The International Day of Yoga has been celebrated annually on 21 June since 2015, following its inception in the United Nations General Assembly in 2014. Yoga is a physical, mental and spiritual practice which originated in India. The Indian Prime Minister, Narendra Modi, in his UN address suggested the date of 21st June, as it is the longest day of the year in the Northern Hemisphere and shares a special significance in many parts of the world.

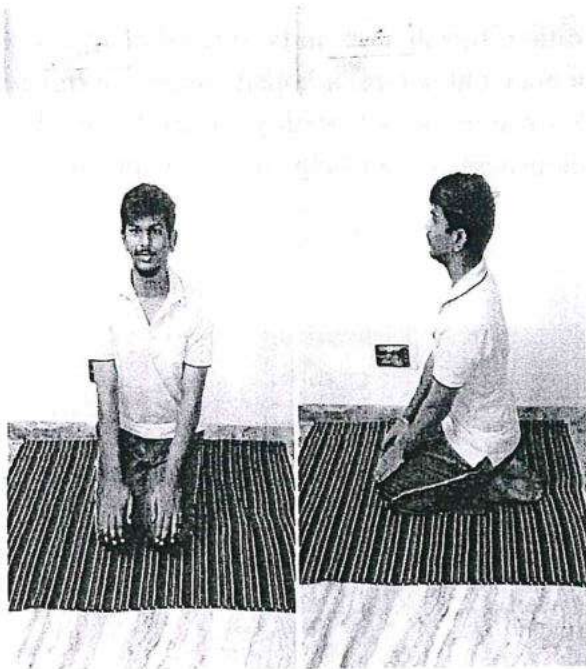

The idea of an International Day of Yoga was first proposed by the current Prime Minister of India, Narendra Modi, during his speech at the United Nations General Assembly (UNGA), on 27 September 2014. He stated that

Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about mere exercise but to discover the sense of oneness with yourself, the world and the nature. By changing our lifestyle and creating consciousness, it can help in well being. Let us work towards adopting an International Yoga Day.

— Narendra Modi, UN General Assembly

**ARMED FORCES FLAG DAY PLEDGE**

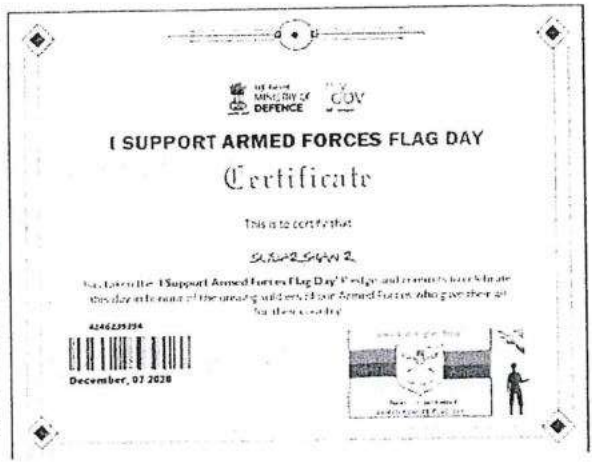

**DATE : 07.12.2020**

Since 1949, 7th December is observed as the Armed Forces Flag Day throughout the country to honour the martyrs and the men in uniform who valiantly fought & continue to fight on our borders to safeguard the country's honour. Soldiers are one of the greatest assets of any country. They are the guardians of the nation and protect its citizens at all costs. To fulfil their duties, soldiers have sacrificed a lot of things in their lives. The country is forever indebted to these gallant heroes who lay down their lives in the service towards the motherland.

It is our duty not only shows our admiration for the martyrs and the living heroes who were wounded while doing their duties but also their families who have been a crucial part of this sacrifice. Apart from Government measures at the Centre and the State level, it is the collective duty of every citizen of our country to make his/her unstinted and voluntary contribution towards providing care, support, rehabilitation and financial aid. Flag Day brings to the forefront our commitment of looking after our war disabled Soldiers, Veer Naris and the families of Martyrs who have sacrificed their lives for the country.
