Item 25: To submit and ratify the proceedings of various committees like Grievances/ redressel, sexual harassment, anti ragging, SC/ST Cell etc, various associations, cells, clubs and forums.

Resolved to ratify the proceedings of various committees like Grievances/ redressel, sexual harassment, anti ragging, SC/ST Cell etc, various associations, cells, clubs and forums for the academic year 2018-19

Item 26: To submit and analysis the MOUs signed by the various department after the 5th IQAC meeting

The MoUs signed by various departments and the institution was reviewed and the committee suggested to increase the signing of number of MoUs and the activities through them.

Item 27: To ratify the participation of students in sports, NSS, NCC, UBA, Swachh Bharath etc. in the academic year 2018- 19

Resolved to ratify the students' participation in sports, NSS, NCC, UBA, Swachh Bharath etc and suggested to improve the contribution to society.

Item 28: To discuss the students' performance in competitive exam like GATE/TANCET etc.

As the participation in competitive exams is less, it is suggested to increase the number and motivate more students to attend GATE.

Item 29: To submit and discuss the Energy audit, green audit report received and action taken as per the audited report.

Resolved to note the energy audit, green audit report and hence take necessary actions suggested by auditors for better energy conservation and green campus ambience

Item 30: Any other matter

The members appreciated the effort taken by the institution for better quality education. Suggestive actions were given for improvement. The chairman thanked the IQAC members for their valuable presence and opinions

Policy of IEI Students Chapter

- The basic aim of IEI Students Chapter is to enrich students with different qualities to add dimensions to their personality so that every student emerges as multi-functional engineer.
- Various technical events like seminars, industrial visits, group discussions, technical quiz competitions, workshops and model/ poster competitions will be organized throughout the year with sponsor and banner of IEI.
- Opportunity to participate in technical events e.g. Seminars, Symposia, Conventions, Workshops etc. organized by various IEI centres at State, National and International levels at a concessional rate of 20%.
- Scholarships for selected student members will be given by IEI.

IPOOL FORUM

Main Objectives

- To conduct workshops, seminars, industrial visits and specialized engineering training to meet the current and emerging needs of the society.
- To support students in applying creative thinking and design techniques to interdisciplinary design processes based on mechanical engineering
- To increase communication skill of the students so that they can share their ideas with others and to cooperate, thus establishing the leadership to manage the organization effectively.
- To enhance their open-minds and positively critic spirits to recognize social and ethical responsibilities for what they have researched and developed.
- To acknowledge international role of engineers in the global society, and develop the leadership for industrial, academic and research institutes.

Vision

Vision aims to maintain the high level of interaction between the students and the faculty members. To organize Seminars, Workshops and Technical events by creation of close tie-up with the industries and also to assist in managing the resources and labs of the department.

Mission

Contribute to development of student community of researchers in educational and cultural evaluation for both theory and practical knowledge.

Goal

To provide superior quality in term of studies and services by sharing team spirit and working cohesively.

IPOOL FORUM

Main Objectives

- To conduct workshops, seminars, industrial visits and specialized engineering training to meet the current and emerging needs of the society.
- To support students in applying creative thinking and design techniques to interdisciplinary design processes based on mechanical engineering
- To increase communication skill of the students so that they can share their ideas with others and to cooperate, thus establishing the leadership to manage the organization effectively.
- To enhance their open-minds and positively critic spirits to recognize social and ethical responsibilities for what they have researched and developed.
- To acknowledge international role of engineers in the global society, and develop the leadership for industrial, academic and research institutes.

Vision

Vision aims to maintain the high level of interaction between the students and the faculty members. To organize Seminars, Workshops and Technical events by creation of close tie-up with the industries and also to assist in managing the resources and labs of the department.

Mission

Contribute to development of student community of researchers in educational and cultural evaluation for both theory and practical knowledge.

Goal

To provide superior quality in term of studies and services by sharing team spirit and working cohesively.

IPOOL FORUM

Main Objectives

- To conduct workshops, seminars, industrial visits and specialized engineering training to meet the current and emerging needs of the society.
- To support students in applying creative thinking and design techniques to interdisciplinary design processes based on mechanical engineering
- To increase communication skill of the students so that they can share their ideas with others and to cooperate, thus establishing the leadership to manage the organization effectively.
- To enhance their open-minds and positively critic spirits to recognize social and ethical responsibilities for what they have researched and developed.
- To acknowledge international role of engineers in the global society, and develop the leadership for industrial, academic and research institutes.

Vision

Vision aims to maintain the high level of interaction between the students and the faculty members. To organize Seminars, Workshops and Technical events by creation of close tie-up with the industries and also to assist in managing the resources and labs of the department.

Mission

Contribute to development of student community of researchers in educational and cultural evaluation for both theory and practical knowledge.

Goal

To provide superior quality in term of studies and services by sharing team spirit and working cohesively.

IPOOL FORUM

Main Objectives

- To conduct workshops, seminars, industrial visits and specialized engineering training to meet the current and emerging needs of the society.
- To support students in applying creative thinking and design techniques to interdisciplinary design processes based on mechanical engineering
- To increase communication skill of the students so that they can share their ideas with others and to cooperate, thus establishing the leadership to manage the organization effectively.
- To enhance their open-minds and positively critic spirits to recognize social and ethical responsibilities for what they have researched and developed.
- To acknowledge international role of engineers in the global society, and develop the leadership for industrial, academic and research institutes.

Vision

Vision aims to maintain the high level of interaction between the students and the faculty members. To organize Seminars, Workshops and Technical events by creation of close tie-up with the industries and also to assist in managing the resources and labs of the department.

Mission

Contribute to development of student community of researchers in educational and cultural evaluation for both theory and practical knowledge.

Goal

To provide superior quality in term of studies and services by sharing team spirit and working cohesively.

Students' representation and engagement in

Students Association

III. Student Participation in Association/ forum/ cell Activities:

“AURA” is an association of Department of Electronics and Communication Engineering meant for the benefits of UG students. The Association mainly focuses on exposures to recent updates on Electronics by conducting various programmes .Numbers of Technical events like Paper presentation, Just a Minute and Project contests have been conducted. Many non-technical events like treasure hunt, General Quiz, rangoli are also encouraged. Our association not only improves students’ technical skills but also soft skills like leadership quality through the event like Public Speech. Students also actively involved in social activities like Blood donation and NSS .We also make students to develop interest in reading books by conducting a program called Readers Arena. Our association periodically publishes a magazine named “ECE CHRONICLES” which includes articles in recent trends, their achievements in curricular and co curricular activities and their creativities. We have arranged Alumni interaction program for our students to make them know about current technologies and market trend.

Minutes of the Meeting

Period: June 2015 – May 2016

Date of Meeting: 17.07.2015

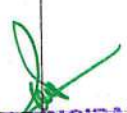

Venue: Board Room

With reference to the circular dated 08.07.2015, the members for Internal Quality Assurance Cell were assembled at the Board Room for discussion of the various agenda.

The Principal, Convener welcomed the members for the 2nd IQAC meeting. Coordinator of the Internal Quality Assurance Cell presented the activities of the Institution for the academic year 2014 – 2015 and the future plans for the current academic year 2015 -16.

The following are the suggestions/ action taken on the performance of the institution.

S. No	Agenda	Discussion/Action taken	Resp	Target
1.	Review of minutes of 1 st IQAC Meeting	The minutes of the 1 st IQAC meeting was reviewed by the IQAC members	Principal	C
2.	Review of minutes of 2014-15 even semester and 2015-16 odd semester DAC meeting	All department DAC meeting minutes were discussed and approved for action in forthcoming semester. Major recommendations and suggestions were considered.	PC	C
3.	Review of Governing Council Minutes	The minutes of GC was discussed and the suggestions given by the committee was putforth to the members for implementation	Principal & PC	C
4.	Change of Vision, Mission, PEO, PSO and POs of various departments	Feedbacks and suggestions seem to be good, from various stakeholders on Vision, Mission, PEO, PSO and POs. Hence it is suggested to continue the same.	Principal & PC	C
5.	Budget Allocation and Utilization	The committee suggested submitting budget allocation and utilization certificates for the budget from this academic year. The committee recommended conducting of periodic financial audits from this academic year.	Principal & PC	C

7.	Discussion of UG & PG curriculum and syllabus	Regulation 2013 for III - VI semester curriculum and syllabus were analyzed and the committee identified some technological gaps. To fulfill those gaps content beyond syllabus and value additions are suggested to increase the student's performance.	PC	C
8.	Quality Assurance Initiatives	It was suggested to conduct orientation program on Pedagogy teaching for new faculty. Usage of Information communication tools (ICT) is recommended effectively for improving the quality of teaching and learning. Faculty and students are motivated to take more online courses in SWAYAM (NPTEL) etc and attend more FDPs.	Principal	C
9.	Approval of Value added courses for the academic year 2015-16	It was suggested to plan the Value added courses for this academic year to fill the gaps in curriculum. The tentative schedule of VAC planned was approved by the IQAC. (Annexure - I)	PC	C
10.	Average Percentage of courses with Practical Exposure	It was suggested to give practical exposure to students and to make learning easy. In this regard, after elaborative discussion the committee suggested and approved courses that can be taught with practical component. (Annexure -II)	PC	C
11.	Analysis on PO, PSO & PEO attainment	<p>The evaluated attainment of PSOs, POs & PEOs for the batch 2011-15 and COs are analyzed. It was also suggested to frame rubrics for PEOs.</p> <p>It was suggested to concentrate on the courses that have not attained the specified POs. Further, in majority of department the curriculum correlation has less weightage for PO6, PO7, PO8, PO10, PO11 & PO12. So to improve the attainment level.</p>	PC	C

IPOOL FORUM

Main Objectives

- To conduct workshops, seminars, industrial visits and specialized engineering training to meet the current and emerging needs of the society.
- To support students in applying creative thinking and design techniques to interdisciplinary design processes based on mechanical engineering
- To increase communication skill of the students so that they can share their ideas with others and to cooperate, thus establishing the leadership to manage the organization effectively.
- To enhance their open-minds and positively critic spirits to recognize social and ethical responsibilities for what they have researched and developed.
- To acknowledge international role of engineers in the global society, and develop the leadership for industrial, academic and research institutes.

Vision

Vision aims to maintain the high level of interaction between the students and the faculty members. To organize Seminars, Workshops and Technical events by creation of close tie-up with the industries and also to assist in managing the resources and labs of the department.

Mission

Contribute to development of student community of researchers in educational and cultural evaluation for both theory and practical knowledge.

Goal

To provide superior quality in term of studies and services by sharing team spirit and working cohesively.
