VISHAKA COMMITTEE - INTERNAL COMPLAINTS COMMITTEE

MINUTES OF THE MEETING

2022-2023		Date: 19.07.2022		Venue : ECE Seminar Hall	
Members attended: Dr. S.A, Dr.J.C.K, Dr.S.P, Mrs.P.N, Mr.P.S, A.J, S.A, T.S, T.K.V, A.A.N, R.K		Discussion		Action taken	
S.No.	Agenda	Discussion	Action taken	Responsibilities	
1.	Welcoming of new members	The newly elected student committee members were greeted by the faculty members of the committee. The role and the responsibilities were allotted.	The new members list should be notified to all.	Presiding Officer	
2.	About the committee	Committee goal and objectives were discussed and the newly elected members clarified their doubts about the functions of the committee.	Presiding officer stated the intention, goals, objectives and the significance of framing the committee.	Members	
3.	Conducting Awareness Programmes	Awareness programme on Good Touch Vs Bad Touch can be organized for the female staff and students.	Schedule should be planned at the earliest.	Staff I/C	
4.	Any Other Matter	CSR activities may be initiated through this committee to the nearby schools.	Members are requested to find the possibilities.	Presiding Officer

NOTICE

VISHAKA COMMITTEE POLICY

Vishaka Committee include

- Physical contact
- Demand or request for sexual favours
- Sexually colored remarks
- Display of pornography
- Any other unwelcome physical, verbal or non-verbal conduct of a sexual nature.

Any disorderly conduct pertaining to the above stated will be booked under Vishaka committee act. Stringent actions will be taken on complaints. The college is committed to prohibition, prevention and redressal of Vishaka committee of women at workplace as per the act 2013.

The female student, staff and faculty are requested to inform any such activities to the class Advisor/HoD/Internal Complaints Committee against Vishaka committee Members/principal then and there for necessary actions.

## VISHAKA COMMITTEE - INTERNAL COMPLAINTS COMMITTEE

### PREVENTION OF SEXUAL HARASSMENT CELL (POSH)

Date: 22.06.2022

#### Formation of Committee members for the Internal Complaints Committee Against Sexual Harassment (VISHAKA)

The new member for Internal Complaints Committee against Sexual Harassment has been formed for the academic year 2022-2023 as per the UGC norms. The committee has been setup with the aim of providing women, an appropriate complain mechanism against unwelcome sexually determined behavior whether directly or by implication. The committee is formed with the following faculty and student members.

S.No.	Name of the Member	Designation	Department	Representation
1.	Dr. M. Venkatesan	Principal	CSE	Convenor
2.	Dr..S.Agiladevi	Professor	Chemistry	Presiding Officer
3.	Dr.J.C.Kannan	Professor & Head	Physics	Faculty Member
4.	Dr. S.Premalatha	Associate Professor	ECE	Faculty Member
5.	Mrs.P.Nithya	Programmer	Exam cell	Faculty Member
6.	Mr. P. Selvaraj	Lab Assistant	Chemistry	Faculty Member
7.	JFP.Er.A.J Saravanan	President-Elect, JCI, AJS Trust, Erode	NGO	Member
8.	A.Jaishini	III Year	CSE	Student Member
9.	S.Arunadevi	III Year	IT	Student Member
10.	T.Sri janani	III Year	ECE	Student Member
11.	T.K.Vaishnavi	III Year	BME	Student Member
12.	A.A.Navethitha	III Year	MECH	Student Member
13.	R.Kiruthika	III Year	EEE	Student Member

### INDUSTRIAL VISIT TO KERALA ELECTRICAL & ALLIED ENGINEERING CO. LTD.

Date: 10/03/2023 & 11/03/2023

Attended by : II ECE Students (2021-2025)

#### **About the Industry :**

The Mission Of Kerala Electrical & Allied Engineering Company Was Established in 1964 in the state of Kerala, India.

The key people of KEL are shajiM.Varghese (Managing Director) ,P K Rajan master (chairman).

The company started its first operation in 1964 by incorporating technology from the French firm EVR for the manufacturing of brushless alternators, required for Indian Railways in lightning & air-conditioning of coaches.

KEL owns five production units for the development of a number of equipment for Indian Army. Indian Air Force, Indian Space Research Organization and many other space research institutions

The Kerala Electrical & Allied Engineering Company is a multifaceted company fully owned by the State Government. Through its four production facilities, located in various districts of the State, this ISO 9001: 2000 complaint company provides basic engineering services / products besides executing projects of national significance of high profile clients like the various defense establishments .

The company's all-India marketing network with regional offices in all metro cities cater to major institutional clients like the State Electricity Boards, Indian Railways and various defense establishments besides the general market clients.

  
PRINCIPAL,  
K S R INSTITUTE FOR  
ENGINEERING AND TECHNOLOGY,  
K S R KALVI NAGAR,  
TIRUCHENGODE-637 215,  
NAMAKKAL DT, TAMIL NADU.

### **THINGS WE LEARNT:**

1. We learnt about the functions, interior parts and manufacturing of transformers.
2. The transformers have two interior parts called i). core ii). coil
3. The first process is the manufacturing of core which is similar to the heart for living of the transformer. Material selection plays an important role as they are using Silicon material for the manufacturing. They are manufacturing the core because the coil should fit into this core.
4. The second process is the manufacturing of coil winding. These windings are made up of copper material, which are designed to optimize thermal, electrical and mechanical stress. Spiral, Helical and continuous disc winding with multiple copper conductors are used.
5. The next is called assembly section where the core and coil is assembled and the section where the space utilization, compactness of the transformer is determined.

  
PRINCIPAL,  
K S R INSTITUTE FOR  
ENGINEERING AND TECHNOLOGY,  
K S R, KALVI NAGAR,  
TIRUCHENGODE-637 215,  
NAMAKKAL Dt., TAMIL NADU.

6.The 6th step is the addition of oil into the designed transformer. Pure oil is used in transformers because even a microscope level of waste may cause harmful effects in transformer.

**7.Tank& Final Assembly:** After ensuring that the active part is fully dry and moisture free, it is lowered inside a suitably designed and fabricated.

**8.Tank fabrication &sand blasting:** Sand blasting is the effectful technique which helps in removal of the corrosion due to moisture in environment, influence of various gases, rust flakes.

**9.Painting:**Painting increases the service life and gives the aesthetic look.

**10.Drying/Ovening:** Here core and coil assembly is dried through a very efficient drying oven which ensures extraction of moisture to zero level. After drying process,winding,clamping and connection are checked and tightened before lowering into tank. Filtered and degassed oil is then filled into the tank under vacuum filter plants. Thus required insulation is achieved.

**11.Ready to Dispatch:** During final assembly all pipe work, bushings and radiators are fitted to the transformer.

  
PRINCIPAL,  
K S R INSTITUTE FOR  
ENGINEERING AND TECHNOLOGY,  
K S R KALVI NAGAR,  
TIRUCHENGODE-637 215,  
NAMAKKAL DI, TAMIL NADU.

## Outcomes:

The Industrial Visit to KEL gave a clear insight into the manufacturing of Transformer.

It is useful for doing practical sessions and mini/main projects.

Feedback: Industrial visit is a short duration training course for students to develop their skills and get industrial knowledge which will help them to understand what actually happens in industry. Student's interaction with industry is very much required to meet the industry requirements and to obtain the knowledge in latest technologies.

Overall this Industrial visit helps to learn the process of manufacturing of core which is the main part of the transformer. Material selection plays an important role as they are using Silicon material for the manufacturing. The manufacturing process of the core is detailed by the industry persons, we also got basic ideas of types of transformers, its working and its uses in various domains. we are very much thankful for the management, Principal, Director, and HOD, for having permitted us to undergo Industrial visit. The knowledge gained by the training will definitely be used for improvement of ourselves and the institution

### GRIEVANCE REDRESSAL COMMITTEE (2022-2023)

As per the AICTE direction (No. F. No. AICTE/PG/2012/20/SRO/06/1363, dated 25th July 2012) and as per the AICTE (Establishment of Mechanism for Grievance Redressal) Regulations, 2012 vide notification F. No. 37-3/Legal/2012, dated 25.05.2012, the Governing Body (GB), KSRIET constituted Grievance Redressal Committee (GRC) with the objective of resolving the grievances of students and their parents.

All aggrieved students and their parents may approach the Grievance Redressal Committee for their grievances. The grievances include:

- (i) Making admission contrary to merit
- (ii) Irregularity in the admission process
- (iii) Withhold or refuse to return any certificates
- (iv) Demand of money in excess specified
- (v) Breach of the policy of reservation
- (vi) Complaints of alleged discrimination (sc/st, obc, women, minority or ph)
- (vii) Non-payment or delay in payment of scholarships to students
- (viii) Delay in conduct of examinations or declaration of results
- (ix) Withholding student amenities
- (x) Denial of quality education
- (xi) Non transparent or unfair evaluation practices
- (xii) Harassment and victimization of students including sexual harassment
- (xiii) Refund of fees on withdrawal of admissions, etc.

## PROCEDURE, PERIODICITY AND ATTENDANCE AT MEETINGS:

- ❖ The Grievance Committee will meet as and when required. However, if necessary, it may meet more frequently at the instance of the Chairman or at the request of the other members to discuss the various issues received.
- ❖ At least three members of the Grievance Committee shall be present in a meeting.
- ❖ If a member of the Grievance Committee is connected with the grievance of the aggrieved individual, the concerned member of the Grievance Committee shall not participate in the deliberations regarding that individual's case.
- ❖ If the aggrieved person happens to be a member of the Grievance Committee, then he/she shall not participate in the deliberations as a member of the Committee when his/her representation is being considered.

## PROCEDURE OF SUBMITTING GRIEVANCE

- ❖ The students can submit their grievances to the Grievance Committee of UGC through online in the below mentioned portal.  
<http://www.ugc.ac.in/grievance/>
- ❖ The students can also submit their grievances to the Grievance Committee of Institute through writing or electronically to the mail id.: [principal@ksriet.ac.in](mailto:principal@ksriet.ac.in)

## PROCEDURE IN REDRESSAL OF GRIEVANCES:

- ❖ A aggrieved student or person may make an applicant seeking redressal of grievance.
- ❖ The address of the members should be published on the notice board & prospectus and also placed on the website of the institution.
- ❖ On receipt of an application by the registry, the employee-in-charge shall inform the chairman for furnishing his/her reply within seven days.
- ❖ The chairman shall fix a date for hearing the complaint which shall be communicated to the institute and the aggrieved person either in writing or electronically, as may be feasible.
- ❖ An aggrieved person may appear either in person or represented by such person as may be authorized to present his case.
- ❖ The chairman shall be guided by principles of natural justice while hearing the grievance.

  
PRINCIPAL,  
K S R INSTITUTE FOR  
ENGINEERING AND TECHNOLOGY,  
K S R, KALVI NAGAR,  
TIRUCHENGODE-637 215,  
NAMAKKAL Dt. TAMIL NADU

- ❖ The chairman shall ensure disposal of every application within one month of receipt for speedy redress of grievance.
- ❖ On the conclusion of proceedings, the Chairman shall pass such order with signature, with reasons for such order, as may be deemed fit to redress the grievance and provide such relief as may be desirable to the affected party at issue.
- ❖ A complaint shall be filed by the aggrieved student, his / her parent or with a special permission from the Chairman by any other person.
- ❖ In case of any false/frivolous complaint, the Chairman may order appropriate action against the complainant.
- ❖ In case of lack of unanimity, the Grievance Committee shall take decisions by majority;
- ❖ The Grievance Committee shall communicate its decisions within ten days of receipt of complaint.

F. No. 1-101/AICTE/PGRC/Regulation/2019

Date: 31.03.2023

Dear Sir/Madam,

**Subject: Implementation of All India Council for Technical Education (Redressal of Grievance of Students) Regulations, 2019-reg**

Kindly refer to AICTE's letter No. 1-101/AICTE/PGRC/Regulation/2019 dated 29.11.2019, 02.12.2019, 03.12.2020, 12.10.2021, 12.10.2021 & 20.10.2022 regarding implementation of All India Council for Technical Education (Redressal of Grievance of Students) Regulations, 2019 (a copy of Regulations is enclosed).

2. As you are aware, in order to provide opportunities for redressal of certain grievances of students already enrolled in any Institution, as well as those seeking admission to such Institutions, and a mechanism thereto, the All India Council for Technical Education (AICTE) has already made All India Council for Technical Education (Redressal of Grievance of Students) Regulations, 2019 which is published in Official Gazette of India on 19.11.2019. These Regulations are available on AICTE website at [www.aicte-india.org](http://www.aicte-india.org). These Regulations shall apply to all Technical Institutions recognized or approved by the All India Council for Technical Education under Section 10(k) of All India Council for Technical Education Act, 1987.

3. Under these Regulations, for addressing and effectively resolving the grievances of students, every AICTE approved technical Institution shall constitute **Student Grievance Redressal Committee (SGRC)** in their Institution with the following composition, namely:

- Principal of the College- Chairperson;
- Three senior members of the teaching faculty to be nominated by the Principal as Members and out of three one member shall be female and other from SC/ST/OBC category;
- A representative from among students of the College to be nominated by the Principal based on academic merit/excellence in sports/performance in co-curricular activities- Special Invitee.

4. Under these Regulations, all aggrieved students are required to approach Student Grievance Redressal Committee (SGRC) constituted by the concerned Institution for redressal of their grievances. In case they are not satisfied with the decision of the SGRC, they may appeal to the **Ombudsperson** appointed by the concerned affiliating University/Technical University/Private University/Deemed to be University/Directorate of Technical Education (DTE)/AICTE etc.

5. Under Clause 6 of these Regulations, the appointment, tenure, removal and conditions of services of Ombudsperson are described and are as under:

- i. Each affiliating University, Technical University, Private University, deemed to be University shall appoint Ombudsperson for redressal of grievances of students as per the UGC (Redress of Grievances of Students) Regulations, 2019.
  - ii. There shall be one or more part-time functionaries designated as Ombudsperson to hear, and decide on, appeals preferred against the decisions of the SGRCs.
  - iii. For AICTE approved technical Institution which are offering diploma level course(s) and are affiliated to Board of Technical Education (BTE), the concerned Directorate of Technical Education (DTE) shall appoint an Ombudsperson for the redressal of grievances of students.
  - iv. For AICTE approved technical Institution which are not affiliated to any University and offering Diploma, Post Diploma, Post Graduate Certificate, Post Graduate Diploma Course(s) in Management, Computer Applications & Travel and Tourism, the Council shall appoint an Ombudsperson for redressal of grievances of students (In this regard, a copy of AICTE's letter dated 20.10.2022 is enclosed).
  - v. The Ombudsperson shall be a Retired District Judge or a retired Vice Chancellor or Professor (who has worked as Dean/HOD and 10 years' experience as Professor at State/Central University/Institution of Eminence).
  - vi. The Ombudsperson shall not, at the time of appointment, during one year before appointment, or in the course of his tenure as Ombudsperson, be in a conflict of interest with the Institution where his/her personal relationship, professional affiliation or financial interest may compromise or reasonably appear to compromise, the independence of judgement toward the Institution.
  - vii. The Ombudsperson shall be appointed for a period of three years or until he or she attains the age of 70 years, whichever is earlier, from the date of assuming office, and shall be eligible for reappointment for another one term for the same State or region, as the case may be.
  - viii. For conducting the hearings, the Ombudsperson shall be paid a sitting fee, per diem, in accordance with the norms fixed by the Council, and shall, in addition, be eligible for reimbursement of the expenditure incurred on conveyance.
  - ix. The State Government, in the case of an Ombudsperson of a State, and the Council (for Council appointed Ombudsperson), may remove the Ombudsperson from office, on charges of proven misconduct or misbehaviour as defined under these Regulations.
  - x. No order of removal of Ombudsperson shall be made except after an enquiry made in this regard by a person not below the rank of judge of the High Court in which a reasonable opportunity of being heard is given to the Ombudsperson.
6. Under these Regulations, the functions of Ombudsperson are prescribed as under:
- i. The Ombudsperson shall hear appeals from an aggrieved student(s), only after the student has availed all other remedies provided under these Regulations.

- II. While issues of malpractices in the conduct of examination or in the process of evaluation may be referred to the Ombudsperson, no appeal or application for revaluation or re-totalling of answer sheets from an examination, shall be entertained by the Ombudsperson unless specific irregularity materially affecting the outcome of specific instance of discrimination is indicated.
  - III. The Ombudsperson may avail assistance of any person, as amicus curiae, for hearing complaints of alleged discrimination.
  - IV. The Ombudsperson shall make all efforts to resolve the grievances within a period of 30 days of receiving the appeal from the aggrieved student(s).
7. The procedure for redressal of grievances by Ombudsperson and Student Grievance Redressal Committee are as under:
- a. Each Institution shall have an online portal where any aggrieved student may submit an application seeking redressal of grievance.
  - b. On receipt of an online complaint, the Institution shall refer the complaint to the appropriate SGRC, along with its comments within 15 days of receipt of complaint on the online portal.
  - c. The SGRC, as the case may be, shall fix a date for hearing the complaint which shall be communicated to the Institution and the aggrieved student.
  - d. An aggrieved person may appear either in person or authorize a representative to present his/her case.
  - e. Grievances not resolved by the SGRC shall be referred to the concerned Ombudsperson, within the time period provided in these Regulations.
  - f. Institutions shall extend co-operation to the Ombudsperson or the SGRC, in early redressal of grievances; and failure to do so may be reported by the Ombudsperson to the Council, which shall take action in accordance with the provisions of these Regulations.
  - g. The Ombudsperson shall, after giving reasonable opportunities of being heard to both parties, on the conclusion of proceedings, pass such order, with reasons therefore as may be deemed fit to redress the grievance and provide such relief as may be appropriate to the aggrieved student.
  - h. The Institution, as well as the aggrieved student, shall be provided with copies of the order under the signature of the Ombudsperson, and the Institution shall place it for general information on its website.
  - i. The Institution shall comply with the recommendations of the Ombudsperson; and the Ombudsperson shall report to the Council any failure on the part of the Institution to comply with the recommendations.
  - j. The Ombudsperson may recommend appropriate action against the complainant, where a complaint is found to be false or frivolous.
  - k. The Institution shall furnish, prominently, on its website and in its prospectus, all relevant information in respect of the SGRC coming in its purview, and the Ombudsperson for the purpose of appeals.

### NOTIFICATION

F.no. 1-101/PGRC/AICTE/Regulation/2019

Date: 20.10.2022

The All-India Council for Technical Education (AICTE) has notified All India Council for Technical Education (Redressal of Grievance of Students) Regulations, 2019, which is published in Official Gazette of India on 19.11.2019. These regulations are aimed at addressing and effectively resolving grievance of students of AICTE approved technical institutions. All the AICTE approved Institutions have been advised to implement these Regulations in their institutions.

As per these Regulations, all aggrieved students are required to approach Student Grievance Redressal Committee (SGRC) appointed by the concerned Institutions for redressal of their grievances. In case they are not satisfied with the decision of the SGRC, they may approach to the OMBUDSPERSON to be appointed under these Regulations. Each affiliating University, Technical University, Private University, Deemed to be University shall appoint Ombudsperson for redressal of grievances of students under the UGC (Redressal of Grievances of Students) Regulations, 2019. For Institutions which are offering diploma level course(s) and are affiliated to Board of Technical Education (BTE), the concerned Directorate of Technical Education (DTE) shall appoint an Ombudsperson for redressal of grievances of students.

Under clause 6(iv) of these regulations, AICTE is required to appoint Ombudsperson for institutions which are not affiliated to any University and offering Diploma, Post Diploma, Post Graduate Certificate, Post Graduate Diploma Course(s) in Management, Computer Applications & Travel and Tourism.

In view of the above provisions in the Regulations, AICTE has appointed the Ombudsperson for the redressal of grievances of students of AICTE approved PGDM institutions as per details below.

Prof. R.V. Raja Kumar  
Ombudsperson (PGDM), AICTE  
C/o Public Grievance Redressal Cell  
All India Council for Technical Education  
Nelson Mandela Marg  
New Delhi - 110070  
E-mail: [complaint@aicte-india.org](mailto:complaint@aicte-india.org)

All AICTE approved institutions shall furnish, prominently, on its website and in its prospects, all relevant information in respect of the Student Grievance Redressal Committee(s) coming in its purview and the Ombudsperson for the purpose of appeals.

F. No. 1-103/AICTE/PGRC/Regulations/2021

Date: 17.03.2023

Dear Sir/Madam,

**Subject: Implementation of All India Council for Technical Education (Redressal of Grievance of Faculty/Staff Member) Regulations, 2021-reg**

Kindly refer to AICTE's letter No. 1-103/AICTE/PGRC/Regulations/2021 dated 07.04.2021 regarding implementation of All India Council for Technical Education (Redressal of Grievance of Faculty/Staff Member) Regulations, 2021(a copy enclosed).

As you are aware, in order to provide opportunities for redressal of certain grievances of Faculty/Staff Members already appointed in any Institution, as well as those seeking appointment to such Institutions, and a mechanism thereto, the All India Council for Technical Education (AICTE) has already made All India Council for Technical Education (Redressal of Grievance of Faculty/Staff Member) Regulations, 2021 which is published in Official Gazette of India on 25.03.2021. These Regulations are available on AICTE website (at <https://www.aicte-india.org/sites/default/files/Regulations.pdf>). These Regulations shall apply to all Technical Institutions recognized or approved by the All India Council for Technical Education as per Section 10(k) of all India Council for Technical Education Act, 1987.

As per these Regulations, it is mandatory for all Technical Institutions to address the grievance of faculty/staff members including service matters at the Institution level itself. A Grievance Redressal Committee (GRC) for faculty/staff members shall be constituted by each Institution to look into the grievance of the faculty/staff members. The composition of the GRC shall be as follows:

- Principal of the Institution as Chairperson
- One Senior Professor of the affiliating University as a Member
- One Official from University or State DTE (Directorate of Technical Education) (to be nominated by DTE/University Vice Chancellor) as Member
- One Senior Faculty (not below Associate Professor) as Member

In case faculty/staff is not satisfied with the decision of GRC, they may appeal to the concerned affiliating University/State DTE (in case of diploma Institution) for redressal of their grievances. The University level or DTE level Grievance Redressal Cell established by the University or DTE shall address such grievances and settle the matter at State/University level.

## Requisition Letter

The Principal,  
K S R Institute for Engineering and Technology,  
Tiruchengode - 637 215.

11 April, 2023

To

The Chairman,  
K.S.R. Educational Institutions,  
Tiruchengode - 637 215.

Respected Sir,

Sub: Seeking permission to invite our Students Counsellor regularly - Reg.

I would like to bring your kind notice that we have appointed a Part-time Psychologist, Ms. Kavitha Lakshmanan to counsel our students on their personal issues as per the guidelines of Anna University. As some of our students need her counseling regularly, we make her visiting our college periodically. With your consent, we give Rs. 6000/- per day for counseling charge and for her travel expenses as she comes from Pollachi. As many of her expenses increased, she demands Rs. 10000/- (Ten Thousand) per day. In this regard, I request you to kindly give permission to invite her and to make payment.

Thanking you.

With regards,

  
(Dr. M. Venkatesan)

International Year of Millet 2023 - Rally

Date: 18.03.2023

K S R Institute for Engineering and Technology celebrated the International Year of Millets-Rally on 18.03.2023. Once a staple in traditional Indian cooking, millets fell out of favour over the years, and have been making a slow comeback in India and across the world. To keep this momentum going, the United Nations has declared 2023 the International Year of Millets. Dr M Venkatesan, Principal, KSRIET, welcomed the gathering and spoke about the significance of Millet in our food. This rally was conducted with the aim to create awareness and increase production & consumption of millets. The rally was started from Kuchipalyam and moved towards Paramasivakavundanpalayam. The rally was a large public meeting that was held in order to show support for Production and Consumption of Millets.

Puneet Sagar Abhiyan was launched by NCC to clean Sea Shores/Beaches and other water bodies including rivers & lakes, of plastic & other waste and increase awareness amongst the local population about importance of keeping the beaches and river fronts clean. In the observation of world wetlands week our college NCC cadets participated in the drive as a part of NCC's "Puneet Sagar Abhiyan" to clean water bodies (lakes, rivers & beaches) in the emapalli village. They cleaned plastics and nonbiodegradable waste in the lake. And created awareness about the puneet sagar abhiyan in and around the village people. This drive was organized by Fg Offr R.Sacithraa and Corporal Malik.

**Energy Conservation Day**

Date:19.12.2022

K S R Institute for Engineering and Technology celebrated the National Energy conservation Day on 3<sup>rd</sup> week of December in every year. Dr M Venkatesan, Principal, KSRIET, welcomed the gathering and spoke about the significance of Energy conservation Day, which is celebrated every year in India in December 14<sup>th</sup> to raise awareness among people about global warming, climatic change climate and promote ways of save energy resources. In this occasion various painting contest are organized at school, state, regional or national level on energy conservation day. Arthur H.Rosenfeld, a physicist who became widely known as the father of energy efficiency for championing energy saving requirement for appliances and buildings.

**Youth Awakening Rally**

Date:15.10.2022

K S R Institute for Engineering and Technology celebrated the Youth Awakening Day, on the occasion of the birth anniversary of Dr A.P.J.Abdul Kalam, the former President of India, on 15.10.2022 (Saturday). Dr M Venkatesan, Principal, KSRIET, welcomed the gathering and spoke about the significance of Youth Awakening Day, which is celebrated every year to recall the insightful thoughts to empower the youth and to transform India as a prosperous nation. In his address to the audience, he spoke about the introduction of Provision of Urban Amenities in Rural Areas (PURA) by the visionary president Dr Kalam and the need for establishing urban facilities in rural areas for reaching and empowering people from all sections of the society. He shared how rural and urban India can be merged through effective utilization of the scheme for holistic development of the nation. He listed out the various qualities preached and practised by Dr Kalam like self-motivation, hard work, simplicity, quest for knowledge, and so on.

**Ek Bharat Shreshtha Bharat-II**

Date:18.10.2022

NCC Cadet of K S R Institute for Engineering and Technology, Tiruchengode participated in 9 days of Ek Bharat Shreshtha Bharat-II under the guideness of Camp Commandant Brigadier Ajay Pasbola S C

The main objectives of the camp is to develop leadership skills, enhance knowledge base and public speaking abilities, peer learning through mutual interaction, foster ,team spirit, improve soft skills and understand culture of own state and the participating state. Broadly, there are five objectives of the Ek Bharat Shreshtha Bharat Scheme as explained below. To Celebrate – To celebrate the unity and diversity of India. To strengthen and maintain the fabric of emotional bonds among the Indians.

EBSB stands for “Ek Bharat Shrestha Bharat”. In NCC (National Cadet Corp) the EBSB camp held annually unity, nationalism among the cadets, national integration and developing skill. The EBSB camp is one of the prestigious camps where cadets get to know the essence of India and its culture i.e. "unanimity is diversity". Ek Bharat Shreshtha Bharat (EBSB) has been one of the major flagship programmes of the Government to bring in cultural integration of the country as a part of the vision to build a "New India by 2022".

Azadi Ka Amrit Mahotsav is being observed by the Central government and the Indian populace to mark the country's 75th anniversary of independence with an enthusiasm to bring the Tiranga home and be a part of the 'Har Ghar Tiranga' campaign. 'Har Ghar Tiranga' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. The programme envisages inspiring Indians everywhere to hoist the national flag at their homes. The aim of the programme is to make the relationship with the national flag a more personal one rather than just keeping it formal or institutional. The official journey of Azadi Ka Amrit Mahotsav commenced on March 12, 2021, which started a 75-week countdown to our 75th anniversary of independence.

In view of 75 Years of Independence celebration, Flag Hoisting ceremony was celebrated in the K S R Institute for Engineering and Technology College campus on 12th August, to take national pride, and salute the national flag. The Flag hoisted by the Shri. R. Srinivasan Chairman of K S R Educational Institutions. The function took place at the in front of Academic Block-2 from 9am to 10am. The dignitaries of the day included Dr.M.Venkatesan Principal of K S R Institute For Engineering And Technology and Other faculty members. The raising day is being celebrated all over the country with cadets participating in marches, blood donation camps and social development programmes. According to reports, cadets all across the country will attend celebratory events. In addition to marking an important day for the establishment of the armed forces, the multifaceted activities held on this day also contribute to the all-around self-development of the young cadets and, according to the NCC, shape them into responsible citizens of tomorrow.

**CELEBRATION ON YOGA DAY**

Principal: Dr.M.Venkatesan.M.E,Phd

Date : 11.08.2022

Place: KSRIET, Namakkal

The Yoga Day has been celebrated across the world annually on June 21 since 2015, following its inception in the United Nations General Assembly in 2014. The Day of Yoga aims to raise awareness worldwide of the many benefits of practicing yoga. Our College NCC Unit Celebrates yoga Day Every year. As a part of 75<sup>th</sup> year independence celebration, Our college NCC unit conducted yoga capsule on 11.08.2022 . Mr.T.Gowtham is the chief guest for the day. He explained the benefits and important of yoga. This yoga capsule is conducted as a part of “Amutha Peru villa”.

World Bicycle Day - Cycle rally

Place:Tiruchengode

Date:03.06.2022

In 3rd June 2022,Considering WORLD BICYCLE DAY, KSRIET NCC cadets along with, R.Sachitraa A.P EEE - CARE TAKER (NCC) ,have conducted a "Cycle Rally" at the villages of Tiruchengode from 11 am to 12 pm.

This is a good initiative as cycling will help keep people healthy and pollution free environment.As a NCC cadets ,it is also our responsibility to spread the awareness among socieity people, the benefits of using the bicycle - a simple, affordable , clean ,sustainable mode of transportation and protect our environment from pollution.

### INDUSTRIAL VISIT TO KERALA ELECTRICAL & ALLIED ENGINEERING CO. LTD.

Date: 10/03/2023 & 11/03/2023

Attended by : II ECE Students (2021-2025)

#### **About the Industry :**

The Mission Of Kerala Electrical & Allied Engineering Company Was Established in 1964 in the state of Kerala, India.

The key people of KEL are shajiM.Varghese (Managing Director) ,P K Rajan master (chairman).

The company started its first operation in 1964 by incorporating technology from the French firm EVR for the manufacturing of brushless alternators, required for Indian Railways in lightning & air-conditioning of coaches.

KEL owns five production units for the development of a number of equipment for Indian Army. Indian Air Force, Indian Space Research Organization and many other space research institutions

The Kerala Electrical & Allied Engineering Company is a multifaceted company fully owned by the State Government. Through its four production facilities, located in various districts of the State, this ISO 9001: 2000 complaint company provides basic engineering services / products besides executing projects of national significance of high profile clients like the various defense establishments .

The company's all-India marketing network with regional offices in all metro cities cater to major institutional clients like the State Electricity Boards, Indian Railways and various defense establishments besides the general market clients.

### **THINGS WE LEARNT:**

1. We learnt about the functions, interior parts and manufacturing of transformers.
2. The transformers have two interior parts called i). core ii). coil
3. The first process is the manufacturing of core which is similar to the heart for living of the transformer. Material selection plays an important role as they are using Silicon material for the manufacturing. They are manufacturing the core because the coil should fit into this core.
4. The second process is the manufacturing of coil winding. These windings are made up of copper material, which are designed to optimize thermal, electrical and mechanical stress. Spiral, Helical and continuous disc winding with multiple copper conductors are used.
5. The next is called assembly section where the core and coil is assembled and the section where the space utilization, compactness of the transformer is determined.

  
PRINCIPAL,  
K S R INSTITUTE FOR  
ENGINEERING AND TECHNOLOGY,  
K S R KALVI NAGAR,  
TIRUCHENGODE-637 215,  
NAMAKKAL Dt., TAMIL NADU.

6. The 6th step is the addition of oil into the designed transformer. Pure oil is used in transformers because even a microscope level of waste may cause harmful effects in transformer.

7. **Tank & Final Assembly:** After ensuring that the active part is fully dry and moisture free, it is lowered inside a suitably designed and fabricated.

8. **Tank fabrication & sand blasting:** Sand blasting is the effectful technique which helps in removal of the corrosion due to moisture in environment, influence of various gases, rust flakes.

9. **Painting:** Painting increases the service life and gives the aesthetic look.

10. **Drying/Ovening:** Here core and coil assembly is dried through a very efficient drying oven which ensures extraction of moisture to zero level. After drying process, winding, clamping and connection are checked and tightened before lowering into tank. Filtered and degassed oil is then filled into the tank under vacuum filter plants. Thus required insulation is achieved.

11. **Ready to Dispatch:** During final assembly all pipe work, bushings and radiators are fitted to the transformer.

## Outcomes:

The Industrial Visit to KEL gave a clear insight into the manufacturing of Transformer.

It is useful for doing practical sessions and mini/main projects.

Feedback: Industrial visit is a short duration training course for students to develop their skills and get industrial knowledge which will help them to understand what actually happens in industry. Student's interaction with industry is very much required to meet the industry requirements and to obtain the knowledge in latest technologies.

Overall this Industrial visit helps to learn the process of manufacturing of core which is the main part of the transformer. Material selection plays an important role as they are using Silicon material for the manufacturing. The manufacturing process of the core is detailed by the industry persons, we also got basic ideas of types of transformers, its working and its uses in various domains. we are very much thankful for the management, Principal, Director, and HOD, for having permitted us to undergo Industrial visit. The knowledge gained by the training will definitely be used for improvement of ourselves and the institution

Tiruchengode - 637 215.

**To**

The Principal,  
K S R Institute for Engineering and Technology,  
Tiruchengode - 637 215.

Respected Sir,

**Sub.: Seeking permission for Industrial Visit – Reg.**

As our First-year students have planned for Industrial Visit, we are accompanying them. A total strength of 50 students is coming for the industrial Visit The Schedule for Industrial Visit is from 01.06.2023 to 03.06.2023 and we will return back to college on 04.03.2023 Early Morning (8.00 am). We assure you that we will take care of our students throughout the Industrial Visit.

**Report of the Event**

International Women's Day was celebrated at K S R Institute for Engineering and Technology on 8<sup>th</sup> March 2023. At the beginning of the program our respected Principal sir Dr.M.Venkatesan gave a short speech on women's day. Then our beloved chief guest Mrs.S.Thulasi mam gave a delightful speech to the women's gathered in the gallery hall, her speech really raise awareness about the status and dignity of women among the students. Followed by this, Kalai Ilamani.Selvi.Amirthavarshini and her music band gave a fabulous music concert using musical instruments. The music band really gave a mesmerizing performance for an hour. It was really a great treat to our ears.

Outcome of the Program	Raised the awareness about the status and dignity of women among the students.
