## ACTIVITY 2:

### Name of Activity:

Swachhata Hi Sewa Campaign – Creating Awareness about Effects of Plastics in villages

### Need of the Activity:

Plastic free village

### Description in 200 words (along with the Pictures):

The inauguration Swachhata Hi Sewa Campaign at Tiruchengode Taluk is organized by Namakkal District Collector Office on 11th September 2019. Our College students and UBA faculty coordinators have actively participated in the inauguration event (Photos enclosed). Faculty Coordinators of UBA have discussions with Block Development Officer and Project Development Officer Ms.Malarvizhi after the event regarding the implementation of “plastic-free-village” Campaign in the adopted villages.

Five teams have been formed with faculty and students to address the five adopted villages. Each team consists of at least five faculty coordinators and 30 students from each department. Each team coordinator has visited their allotted village and organised a meeting with the help of employees at Village Panchayat Office. The students addressed the public of that village and explained about the disadvantages of plastics and encouraged to use cloth bags. They also asked the public to collect and hand over the one-time use plastics.

Our teams have also visited the schools and have discussions with the head masters regarding “plastic-free-village” Campaign in the adopted villages. With permission from the headmasters our UBA coordinators addressed the students and create awareness about “plastic-free-village” Campaign. Then finally, the UBA team asked the students of the schools to bring one-time use plastics from their home and store it in the sacks provided for a period of one week time. It has been planned to collect the stored plastics and to issue cloth bags to all the students and teachers in the schools visited.
