Description :

Pongal is a four-day-long harvest festival celebrated in Tamil Nadu, which falls in the month of Thai (that is, the January-February season) when crops like rice, sugarcane, turmeric etc. are harvested. The term 'pongal' in Tamil means "to boil", and this festival is celebrated as a thanksgiving ceremony for the year's harvest.

The program started after the principal's message about pongal. All the students came with tamil traditional dress (Vaetti & Saree). Songs which resembles pongal celebration are performed by the music team. The drummer played a solo traditional "Jallikattu" beat which makes the audience to dance. The members of music club performed music program more than two hours. The singers also sang the trending movie songs and songs from independent folk album too.

Glimpses of the program :

Outcome of the program :

The students of all branches enjoyed the entire music event and few students from the audience sang tamil folk song which they learnt from their grandmother. The importance of celebrating pongal is to honour the farmers was conveyed through our music program.

9th ANNUAL DAY REPORT

| | |
|----------------|----------------------------|
| Program | 9 th Annual day |
| Venue | Founder's hall |
| Date | 15.02.2020 |
| Time | 4.00pm |

OBJECTIVE:

The program is conducted to honor the students for displaying their talents in cultural events and extracurricular activities and to make them enjoy the annual day function with happiness. Finally, the best dance team was awarded. The chief guest details are given as follows,

- **Chief Guest:**
Mr.C.Vijay
Founder and CEO,
Chennai.

DESCRIPTION:

The annual day celebration started out in a grand manner after the chief guest address. To mark our tradition it's our culture to inaugurate the function with our traditional Baratha Natiyam every year and gave an enchanting performance. The mime is a speechless act but through their action they created awareness about the importance of agriculture and water scarcity. Through dance, students learn teamwork, focus, and improvisational skills. Students need to express and communicate their ideas and to be given the opportunity to make creative decisions. Fashion show is an ensemble of creative ideas right from ramp lighting and décor to models. The theme of the show is to bring our country in one hand and shows the culture of different states through their costumes. Silambam is an ancient martial art of Tamil Nadu. They recreated the art and performed well. At last the annual day celebrations came to an end with a DJ for students and faculty separately. All students are left to dance freely for nearly 25 minutes of DJ and they enjoyed to their fullest.
