Regulation R 2013 has been done and found to be good	-	PC	C
7	Analysis on Placement and Training activities	The percentage of Placement and Training programs conducted for the previous academic year is 78.94% found to be appreciable. However, the committee suggested students to give MOCK GD and interview rounds to students.	Programme Coordinator advised all the class advisors and department placement incharge to motivate their students to prepare for MOCK GD and interview rounds after class hours in the evening.	PC	C
8	Analysis of Annual Performance Audit	Student's performance have been analyzed and found to be appreciable one.	-	PC	C
9	Analysis on activities of Industry Institution Interaction	Student interaction with industries in terms of internship, industrial projects, Inplant training is progressive. Hence committee appreciated for implementing their previous suggestion for improvement.	-	PC	C

16	Development of Infrastructure	Infrastructure of department have been reviewed and found it is good.	-	PC	C
17	Any other matter	Nil	-	PC	C

The HOD and Convener of the Department Advisory Committee presented the following activities of the department for the academic year 2014 – 2015 odd semester. The following suggestions are given by the committee and remedial actions are taken for improving the performance of the department during the academic year 2015 – 2016 odd semester.

S. No.	Agenda	Discussion	Action taken	Resp	Target
1.	Review of Department Vision, Mission, PEO, and PSO	No recommendations were received from the stakeholders about change of Department Vision, Mission, PEO and PSO. After discussion with the members, it is decided to continue on the same.	-	PC	C
2.	Changes in contents of curriculum, syllabus and COs	There is no change in syllabus, Regulation and COs as compared to previous year and hence the committee approved their subjects and outcomes.	-	PC	C
3.	Analysis on CO attainment with University Exams	The evaluated attainment of CO with University Exams was analyzed. Found that the courses such as MI, Phy 1, CP, EG, EE&I, OOPS, FC L, DC, DSP, TLW, WC & RF were not attained. During this time, Dr. J. Christopher Clement suggested to <ul style="list-style-type: none"> Solve frequently Asked problems. Conduct remedial classes for slow learners. Conduct extra classes for low performing courses, programming and problematic courses Nptel Videos, animated videos and real time examples for better understanding Provide Extra programs as assignments Use simulation tools for explanation of concepts. 	Programme Coordinator advised all the Module Coordinators to <ul style="list-style-type: none"> Solve previous year Univ. Questions Conduct extra classes for low scorers in IAT Conduct Refreshment session for basic knowledge Provide Extra programs as assignments Conduct extra classes for low performing courses, programming and problematic courses Provide Nptel Videos, animated videos and real time examples for better understanding of difficult topics Get more familiarized with circuits concepts extra classes were arranged. 	PC	C

**K. S. R. INSTITUTE FOR
ENGINEERING AND TECHNOLOGY,
K. S. R. KALVI NAGAR,
TIRUCHENGODE-637 215,
NAMAKKAL Dt, TAMIL NADU.**

4.	Review of Target Level Prescription and setting.	Review of Target Level for Regulation R 2013 has been done and found to be good		PC	C
5.	Analysis on Placement and Training activities	The Number of Training programs conducted for placement activities during the previous academic year is found to be good. Hence the committee appreciated. However, the committee suggest to counsel the students to participate in various curricular and co curricular activities.	Programme Coordinator advised all faculties to counsel their students during monitor hour on the same for further improvement.	PC	C
6.	Analysis on activities of Industry Institution Interaction	Student interaction with industries in terms of internship, industrial projects, inplant training is progressive. The committee suggested to improve further by contacting with more industries.	Programme Coordinator advised all the year Students to approach different domain related industries for the same	PC	C
7.	Analysis on co curricular and extracurricular activities	Students co curricular and extracurricular activities have been reviewed and found that 76 number of students have received prizes in various events and more students participated.		PC	C
8.	Analysis on Student performance in Online Certification courses and in competitive exams	Student participations in Online courses are low and conduction of GATE Exam coaching class is appreciable. Hence the committee Students should to undergone Online courses.	Programme Coordinator advised all the Class Advisors to motivate to take up online courses.	PC	C
9.	Analysis on activities of professional societies and student forum	Number of programs conducted by Professional societies and student forum are appreciable. Hence the committee appreciated.		PC	C
10.	Analysis on feedback from Academic Review, Class Committee Meeting and Student's feedback	Academic review, Class committee meeting and students feedback collection has been carried out frequently. Suggestions given by them were analyzed and rectified then and there. Hence the committee appreciated.		PC	C

Department Advisory Committee

Minutes of Meeting

Period: June 2016 – Dec 2016

Date of Meeting: 08.07.2016

Venue: Board Room

With reference to the circular dated 30.06.2016, Department Advisory Committee has been assembled at the Board Room for discussion of the various agenda.

The HOD, Convener of the Department Advisory Committee presented the activities of the department planned during the academic year 2016 – 2017 (ODD sem). The following are the action taken on the performance of the department.

S. No	Agenda	Discussion/Action taken	Resp	Target
1.	Review of Department Vision, Mission, PEO, PSO and POs	No major recommendations received from the stakeholders on change of Vision, Mission, PEO, PSO and POs, found that it is good.	PC	C
2.	Discussion of curriculum, syllabus and COs	Regulation 2013 for VII semester curriculum and syllabus were analyzed and discussed to increase the student's performance.	PC	C
3.	Analysis on PEO, PO and PSO attainment.	<p>The evaluated attainment of PEOs, PSOs and POs for the batch 2012-16 and COs are analyzed.</p> <ul style="list-style-type: none"> • PEO1 & PEO2 are attained. • PEO3 is slightly attained. <p>The courses Engg Phy - I, EM-I, CS, LIC, DLC, CE, DSP, OOPS, EM – II, T&D and OS have not attained the specified POs. To improve the attainment level,</p> <ul style="list-style-type: none"> • More tutorial classes to be offered to understand the basic Engineering concepts in T&D, DLC & LIC to attain PO2, PO4, PO6 & PO12 and PSO1. • It is recommended to offer training programme on 	PC	C

PRINCIPAL,

		<p>Digital design and Electrical Machines for PO5, PO9 and PSO1.</p> <ul style="list-style-type: none"> It was planned to offer Practical Training on MATLAB to help the students to apply their theoretical Knowledge on the course Digital Logic Circuits and Control Systems in practical applications for PO5 & PSO1 		
4	ICT Tools Education	It is suggested to use Information communication tools like wikis and sources on internet effectively for improving the quality of teaching and learning.	PC	C
5	Analysis on Placement and Training activities	The percentage of placement, Entrepreneur and higher education for the academic year 2015-2016 is 87.14%. The Placement attainment of this academic year is good.	PC	C
6	Analysis on Students Academic Performance and CO attainment	Previous year CO attainment has been analyzed and found that TPDE, EMT, EDC, CS, & OS courses are not attained and recommendation given by MC were analyzed and approved.	PC	C
7	Analysis on activities of Industry Institution Interaction	Students' interaction with industries in terms of internship, industrial projects, inplant training is satisfactory. The mentors should motivate the students to develop their innovative ideas as product type.	PC	C
8	Analysis on Student Participation in meets	Students are encouraged to participate in co curricular activities like workshops, Seminars and Extracurricular activities. To enhance the students knowledge, workshop on simulation using MULTISIM is planned	PC	C
9	Analysis on Student performance in competitive exams	The students' performance in competitive exams was analyzed. The Committee suggested to increase the participation and performance levels in competitive exams.	PC	C
10	Analysis on activities of professional societies and student forum	It was suggested to open professional society/ student chapters for the department. Number of programs conducted by association is good.	PC	C

PRINCIPAL,
K. S. R. INSTITUTE FOR
ENGINEERING AND TECHNOLOGY
K. S. R. KALVI NAGAR,
TIRUCHENGODE-637 215.
NAMAKKAL Dt, TAMIL NADU.

11	Analysis on feedback from Academic Review, Class Committee Meeting and Student's feedback	Academic review, Class committee meeting and students feedback collection has been carried out frequently and corrective actions are taken shortly.	PC	C
12	Analysis on feedback obtained from Stakeholders	The feedback obtained from stakeholders does not have major variations. The suggestions given were put forth for the betterment of the department.	PC	C
13	Analysis on activities of R&D cell	Activities of R & D cell have been analyzed. The paper publications have been good and have to be increased. It is also suggested to get funds for various agencies.	PC	C
14	Development of Infrastructure	Infrastructure of department have been reviewed and found to be good.	PC	C
15	Any other matter	The committee suggested the faculty members to attend the FDP and seminar in reputed institutions.	PC	C

Department Advisory Committee
 Minutes of Meeting

Period: Dec 2016 – May 2017

Date of Meeting: 07.01.2017

Venue: Board Room

With reference to the circular dated 28.12.2016, Department Advisory Committee has been assembled at the Board Room for discussion of the various agenda.

The HOD, Convener of the Department Advisory Committee presented the activities of the department planned during the academic year 2016 – 2017 (EVEN sem). The following are the action taken on the performance of the department.

S. No	Agenda	Discussion/Action taken	Resp	Target
1.	Review of Department Vision, Mission, PEO, PSO and POs	The recommendations received from the stakeholders on change of Vision, Mission, PEO, PSO and POs are reviewed. No major considerations are there.	PC	C
2.	Discussion of curriculum, syllabus and COs	VIII semester curriculum and syllabus of R2013 was analyzed. Lower semester curriculum was reviewed for conducting value additions.	PC	C
3.	Analysis on Placement and Training activities	The Placement and Training activities were analysed. Mentors are asked to motivate the students in strengthening their resumes and develop their knowledge in the areas.	PC	C
4.	Analysis on Students Academic Performance and CO attainment	Previous year CO attainment has been analyzed and found that Engg Math II, Engg Chem II, NM & OOPS course not attained and recommendation given by MC were analyzed and approved.	PC	C
5.	Analysis on activities of Industry Institution Interaction	Interact with the industries in terms of internship, industrial projects, inplant training are analysed. The participation levels of students are satisficatory.	PC	C

 PRINCIPAL
 K. S. R. INSTITUTE FOR
 ENGINEERING AND TECHNOLOGY
 K. S. R. KALVIKUNGA
 TIRUCHENGODE
 NAMAKKAL DISTRICT, TAMIL NADU

6.	Analysis on Student Participation in meets	Students are encouraged to attend more value added courses and also motivated to participate in extracurricular activities. To encourage their participation and to develop their knowledge in softtools, Workshop on Raspberry Pi and Hands on Training –LABVIEW are planned.	PC	C
7.	Analysis on Student performance in competitive exams	Student participations in competitive exams are satisfactory. Further, it was suggested to create more awareness on competitive exams and Higher educations.	PC	C
8.	Analysis on activities of professional societies and student forum	Number of programs conducted by Professional societies and student forum are good	PC	C
9.	Analysis on feedback from Academic Review, Class Committee Meeting and Student's feedback	Academic review, and Class committee meeting are conducted and suggestions are rectified immediately. Individual student's feedback collection has been carried out frequently.	PC	C
10.	Analysis on feedback obtained from Stakeholders	The feedbacks are obtained from the Stakeholders and their major recommendation are suggested for consideration	PC	C
11.	Analysis on activities of R&D cell	R & D Cell Activities are analyzed. The paper publications and submission of proposals to funding agencies are good.	PC	C
12.	Development of Infrastructure	Infrastructure of department have been reviewed and found to be good.	PC	C
13.	Any other matter	Students are motivated to attend the industrial internship programs and establish more contact with industrial people.	PC	C

Department Advisory Committee (DAC)

This is to inform that, there will be a Department Advisory Committee (DAC) meeting-VI in our college on 07.07.2017. In this regards, all the stakeholders are asked to attend the meeting.

Venue : Main building (Board Room)

Time : 10.15 to 11.30 am

AGENDA

1.	Assessment of Vision, Mission, PEOs and PSO
2.	Analysis of CO attainment of Previous semester results
3.	Discussion of Academic Plan for the current semester
4.	Review of co-curricular activities
5.	Research activity
6.	Value added course
7.	Analysis of Placement
8.	Any other matters

DEPARTMENT ADVISORY COMMITTEE (DAC) MINUTES

Sr.No	Agenda	Discussion	Suggestions/ Remarks
1.	Welcome Address	The Head of the Department preside over the meeting and welcomed all the members with brief introduction of each person and presented agenda of the meeting	----
2.	Assessment of Vision, Mission, PEOs and PSO	Vision, Mission, PEOs and PSO of the department were analyzed based on feedbacks and necessary steps to be taken to fulfill the suggestions made by the members	----
3.	Analysis of CO attainment of Previous semester results	Dr.P.Murugesan Prof/Mech briefs the previous semester results and notifies the subjects SOM, ETD, EDC and FOCP that are not attained the CO and he mentioned the necessary action taken in this semester for improvement the same including <ul style="list-style-type: none"> • Remedial Classes and • Evening classes. He insists the DAC members to give suggestion to improve the CO attainment.	Dr.R.Vijayan suggested to conduct Guest Lectures by Industry resource persons.
4.	Discussion of Academic Plan for the current semester	The Head of the Department reviewed the academic plans for the current semester	Mr.T.Arumugam recommends enhancing the number of participants to register online courses
		Teaching Learning process and Course material were reviewed	Dr.A.Kumaravel instructed to add the content beyond syllabus material along with the online course material
5.	Review of co-curricular activities	Mr.M.Jackson Ponraj gives the detail about student participation in various co-curricular activities of previous semester. And he presented the list of students achieved in various activities	Mr.R.Sarathkumar propounds to motivate the students to attend paper presentation, workshops and conferences for each semester
6.	Research activity	Dr.R.Vijayan enquired about the activities of the Research and Development Cell	Dr.P.Veena intense to apply for more funding proposal

		Mr.P.Manikandan delivers the report of R&D cell activities and highlights the MERF activity and discusses the status of funding proposal	Mr. P.Mahalingam appreciate the research publication in journals and consultancy work with KASI Engineering
		Lastly he indicated the sponsor research along with KONE Elevators for amount of Rs 20,000/-	
7.	Value added course	Mr.R.Vasanthakumar discussed about the value added course conducted during last year	Dr.A.Madeshwaran advised to motivate the students to utilize the recourses available in the campus itself
		He also mentioned about centre of excellence in association with PTC	
8.	Analysis of Placement	The Head of the Department brief the previous year placement record that 85% of students got placed in various companies. He mentions the survey and feedback forms from the department were analyzed and necessary actions were taken to in order to improve the placement for forth coming year	Mr. P.Mahalingam insisted to conduct industry related courses to place the students in TierI Industries
9.	Any other matters	Mr.T.Arumugam appreciated the effort by students for designing and manufacturing of GOKART and their achievements in various events	Dr.R.Vijayan appreciated the faculty members for their Journal Publication
		Mr.A.Madeshwaran instruct the HoD to ensure that the faculty and staff members attending training programmes outside the institution	
10.	Vote of thanks	Mr.S.Balamurugan proposed vote of thanks

DEPARTMENT ADVISORY COMMITTEE (DAC) MINUTES

Sr.No	Agenda	Discussion	Suggestions/ Remarks
1	Welcome Address	Head of the Department extending a warm welcome to all the DAC members with brief introduction of each person and presented agenda of the meeting	----
2	Review of Vision, Mission, PEOs and PSO of the Department	The mapping done on 120 Feedback/Survey of Vision, Mission, PEOs and PSO which figure out that 90% of members were satisfied with the same	-----
3	Assessment of previous semester results	Dr.R.Mani, Prof/Mech presented the previous semester results and he pointed out the subjects SNM, EMM, M-II, EP-II and EC-II which are not attain the CO	Mr.A.Madeshwaran suggest to organize guest lecturers to meet the curriculum gap and improve the CO attainment
		He requests the DAC members to express the ideas to improve the attainment of the same	
4	PO and PSO target and Attainment Level	Mr.R.Vasanthakumar Briefed the Target and Attained level of 2013-17 batch. The Target level is fixed as 3 and he intimated that Pos and PSOs are not attained.	Dr.R.Vijayan suggested to conduct extra classes to improve students basic skills. He also suggested to arrange Industrial visit. Mr.T.Arumugam recommend to give Mini Projects to Students.
5	Analysis of 2016-2017 year graduation	Mr.M.Amarnath delivers the report of graduation and figure out that 94.5% of students were graduated	Mr.S.Muthaiah appreciated the faculty members for their harder work and prescribed to maintain the same in upcoming years
			Again he mentioned to give special attention to remaining percentage of backlogs students for the further improvement
6	Forum and Cell activities	HoD present Forum activities of this semester and describe the various steps taken to improve the quality of events organized through Cells and Forum	Dr.A.Kumaravel suggested to enhance cell activities through organizing programs collaboration with industries

PRINCIPAL
K. S. R. INSTITUTE FOR
ENGINEERING AND TECHNOLOGY

7	Research and Industry Institute Interaction	Dr.R.Mani review the R&D cell activity and he highlights the sponsored research funded by <i>Dhisan Futuristic Services</i> for the amount of Rs60,000/-	Dr.R.Vijayan appreciate the same and he suggested to conduct Industry Institute Interaction by deputing the staff to industry services & hiring the industry people in Academic to deliver current trends
		Again he stated that 8 papers were published in various journals	
		Dr.A.Kumaravel pointed that only few faculty were doing research and suggested to involve other faculty and young faculty in R&D works	
8	Entrepreneurship Development and final year project	Mr. A.R.Arunkumar has expressed need of Rapid Prototyping Technology to increase the accuracy of manufacturing component & also to give more importance in manufacturing related projects	Mr.A.Madeshwaran recommended introducing 3D printing in the curriculum to fill up the technology gap. Motivational talks to be organized by successful Entrepreneur for the students
		Mr. S.Arun Akash shared his opinion to identify the interested students in Entrepreneurship activity from first year onwards	
9	Training and Placement activities	Mr.S.Balamurugan discusses about the placement activity. He propound his plan to send the group of students to attend the internship and inplant training in reputed industry	Mr.T.Arumugam has insisted to encourage & motivate students as per area of student interest. Also it is require to develop problem solving ability among the students
10	Any other Topics	Mr.G.Ayyappan has discussed industry expectations from newly joined employees. His suggestion was to introduce seminar/workshop to update the students for future needs. He has also highlighted the needs of opting multidisciplinary course to co-up with industry expectations	Dr.P.Veena insist to improve the quality of research output by publishing in better quality journals

Minutes of DAC

The HOD and Convener of the Department Advisory Board presented the activities of the department during the academic year 2018 – 2019 through PPT. The following are the action taken on the performance of the department.

Meeting No.: 09		Date: 22/06/2018	Venue: Board Room	
S.No.	Topic	Discussion / Action Taken	Responsibility	Target
1.	Review on Vision, Mission, PEOs and PSOs.	<ul style="list-style-type: none"> The HoD presented the Institution's Vision, Mission statement and as well as of the department. The members have given their recommendations for Vision and Mission. 	All faculty members	Continuous
2.	Curriculum and Syllabus	<ul style="list-style-type: none"> Syllabus contents are discussed to identify content beyond syllabus in the following topics. <ul style="list-style-type: none"> ➤ Bridge course on OOPS concept after I Year. ➤ Shell Creation using Shell Commands. ➤ In Data Base collect real time data set and process it. ➤ At least two mini projects to be done at the end of III Year. 	All Faculty Members	Continuous
			Students	Continuous
3.	Teaching learning process	<ul style="list-style-type: none"> Student's academic performance have been analyzed and found that, with the usage of more ICT tools and learning by doing activities in many courses, it is appreciable one. 	All Faculty Members	Continuous
4.	Assessment method and Question paper setting	<ul style="list-style-type: none"> One test can be given as open book test with higher order thinking skills. Assignment can also be given in open book. Question for the programming subjects may be given from Hacker Rank, Code Chef, etc., 	All Faculty Members	End of the Semester
5.	Industrial Collaboration	<ul style="list-style-type: none"> Student interaction with industries in terms of internship, industrial 	Faculty Members	Continuous

		projects, inplant training is progressive. The board suggested to improve further by contacting with more industries.		
6.	Value Added Courses	<ul style="list-style-type: none"> • Python or R along with statistics, data analytics can be given as value added courses. • NPTEL, EDX, MOOC and other languages (French, German, Japanese etc.,) may be offered as 1 credit courses. 	Faculty Members	Continuous
7.	Co-Curricular activities	<ul style="list-style-type: none"> • National level Coding contest can be organized. • Presentation skills have to be improved for students. • Develop problem solving skills among students. 	Faculty Members	Continuous
8.	Analysis on feedback from Academic Review, Class Committee Meeting and Student's feedback	<ul style="list-style-type: none"> • Academic review, Class committee meeting and students feedback collection have been carried out frequently. Suggestions given by them were analyzed and rectified then and there. 	Faculty Members	Continuous
9.	Analysis on feedback obtained from Stakeholders	<ul style="list-style-type: none"> • Number of feedback collection from stakeholders is found good. Members reviewed Alumni survey and Employer survey, and found it is good. 	Faculty Members	Continuous
10.	Analysis on activities of R&D cell	<ul style="list-style-type: none"> • Activities of R & D cell have been analyzed and found that, there is a significant improvement compared to previous years. 	Faculty Members	Continuous

Department Advisory Committee (DAC)

DATE: 20.07.2019

Minutes of the Meeting

1. The meeting started with an address by Dr. P. Meenakshi Devi (Prof. & Head) extending a warm welcome to the Department Advisory Committee members and a sincere gratitude was expressed towards all the members present for the meeting.
2. She explained all the experts about the Institute's Vision and Mission, followed by the department's Vision and Mission. Feedback collected from various stakeholders regarding the department Vision, Mission and PEOs and PSOs are discussed.
3. Then she explained the Program Outcomes (POs) and the procedure involved in defining outcomes for a particular course, namely Course Outcomes (COs) and its mapping with POs.
4. Also discussed about the process adopted for a course, starting from subject allocation, preparation of course plan, delivery of lectures and conduction of labs, conducting Internal Assessment Tests, question paper setting, content beyond the syllabus, arranging for guest lectures and workshops for respective courses, etc.
5. The meeting was further directed towards the major topic of finding the gap in curriculum and identifying the scheme to bridge the gap would be made by the faculty member.
6. Mr.S.Karthikeyan (Industry Person) suggested to the students that they should
 - o Be aware of recent trends in IT field.
 - o Choose their projects in thrust areas like cloud computing, IOT, Block chain technologies, etc.
 - o Use GitHub link in resume to point out their technical skills.
 - o Make use of some cloud service providers like Amazon, Microsoft Azure to explore cloud computing projects.
7. Dr.K.Murugan (Academician) discussed
 - o The importance of the cycle test to improve their results.
 - o Need of clear understanding of all the concepts in their subjects.
 - o Do some innovative projects to co-up with industry expectations.
 - o To enroll NPTEL online certificate courses in various domains to explore their subject knowledge.

Minutes of Class Committee Meeting

Meeting No. : 03	Year / Sem : IV / VII	Date : Virtual Meet (Google Meet)
Attended by: All subject handling faculty members, Class advisor, Chair person, HoD-CSE.		

S.No	Topic	Discussion / Action to be taken	Responsibility	Target
1	Cloud Computing	Students understand with the teaching methodology.	Dr.B.KALAAVATHI	Continuous
2	Principles of Management	Students find no difficulty in the class and they asked the faculty to give additional problems	Dr.M.VIMALADEVI	Continuous
3	Cryptography and Network Security	Students felt easy to understand with his teaching methodology	Mr.V.PRAKASHAM	Continuous
4	Supply Chain Management	The subject is easy to understand.	Mrs.R.SATHYAPRIYA	Continuous
5	Software Project Management	The subject is easy to understand.	Ms.S.HAMSAREKA	Continuous
6	Human Computer Interaction	Teaching methodology are clear and very interesting to learn.	Dr.P.VIJAYALAKSHMI	Continuous
7	Cloud Computing Laboratory	Only 2 exercises are pending. Easy to understand.	Mr.R.VENKATESAN	Continuous
8	Security Laboratory	Only 2 exercises are pending. Easy to understand.	Mr.V.PRAKASHAM	Continuous

ANALYSIS OF ACADEMIC REVIEW MEETING FEEDBACK

DATE: 23.07.2015

The feedback received in Academic Review Meeting - I is analyzed and the following corrective actions are suggested for the academic year 2015-2016 (ODD Semester).

S.No	Topic	Feedback received	Action taken
1.	Academic	•Control of class is average forETD subject.	The faculty memberis counseled and was suggested • To take care of the students interest and to motivate the students to show interest in subjects • Faculty members are advised to use ICT tools to understand the concepts.
		•Understanding of concepts in the subject is average for Mr.M.Amarnath class,	
		•Need common notice board for mechanical.	• The issue iscommunicated to the Academic coordinator to eliminate in future
2.	General	• Class room to be cleaned regularly. • Drinking water supply is needed in 1 st floor. • Need Wi-fi connection in mechanical block. • Restrooms to be cleaned regularly. • Need net facility in CAD lab.	• The issues are informed to the respective Incharge for the necessary action.

ANALYSIS OF ACADEMIC REVIEW MEETING FEEDBACK

DATE: 31.08.2015

The feedback received in Academic Review Meeting - II is analyzed and the following corrective actions are suggested for the academic year 2015-2016 (ODD Semester).

S.No	Topic	Feedback received	Action taken
1.	Academic	<ul style="list-style-type: none">• Need one PAT for each IAT.	<ul style="list-style-type: none">• The issue is communicated to the Academic coordinator to eliminate in future
2.	General	<ul style="list-style-type: none">• Class room to be cleaned regularly.• Canteen not Clean.• Boys Hostel Drinking water supply is needed in 1st floor.• Notice board to be updated.• Need Wi-fi connection in mechanical block.• More chairs are needed in canteen.• Hostel food menu to be changed.	<ul style="list-style-type: none">• The issues are informed to the Respective Incharge for the necessary action.

Comments:

CAD/CAM Lab:

- Only 2 staffs in the Lab
- Need Video presentation for the lab
- New software, can't do the lab.

General Comments:

- Not cleaning the class room regularly.
- In first floor no drinking water.(MIC block)
- During Apps review not able to know the basic concepts, so no use.
- Need Bus for Karur after placement.
- Training needed for Govt.jobs.
- Need course for CNC by getting some nominal amount.
- Need details about core companies in our state.
- Tuesday review can be changed on Friday.
- Need time for project review.
- Need more Gate books in Library.
- Need books to prepare for Govt.Jobs.
- In boys hostel T.V room to be opened till 10.30 pm.(during sports only)

Analysis of Academic Review Meeting Feedback

DATE: 05.08.16

The feedback received in Academic Review Meeting - I is analyzed and the following corrective actions are suggested for the academic year 2016-2017 (Odd).

S. No.	Topic	Feedback received	Action taken
1.	Academic	II Year; Concepts are not clear in ADC subject.	The respective faculty member is mentored by HOD and following suggestions were given for improvement <ul style="list-style-type: none">• Explain concepts with simple examples.• Conduct the discussion for the difficult topics.
		III Year & IV Year; All the classes are going smooth and understood by all the students.	<ul style="list-style-type: none">• Apply more innovative and interactive teaching methods for getting excellent feedback.
2.	General	<ul style="list-style-type: none">• Cycle test should be conducted during class hours.• Requested to conduct cycle test only to slow learners.• Lift operation is needed in ladies hostel during lunch and morning hours.• Saturday morning breakfast not good	<ul style="list-style-type: none">• Informed to faculty members.• Mentors motivated the students to write cycle test to improve their academic performance.• Informed to Ladies hostel Warden.• Informed to Warden and Mess In-charge.

ANALYSIS OF ACADEMIC REVIEW MEETING - I FEEDBACK

DATE: 21.02.2019

The feedback received from Academic Review Meeting I is analyzed and the following corrective actions are suggested for the academic year 2018-2019(EVEN Sem)

S.No	Topic	Feedback received	Action taken
1.	Academic	<ul style="list-style-type: none"> For II yr/ IV sem/B sec students, Comfortable zone of the class in the subject is average for Mrs.S.Dhanalakshmi, AP/ECE 	The faculty member was mentored by the HoD and advised to provide a friendly approach and make the comfort zone to the students.
		<ul style="list-style-type: none"> Continuous theory hours 	As faculties will be comfortable in completing a big topic they asked for the continuous hours and the students were explained about the need of it.
		<ul style="list-style-type: none"> Need inputs regarding placement offers. 	The problem is addressed to the respective placement coordinators and the inputs were provided to the students.
		<ul style="list-style-type: none"> Need on duty during LATs 	Advised the students to plan any extra and co curricular activities other than internal assessment test.
		<ul style="list-style-type: none"> Need extra time to complete the project 	The Project coordinators were informed to address the students regarding the project completion timings.

Comments

- In EDC lab, Instruments are not working.
- Even mentor hour is engaged by staffs in taking subject.
- Staff should leave the students in correct time during lunch, evening and break hours. Extra minutes should not be engaged.
- What is written in the board in EDC class is not legible.
- Two cycle tests should not be conducted in a day.
- There should not be retest for cycle test.
- For maths, board usage is compulsory.
- In PPE subject, video presentation is needed.
- No free period, so the students feel irritated in continuous class.
- No sports conducted.
- No staff interaction in the class, in all subjects.
- Proper information about the fee details is not given to the students.
- Students need more motivation.

DEPARTMENT OF EEE

ANALYSIS OF ACADEMIC REVIEW MEETING FEEDBACK

DATE: 12.07.2019

The feedback received in Academic Review Meeting I is analyzed and the following corrective actions are suggested for the academic year 2019-2020 (Odd sem).

S.No	Topic	Feedback received	Action taken
1.	Academic	<ul style="list-style-type: none"> For II yr/ III sem Understanding of concept is average in TPDE, EDC. RTL method of teaching is not followed in EDC For III yr/ IV sem Understanding of concept is average in S & T. 	<p>The HOD mentored the faculty members and the following suggestions are given to improve understanding of concept by students</p> <ul style="list-style-type: none"> To solve more problems for TPDE. More examples can be given for EDC and more exposure in Lab classes can be given to make understanding easier. Demo class can be conducted for S & T subject Syllabus completion to be done before IAT by conducting additional classes

ANALYSIS OF ACADEMIC REVIEW MEETING FEEDBACK

DATE: 18.03.2020

The feedback received in Academic Review Meeting III is analyzed and the following corrective actions are suggested for the academic year 2019-2020 (Even sem).

S.No	Topic	Feedback received	Action taken
5.	Academic	<ul style="list-style-type: none"> For II yr/ IV sem Understanding of concept is average in NM, CS, LIC Lab. Need more time for Lab record completion 	<p>The HOD mentored the faculty members and the following suggestions were given to improve understanding of concept by students</p> <ul style="list-style-type: none"> Principal interacted with the faculty handling NM and CS. More practice sessions to be planned for solving CS problems
		<ul style="list-style-type: none"> Comfortable zone is average for NM, LIC, CS 	<p>The faculty members are counseled and were suggested</p> <ul style="list-style-type: none"> To solve more problems and motivate the self confidence of the students towards the subjects and improve their comfort zone
6.	General	<ul style="list-style-type: none"> Need holidays on Saturday Avoid night study 	<ul style="list-style-type: none"> The issues are informed to the Principal. Importance and need for continuous monitoring during end semester was explained to students and they were suggested to cooperate.

DEPARTMENT OF INFORMATION TECHNOLOGY
STUDENT FEEDBACK

Subject : Web Technology Laboratory
Feedback Title : Feed 19-20 ODD
Class : IT - III - B
Faculty : DEEPAN PRABU L

Questions	Excellent	VeryGood	Good	Satisfactory	Poor	Consolidated
Clarity of expectations of students	2	13	2	1	3	7.10
Effectiveness of Teacher in terms of	3	8	1	6	3	6.33
Effectiveness of Teacher in terms of Technical	2	10	4	1	4	6.67
Feedback provided on Students progress	2	11	4	1	3	6.90
Has the Teacher covered entire Syllabus as	3	12	2	0	4	7.14
Has the Teacher covered relevant topics beyond	2	11	3	1	4	6.76
Motivation and inspiration for students to learn	2	10	4	2	3	6.71
Pace on which contents were covered	2	10	4	1	4	6.67
Support for the development of Students skill is	3	10	3	2	3	6.90
Willingness to offer help and advice to students	2	12	0	2	5	6.62
Consolidated Mark :						6.78
Evaluation :						Good

Final Result is generated by the following conditions:

If total consolidated value is 9.0 and above then the result is EXCELLENT
If total consolidated value is 7.5 and above and below 9.0 then the result is VERY GOOD
If total consolidated value is 6.0 and above and below 7.5 then the result is GOOD
If total consolidated value is 5.5 and above and below 6.0 then the result is SATISFACTORY
If total consolidated value is below 5.5 then the result is POOR

Students Feedback - Review / Action Taken Report

Academic Year	2019 - 2020 (EVEN)	Date	03.09.2020
----------------------	--------------------	-------------	------------

Review / Action Taken meeting for Students Online Feedback was conducted. Students' online feedback about the subjects handled by the faculty members during this semester was analyzed. The faculty members were communicated about their feedback. The faculty members who got **EXCELLENT** rating were appreciated with an appreciation letter and the faculty members who got below 70% rating were advised to take more efforts to improve their performance by the Principal.

1. No. of subjects with EXCELLENT feedback : 2
2. No. of faculty members with below 70% feedback : Nil

POSTLAB QUESTIONS AND ANSWERS

1. Base loads?

The base loads on a grid is the minimum level of demand on an electrical grid over a span of the time.

The permanent minimum load that a power supply system is required to delivered.

2. λ -iteration method:

The mathematical procedure that generates a improving approximate solution for a class of procedure in within n^{th} approximation is derived from one is called λ -iteration method.

3. Relation between λ and power demand:

$$\lambda = P_0 + \sum_{i=1}^N b_i / z_{ai}$$

$$\sum_{i=1}^N 1 / z_{ai}$$

NAMAKKAL DT. TAMIL NADU.

RESULT

Thus, the economic load dispatch by using P to-efficient method for a given system (without loss and with loss) had been computed.

Average: 88.4

POST LAB QUESTIONS AND ANSWER

1) NEED FOR RESONANT CONVERTER

To eliminate the switching power losses and electromagnetic interference, we go for resonant converter.

2) ZCS :-

Advantages :

- * Variable load application.
- * Operates with constant on time.

Disadvantages :

- * Only for medium switching frequency.
- * Low efficiency.

3) ZVS :-

Advantages :

- * High switching frequency.
- * High efficiency.

Disadvantages :

- * Only used for constant loads.

RESULT:

Thus, the Zero Voltage Switching Resonant Converter and Zero Current Switching Resonant Converter were studied and their output waveforms were plotted successfully.

Best Practices By Institute:

Reformed Teaching Learning Process

In education, teachers facilitate student learning which helps students gain skills knowledge and thinking ability. Different ways to teach are often referred to as pedagogy. Teaching using pedagogy involves assessing the educational levels of the students on particular skills. Understanding the pedagogy of the students in the class room involves using differentialised instruction as well as supervision to meet the needs of all students in the classroom.

(a) Student Centric Learning

As we found a few difficulties in the traditional method of chalk and talk teaching, we have set up the classroom as student centric namely Reformed Teaching Learning (RTL) process. In this RTL method, the interaction by students has improved considerably.

(b) Activity Based Learning

As this new process is connected with activity based learning such as role play, students get more space to interact with teachers and classmates. Further, PPTs, Videos, OHPs and short seminars are being used in the RTL method that results in easy understanding of the concepts by students.

(c) Project Based Learning

The RTL method provides a detailed learning to students and also reduces them to initiate a project on the basis of what they have learnt in the classroom.

(d) Technical Quiz

To get in-depth knowledge in subjects, technical quiz is conducted in each subject which helps students to have specified learning.

(e) Mentoring

The teachers meet students periodically, collect the pros and cons of this method and counsel them to remove the difficulties in their academic performance; this method is called 'Mentoring system'; students' personal issues are also discussed and a proper guidance and support is provided to ensure the comfort of students in the campus.

The primary focus of the RTL method is to give students a wide-ranging knowledge, exceptional creativity and more comfort and to bring out their hidden potentials into the limelight.

Centre of Excellence

Centre of Excellence is a function that facilitates the collection of standards and practice in an institution to develop the skills of team members and to promote the institution to the next level. It refers to a team, a shared facility or an entity that provides leadership, practices, research, support and training for a particular area. It is often associated with new software tools, technologies and people's network. It also focus on a particular area of research, such center may bring together the faculty members from different disciplines and provide share facilities.

To meet the requirements of industries, value added courses are organized for students through this forum.

As learning is the continuous process, Faculty Development Programme (FDP) is organized once in a semester to update knowledge and to promote skills of the faculty members.

Sponsored workshops / FDPs are organized with the financial support from CSIR, ISTE, DRDO, AICTE, DST etc.

Research and Development (R&D) activities are conducted in which both the students and faculty members are equipped.

Skill Development Courses are organized for the students and the faculty members of other institutions.

School Outreach Programmes

It is important to know that the school Teachers should shape their students who go for higher education and should be aware of the latest trend of professional courses such as B.E., & B.Tech. Also the school students should equip their qualities in all the manner while they transform from school to college/university.

To create awareness and to bridge the gap on these aspects, we have designed a few outreach programmes for students and teachers of school.

The following are the benefits of the programmes:

- Teachers will get awareness about the latest teaching aids.
 - Providing practical oriented teaching.
 - Difficulties and barriers of subjects will be cleared thoroughly.
 - Hands-on training to teachers by the Resource Persons from industries.
 - Bringing school students to this campus and facilitating them to access the college resources.
- School students come to know about the systems followed in colleges.
- Students are given valuable exposure by using the new and different resources beyond the reach of many public schools.
 - Motivating them to take up engineering course.
