Introduction

This report is regarding about the Webinar from Dr. T. VELMURUGAN Associate Professor, PG and Research Department of Computer Science, Head, Department of Computer Applications (BCA), D. G. Vaishnav College, Chennai. At first he started up with the general topic what is related to, Introduction to Cloud Computing and he explained briefly about Data storage techniques and security in Cloud computing.

Session-I

- In this session he explained about the Intellectual property rights which refer to the general term for the assignment of property rights through patents, copyrights and trademarks.
- He also stated about IPR which was initially started in North Italy during the Renaissance era. In 1474, Venice issued a law regulating patents protection that granted an exclusive right for the owner. Protection of IPR allows the innovator, brand owner, patent holder and copyright holder to benefit from his/her work, labor and investment, which does not mean monopoly of the intellect.

Session-II

- In this session he explained that a trademark is a sign that individualizes the goods or services of a given enterprise and distinguishes them from those of competitors. A geographical indication is basically a notice stating that a given product originates in a given geographical area.
- Patent is an exclusive right granted by law to an inventor or assignee to prevent others from commercially benefiting from his/her patented invention without permission, for a limited period of time in exchange for detailed public disclosure of patented invention.

Session-III

- In this session he discussed about the Trade Name: - A trade name or business name is a name that uniquely distinguishes a business from others. Trade Secret: - It is any information of commercial value concerning production or sales operations which is not generally known. The owner of a trade secret must take reasonable measures to maintain its confidentiality. A product, in its final form or intermediate form, in which the elements, ^{Principal} ~~Trade Secret~~ one of which is an active element, and whereby

the interconnections are integrally formed in and/or on a piece of material, which is intended to perform an electronic function.

- Copyright is a form of IPR concerned with protecting works of human intellect. Related Rights or Neighboring Rights are rights that in certain respects resemble copyright.

Session-IV

- In this session he explained about unfair competition is any act of competition contrary to honest practices in industrial or commercial matters. And also said about the difference between Forgery and Counterfeiting

Feedback by the Students

- This Webinar is very useful and understanding the basic concepts of Intellectual Property Rights, Patent and Design Process.
- Needed Hands on Training for Cloud Computing Tools.

Sir,

Sub: Extending our gratitude– reg.

Greetings from K S R Institute for Engineering and Technology.

The Department of EEE in association with Institution Innovation Council convey sincere thanks for your Webinar on "INTELLECTUAL PROPERTY RIGHTS (IPR) AND IT'S INSIGHTS" on 19.11.2022. The students and faculty members got benefited and inspired with your valuable information about innovation and technological upgradation for student's career growth. The feedback about the program was positive. Our heartfelt gratitude for your contribution and expect the same in our future endeavors.

Thanking you,

P. Veena

Report of the Event

The Session started with welcome address by **Dr.C.SANTHA KUMAR,ASPE/EEE** and followed by a brief introduction about the chief guest. The chief guest gave her presentation starting from an various Research fields availability and the importance of automations. She explained each and every research availability sector with suitable videos like Global warming and air pollutions in before and during COVID19.

She gives the information about fossil fuels issues and the Advantages of EVs and what are all the problems facing in Agriculture fields also students learned something about Unmanned Air Vehicle. She gave the importance Robots and automation in Army fields, mines and Medical fields. She Explained the usage of Drone technology and importance.

Finally she Gave nine top trending technologies i.e, AI, IOT,5G,Cyber security, Block chain, Edge Computing, Robotic process automation(RPA). The session was concluded by Vote of thanks by **B.NITHAJ, II/EEE**.

This webinar on **POPULAR RESEARCH ZONES IN ELECTRICAL SECTOR** was organized in the aim to create the awareness about the Electrical Sectors. The students shared their feedback and found it useful and they have got clear clarification about the today's needs in Electrical sector.

Sir,

Warm Greetings.

We would like to conduct a Workshop on "Insight into Research publications" for the benefit of III B.E (BME) students on 18.04.2023, 09.30 am. In this regard we like to invite, you to be our resource person and discuss your valuable ideas and guidelines to the students.

We hope you would be able to fit this event in your busy schedule. The students will benefit a lot on the topic. We expect your support and reply.

Thanking you.

Yours Faithfully,

K.S.R. Kalvi Nagar, Tiruchengode- 637 215, Namakkal Dist., Tamil Nadu, India.

Report of the Event

The Session started with welcome address by Dr.P.Veena, Head of the Department/EEE and followed by Chief guest Introduction given by Ms.M.Mayuri, Third year /EEE. Then Session was started by Chief Guest Dr.Madhu Ganesh., Director-Industry Academia Collaborations, Karunya Institute of Technology and Sciences, Coimbatore. Then he explained how to do production of wastes with huge amounts represents a big problem for many countries. Also, he explained how the transportation and disposal of these amounts are land and resources consumers so managing these wastes became an urgent issue recently. Waste management includes recycling, safe disposal of hazardous waste materials and using materials which have reasonable calorific value to be converted into energy. Waste to energy concept provide economical and environmental benefits and introduce a renewable energy source as well. Finally the session was ended with Vote of thanks by Mr.T.Arvind, AP/EEE.

Outcomes	After the completion of program, the students came to know about the <ul style="list-style-type: none"> ➤ Recycling or reusing the waste that is produced benefits the environment by lessening the need to extract resources and lowers the potential for contamination. ➤ The main objective of Waste management is to reduce the environmental and health hazards that arise from indiscriminate dumping of waste and pollution of natural resources like the land, sea, and air.

Sir,

Sub: Extending our gratitude - reg.

Greetings from K S R Institute for Engineering and Technology.

The Department of EEE convey sincere thanks for your lecture in "Research Prospects and Scope in Waste to Energy Conversion" on 14/03/2023. The students and faculty members got benefited and inspired with your valuable information about how to get energy from waste. The feedback about the program was positive. Our gratitude for your contribution and expect the same in our future endeavors.

Workshop on "Entrepreneurship Skill Development and Behavioral Skill"

Academic Year : 2021-2022

Date : 06.01.2022

Introduction

This report is regarding about the Workshop from Ms.Priyadharshini, Knowledge Partner, E-Cap, Design Engineer II, MiraFra Technologies on 06.01.2022. The speaker highlighted some of the key characteristics of an entrepreneur, which are:

1. Empathy is instilled through entrepreneurial ideals and related "ways of thinking, doing, feeling, seeing, communicating, organizing, and learning things."
2. Development of strategic thinking and scenario planning skills, as well as the ability to make intuitive decisions based on little knowledge.
3. Stimulating a variety of entrepreneurial behaviors such as seeking for and seizing opportunities, networking, taking initiative, convincing others, and making intuitive decisions. This necessitates a diverse set of pedagogical tools.

Feedback by the Students

- This Workshop was really very useful and an Interesting one.
- Needed one session for Udyam Registration for Startup.

MEMORANDUM OF UNDERSTANDING

BETWEEN

UNIVERSITI TUN HUSSEIN ONN MALAYSIA

AND

**KSR INSTITUTE FOR ENGINEERING AND
TECHNOLOGY, INDIA**

**ON ACADEMIC, RESEARCH & DEVELOPMENT
COLLABORATION**

THIS MEMORANDUM OF UNDERSTANDING (hereinafter referred to as "MoU") is made on 24th of July..... 2023.

BETWEEN

UNIVERSITI TUN HUSSEIN ONN MALAYSIA (hereinafter referred to as "UTHM") a public university established under the Universities and University Colleges Act 1971 and having its address at 86400 Parit Raja, Batu Pahat, Johor, Malaysia and shall include its lawful representatives and permitted assigns of the first part;

AND

KSR INSITUTE FOR ENGINEERING AND TECHNOLOGY INDIA (hereinafter referred to as "KSRIET") a private engineering institution established in the year of 2011, approved by Ministry of Education, Government of India and Government of Tamilnadu and having its campus at KSR Kalvi Nagar, Tiruchengode, Tamil Nadu - 637215, India and shall include its lawful representatives and permitted assigns of the second part;

(UTHM and KSRIET shall hereinafter be referred to singularly as "the Party" and collectively as "the Parties")

WHEREAS: -

- A. **UTHM** is an established university which strives to enhance and strengthen its internationalization linkage and has taken various initiatives to complement its educational excellence. **UTHM** has entered into various collaborative arrangements with other parties to enhance its academic and research activities

- B. **KSRIET** is established with the vision to become a globally recognized Institution in Engineering Education, Research and Entrepreneurship. **KSRIET** has evolved as one of the top institutions in Tamil Nadu, branded as an Industry Connected Institution among the education fraternity. To impart industry relevant skills, **KSRIET** has collaborated with various industries exclusively to setup, Centers of Excellence (CoE) to carry out training and to give a real-time hands-on experience. The Institute focuses on holistic development of students by adopting the most innovative and

creative dimension to impart quality education and employability skills. KSRIET has also recently drawn the attention of the industries and other global community for its radical approach in inculcating Innovative Learning Program (ILP). ILP has diversified the teaching learning process and its environment by incorporating more practical sessions and involvement of students in various technical and non-technical activities to realize their skills, talents and passion.

- C. The Parties are desirous of entering into this MoU to declare their respective intentions and to establish a basis of co-operation and collaboration between the Parties upon the terms as set forth herein.

THE PARTIES HAVE REACHED AN UNDERSTANDING as follows:

ARTICLE I

OBJECTIVE

The Parties, subject to the terms of this MoU and the laws, rules, regulations and national policies from time to time in force in each Party's country, will endeavour to establish, promote and develop academic, research and development cooperation between the Parties based on equality and mutual benefit.

ARTICLE II

AREAS OF COOPERATION

1. Each Party will, subject to the laws, rules, regulation and national policies from time to time in force, governing the subject matter in their respective countries, endeavour to take necessary steps to encourage and promote cooperation in the following areas:-
 - (a) the collaborative academic publications and researches;
 - (b) the exchange of academic staff;
 - (c) the exchange of students;

- (d) a collaboration in organizing seminars, conferences, symposiums, lectures and intellectual discourses;
 - (e) the collaborative workshops for community service and entrepreneurship programs;
 - (f) collaborating empowering society activities and programmes; and
 - (g) any other areas of co-operation to be mutually agreed upon between the Parties.
2. For the purpose of implementing the co-operation in respect of any area stated in paragraph 1 above, the Parties will enter into a legally binding agreement subject to terms and conditions as mutually agreed upon by the Parties including clauses on "confidentiality", "suspension", "protection of intellectual property rights" and "settlement of dispute" as contained in "Annexure A" of this MoU.

ARTICLE III

FINANCIAL ARRANGEMENTS

1. This MoU shall not give rise to any financial obligation by one Party to the other.
2. Each Party shall bear its own cost and expenses in the implementation of this MoU.

ARTICLE IV

EFFECT OF MEMORANDUM OF UNDERSTANDING

This MoU serves only as a record of the Parties' intentions and does not constitute or create, and is not intended to constitute or create, obligations under domestic or international law and will not give rise to any legal process and will not be deemed to constitute or create any legally binding or enforceable obligations, express or implied.

ARTICLE V

NO AGENCY

Nothing contained herein is to be constituted a joint venture partnership or formal business organization of any kind between the Parties or so to constitute either Party as the agent of the other.

ARTICLE VI

ENTRY INTO EFFECT AND DURATION

1. This MoU will come into effect on the date of signing and will remain in force for a period of **three (3)** years or until terminated by either party with **NINETY (90) DAYS** written notice.
2. The termination of the MoU shall not affect the implementation of ongoing activities programmes.
3. This MoU may be extended for a further period as may be agreed in writing by the Parties.

ARTICLE VII

REVISION, VARIATION AND AMENDMENT

The Parties must confer with each other should they wish to revise, vary or amend this MoU before the end of the period of this MoU and such revision, variation, or amendment agreed to by the Parties shall be in writing and shall form part of this MoU.

ARTICLE VIII

NOTICES

Any communication under this MoU will be in writing in the English language and delivered personally or sent by registered mail to the address or sent to the electronic mail address or facsimile number of **UTHM** or **KSRIET** as the case may be, shown below or to such other address or electronic mail address or facsimile number as either Party may have notified the sender and will, unless otherwise provided herein, be deemed to be duly given or made when delivered to the recipient at such address or electronic mail address or facsimile number which is duly acknowledged:

File No. 33-370/2017-NBA

Date 14-06-2022

To
The Principal
K S R Institute for Engineering and Technology,
K.S.R. Kalvi Nagar, Tiruchengode- 637 215,
Namakkal District, Tamil Nadu

Subject: Further accreditation status on the basis of Compliance Report of the programs in Tier-II offered by K S R Institute for Engineering and Technology, K.S.R. Kalvi Nagar, Tiruchengode- 637 215, Namakkal District, Tamil Nadu.

Sir,

This is regarding Compliance Report submitted by **K S R Institute for Engineering and Technology, K.S.R. Kalvi Nagar, Tiruchengode- 637 215, Namakkal District, Tamil Nadu** for the UG Engineering programs which were accredited by NBA in Tier-II for academic years 2019-20 to 2021-22 whose validity of accreditation would expire on 30.06.2022.

2. An Expert Team conducted data verification of the programs on 7th May, 2022. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Electrical & Electronics Engineering	Tier-II June 2015 Document	Accredited	Academic Years 2022-2023 to 2024-2025 i.e. upto 30-06-2025	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Information Technology		Accredited		
3.	Electronics & Communication Engineering		Accredited		
4.	Computer Science & Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for further 3 years. **K S R Institute for Engineering and Technology, K.S.R. Kalvi Nagar, Tiruchengode- 637 215, Namakkal District, Tamil Nadu** should submit fresh online application through eNBA portal at least five months before the expiry of validity of accreditation mentioned above.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **K S R Institute for Engineering and Technology, K.S.R. Kalvi Nagar, Tiruchengode- 637 215, Namakkal District, Tamil Nadu** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

Contd./...

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
8. A copy each of Report of the Visiting Team in respect of the above programs is enclosed.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary
