**MEMORANDUM OF UNDERSTANDING ("MOU")**

BETWEEN:

**THE GOVERNORS OF THE UNIVERSITY OF CALGARY ("UCalgary"),**  
a corporation with offices in Calgary, Alberta, Canada,  
continued pursuant to the *Post-secondary Learning Act* (Alberta)

-and-

**K.S.R. GROUP OF INSTITUTIONS ("K.S.R.")**

includes K.S.R College of Technology, K.S.R College of Engineering, K.S. Institute of Engineering and Technology, K.S.R. Institute of Dental Science and Research, K.S.R. College of Arts & Science and K.S.R College of Arts & Science for Women, K.S.R Kalvi Nagar, Tiruchengode, Namakkal (Dt.), Tamil Nadu, India

The above named parties (the "Parties") wish to explore possibilities for collaboration which may include administering exchanges of students and faculty between and among these Parties, promoting the advancement of education, research, and services, and strengthening friendly cooperation between the Parties. The Parties are pleased to affirm their mutual intention to explore opportunities for collaboration as follows:

**1. Purpose and Scope**

The general purpose of this MOU is to facilitate mutually beneficial academic and research cooperation between the Parties which may include one or more of the following:

- (a) Joint educational and research activities, including applications for funding to promote these activities;
- (b) Exchange of visiting scholars for the purpose of conducting research;
- (c) Exchange of scholarly work;
- (d) Exchange of undergraduate and graduate students;
- (e) Exchange of staff.

**2. Definitive Agreements**

The Parties may at a later date enter into definitive agreements under the terms of this MOU to define the nature, extent and terms of the proposed collaboration.

**3. Enforceability**

This MOU and any related activities or expenditures by either Party are not intended to and do not create any rights, privileges, benefits or obligations, substantive or procedural, enforceable at law or equity, by

either Party (or its officers, employees or agents) against the other Party (or its officers, employees or agents).

#### 4. Finances

The Parties may enter into definitive agreements at a later date to make financial arrangements. This MOU does not constitute a financial commitment or obligation by either Party.

#### 5. Intellectual Property

Prior to commencing any collaborative activity, each of the Parties will inform participants of any applicable policies relating to intellectual property created by the participants. The participants shall confirm in writing their understanding and agreement with these policies. If the applicable policies of the Parties conflict, or at the request of either Party, the Parties and the participants may enter into a different agreement addressing the intellectual property rights of the Parties and participants.

#### 6. MOU Renewal and Termination

This MOU shall continue for a period of 5 years. Prior to the expiry of this MOU, the Parties may mutually agree to renew this MOU for additional consecutive periods of 5 years. Either Party may terminate this MOU by giving the other Party 6 months' prior written notice.

In the event of early termination of this MOU, the Parties will honour all commitments to any work in progress. Neither expiry nor early termination of this MOU shall affect other existing agreements between the Parties; any existing agreements that may have been entered into by the Parties shall be completed in accordance with their respective terms and conditions.

#### 7. Administrative Coordinators

Each Party will designate an individual who will serve as the administrative coordinator for this MOU. The administrative coordinators will be responsible for coordinating specific requests, ensuring that all necessary approvals are in place, preparing and distributing reports on the progress of this MOU.

# GENERAL MEMORANDUM OF AGREEMENT

Between

**SIGMA Clermont, France**

and

**K.S.R Educational Institutions (namely K S Rangasamy College of Technology, K S R College of Engineering, K S R Institute for Engineering and Technology, K S R College of Arts and Science and K S R Arts and Science for Women), India**

Recognizing the mutual benefits to be gained through a cooperative program promoting scholarly activities and international understanding, SIGMA Clermont, France, and the K.S. Rangasamy College of Technology, India enter into this General Memorandum of Agreement and agree to the following:

## 1. ACTIVITIES

Within the framework of the regulations applying in each of the institutions and subject to the availability of resources, the following activities will be implemented:

- Exchange of students at Master, doctoral and post-doctoral level.
- Faculty/staff exchange programs.
- Joint research activities.
- Organization of joint academic and scientific activities, such as courses, conferences, seminars, symposia or lectures.
- Exchange of academic materials and other information.
- Joint degree programs.

If necessary, specific details of any activity shall be set forth in an Addendum which, upon signing by both parties, shall become an integral part of this Memorandum of Agreement.

Both institutions agree to keep in regular contact through their respective international offices and to report progress or other specific information as requested.

## 2. STUDENT EXCHANGE

### 2. 1. General conditions

- a. Each university will select the students for the exchange from its own institution according to published criteria and procedures.
- b. Each university reserves the right to approve the candidates proposed for the exchange by the other university.
- c. It is anticipated that on average an approximately equal number of students from each university will participate in the exchange.
- d. Students from both universities will register in their university of origin, but will enjoy all the privileges accorded to students at the host institution (tuition waiving).

- e. Students from both universities must have their course selections approved by their home department and appropriate academic authority in order to obtain transfer of credit towards their degrees.
- f. All arrangements shall be negotiated in each case between the individual student and the exchange program coordinator at the home university.

**2.2. Student fees**

Students will pay tuition fees to the home university and will be responsible for their own travel, books and subsistence expenses. Visiting students will not be charged tuition fees by the host institution. However, tuition fees may not be waived for certain postgraduate programs with specific admission requirements (to be discussed on a case-by-case basis).

**2.3. Insurance**

Each institution will require that its students studying at the other institution have adequate health insurance coverage according to requirements of the host country.

**3. DURATION AND AMENDMENT OF AGREEMENT**

This agreement shall remain in force for a period of three years from the date of the last signature with the understanding that either party giving six months' prior notice to the other party in writing may terminate it. In the event of such termination all activities and exchanges approved earlier shall be allowed to proceed to their natural conclusion.

The terms of this agreement may be renewed and/or extended upon request of one of the parties upon mutual agreement by elaborating an addendum, which shall be signed by representatives of both parties. Such amendments, once approved by both institutions, will become part of this General Memorandum of Agreement.

In witness thereof, the parties hereto have offered their signatures:

and

**The Faculty of Science, Mahidol University, Thailand (Mahidol)**

The above named parties (the "**Parties**") wish to explore possibilities for collaboration which may include administering exchanges of students and faculty between and among these Parties, promoting the advancement of education, research, and services, and strengthening friendly cooperation between the Parties. The Parties are pleased to affirm their mutual intention to explore opportunities for collaboration as follows:

### 1. Purpose and Scope

The general purpose of this MoU is to facilitate mutually beneficial academic and research cooperation between the Parties which may include one or more of the following:

- (a) Joint educational and research activities, including applications for funding to promote these activities;
- (b) Exchange of visiting scholars for the purpose of conducting research;
- (c) Exchange of scholarly work;
- (d) Exchange of undergraduate and graduate students; and
- (e) Exchange of staff

### 2. Definitive Agreements

The Parties may at a later date enter into definitive agreements under the terms of this MoU to define the nature, extent and terms of the proposed collaboration.

### 3. Enforceability

This MoU and any related activities or expenditures by either Party are not intended to and do not create any rights, privileges, benefits or obligations, substantive or procedural, enforceable at law or equity, by either Party (or its officers, employees or agents) against the other Party (or its officers, employees or agents).

### 4. Finances

The Parties may enter into definitive agreements at a later date to make financial arrangements. This MoU does not constitute a financial commitment or obligation by either Party.

### 5. Intellectual Property

Prior to commencing any collaborative activity, each of the Parties will inform participants of any applicable policies relating to intellectual property created by the participants. The participants shall confirm in writing their understanding and agreement with these policies. If the applicable policies of the Parties conflict, or at the request of either Party, the Parties and the participants may enter into a different agreement addressing the intellectual property rights of the Parties and participants.

### 6. MOU Renewal and Termination

This MoU shall continue for a period of five (5) years. Prior to the expiry of this MoU, the Parties may mutually agree to renew this MoU for additional consecutive periods of five (5) years. Either Party may terminate this MoU by giving the other Party six (6) months' prior written notice.

In the event of early termination of this MoU, the Parties will honour all commitments to any work in progress. Neither expiry nor early termination of this MoU shall affect other existing agreements between the Parties; any existing agreements that may have been entered into by the Parties shall be completed in accordance with their respective terms and conditions.

### 7. Administrative Coordinators

Represented by the President, Shri. R. Srinivasan, Vice-Chairman

Hereafter referred to as the parties.

Parties agree the following:

Seeking to establish partnership on educational and research programmes, the parties agree the following:

Article 1: The cooperation between the two parties will cover various activities, including:

- Exchanges of professors, researchers and administrative staff,
- The development of research programmes,
- Participation to conferences, workshops and seminars,
- Exchanges of students (degree seeking or interns),
- Exchanges of information, documentation and scientific publications,
- Co-supervision and co-direction of doctoral thesis,
- Implementation or participation to doubles degrees/ joint diplomas/ international or European projects.

Article 2: Each activity will be separately negotiated and agreed between the faculty, schools or institutes, which carry out the specific project and will be described in an addendum referring to the present agreement, to be signed by the legal representatives of both parties. All addenda are submitted to the same rules as the present agreement.

Article 3: The implementation of any of the activities listed in article 1 shall depend upon the availability of resources and financial support at

## APPENDIX REGARDING STUDENT EXCHANGES

Given the Basic Agreement on Academic Exchange Program between the Universities signed on *January 16<sup>th</sup> 2018*, parties decide to agree on student exchanges for:

- Physics, Chemistry, Computer Science, Mechanical Engineering and Biology students registered at the IUT Clermont-Ferrand (second year DUT and third year "Licence Professionnelle") with the purpose of students exchange at KSREI

### 1. Duration of Stay

Duration of stay for students of both universities shall not exceed three month in academic year.

### 2. Number of Exchange Students

Each university will normally accept up to a maximum of 12 (twelve) students yearly under this Agreement. This number can be modified, if necessary, based on the discussion between the universities.

### 3. Selection of Exchange Students

The home university will normally recommend most suitable students to the host university based on the field of interest and academic excellence. Selected students must follow the host university application process and provide all required documents.

The host university reserves the right to accept or not selected students.

### 4. Enrollment of Exchange Students

(a) An acceptance letter will be sent to exchange students if necessary for visa procedure.

(b) Exchange students will remain registered at their home institution.

(c) Students exchange agreement signed between UCA, KSREI and the exchange student will organize the stay of the intern student in India.

### 5. Study Program and Evaluation

Each intern student will determine his/her program at the host institution in consultation with academic advisers of both host and home institutions.

Performance of each student shall be evaluated by his/her adviser in both host and home institutions. An assessment document will be sent to the home

institution.

UCA students, upon completion and according to the assessments of both home and host institutions will be granted 12 ECTS.

#### 6. Tuition

Each student shall be exempted from the payment of any entrance examination fees, admission fees and tuition fees of the host university. However, students admitted at UCA shall pay a fee (compulsory for every student registered in a French University) corresponding to University Preventive Medicine.

#### 7. Accommodation

The host university will assist students in finding accommodation.

#### 8. Insurance

Students coming to KSREI and UCA are required to provide proof of a valid international insurance policy until the end of the exchange period concerning:

- Personal liability
- Medical care expenses
- Hospital and surgical procedures expenses
- Sanitary repatriation

Students who lack presenting such policies will be led to contract insurance in the host country.

#### 9. Financial Responsibility

Exchange students will be responsible for their own expenses, including travel expenses, accommodation costs and health care fees.

#### 10. Program monitoring

Each partner commits to appoint a correspondent person who shall monitor the actions.
