World Bicycle Day - Cycle rally

Place:Tiruchengode

Date:03.06.2022

In 3rd June 2022,Considering WORLD BICYCLE DAY, KSRIET NCC cadets along with, R.Sachitraa A.P EEE - CARE TAKER (NCC),have conducted a "Cycle Rally" at the villages of Tiruchengode from 11 am to 12 pm.

This is a good initiative as cycling will help keep people healthy and pollution free environment.As a NCC cadets ,it is also our responsibility to spread the awareness among sociey people, the benefits of using the bicycle - a simple, affordable , clean ,sustainable mode of transportation and protect our environment from pollution.

REPORT ON YOGA CAPSULE  
CELEBRATION ON YOGA DAY

Principal: Dr.M.Venkatesan.M.E,Phd

Date : 11.08.2022

Place: KSRIET, Namakkal

The Yoga Day has been celebrated across the world annually on June 21 since 2015, following its inception in the United Nations General Assembly in 2014. The Day of Yoga aims to raise awareness worldwide of the many benefits of practicing yoga. Our College NCC Unit Celebrates yoga Day Every year. As a part of 75<sup>th</sup> year independence celebration, Our college NCC unit conducted yoga capsule on 11.08.2022 . Mr.T.Gowtham is the chief guest for the day. He explained the benefits and important of yoga. This yoga capsule is conducted as a part of “Amutha Peru villa”.

Azadi Ka Amrit Mahotsav is being observed by the Central government and the Indian populace to mark the country's 75th anniversary of independence with an enthusiasm to bring the Tiranga home and be a part of the 'Har Ghar Tiranga' campaign. 'Har Ghar Tiranga' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. The programme envisages inspiring Indians everywhere to hoist the national flag at their homes. The aim of the programme is to make the relationship with the national flag a more personal one rather than just keeping it formal or institutional. The official journey of Azadi Ka Amrit Mahotsav commenced on March 12, 2021, which started a 75-week countdown to our 75th anniversary of independence.

In view of 75 Years of Independence celebration, Flag Hoisting ceremony was celebrated in the K S R Institute for Engineering and Technology College campus on 12th August, to take national pride, and salute the national flag. The Flag hoisted by the Shri. R. Srinivasan Chairman of K S R Educational Institutions. The function took place at the in front of Academic Block-2 from 9am to 10am. The dignitaries of the day included Dr.M.Venkatesan Principal of K S R Institute For Engineering And Technology and Other faculty members. The raising day is being celebrated all over the country with cadets participating in marches, blood donation camps and social development programmes. According to reports, cadets all across the country will attend celebratory events. In addition to marking an important day for the establishment of the armed forces, the multifaceted activities held on this day also contribute to the all-around self-development of the young cadets and, according to the NCC, shape them into responsible citizens of tomorrow.

 Ek Bharat Shreshtha Bharat-II

Date:18.10.2022

NCC Cadet of K S R Institute for Engineering and Technology, Tiruchengode participated in 9 days of Ek Bharat Shreshtha Bharat-II under the guideness of Camp Commandant Brigadier Ajay Pasbola S C

The main objectives of the camp is to develop leadership skills, enhance knowledge base and public speaking abilities, peer learning through mutual interaction, foster team spirit, improve soft skills and understand culture of own state and the participating state. Broadly, there are five objectives of the Ek Bharat Shreshtha Bharat Scheme as explained below. To Celebrate – To celebrate the unity and diversity of India. To strengthen and maintain the fabric of emotional bonds among the Indians.

EBSB stands for “Ek Bharat Shrestha Bharat”. In NCC (National Cadet Corp) the EBSB camp held annually unity, nationalism among the cadets, national integration and developing skill. The EBSB camp is one of the prestigious camps where cadets get to know the essence of India and its culture i.e. "unanimity is diversity". Ek Bharat Shreshtha Bharat (EBSB) has been one of the major flagship programmes of the Government to bring in cultural integration of the country as a part of the vision to build a "New India by 2022".

Youth Awakening Rally

Date:15.10.2022

K S R Institute for Engineering and Technology celebrated the Youth Awakening Day, on the occasion of the birth anniversary of Dr A.P.J.Abdul Kalam, the former President of India, on 15.10.2022 (Saturday). Dr M Venkatesan, Principal, KSRIET, welcomed the gathering and spoke about the significance of Youth Awakening Day, which is celebrated every year to recall the insightful thoughts to empower the youth and to transform India as a prosperous nation. In his address to the audience, he spoke about the introduction of Provision of Urban Amenities in Rural Areas (PURA) by the visionary president Dr Kalam and the need for establishing urban facilities in rural areas for reaching and empowering people from all sections of the society. He shared how rural and urban India can be merged through effective utilization of the scheme for holistic development of the nation. He listed out the various qualities preached and practised by Dr Kalam like self-motivation, hard work, simplicity, quest for knowledge, and so on.

Energy Conservation Day

Date: 19.12.2022

K S R Institute for Engineering and Technology celebrated the National Energy conservation Day on 3<sup>rd</sup> week of December in every year. Dr M Venkatesan, Principal, KSRIET, welcomed the gathering and spoke about the significance of Energy conservation Day, which is celebrated every year in India in December 14<sup>th</sup> to raise awareness among people about global warming, climatic change climate and promote ways of save energy resources. In this occasion various painting contest are organized at school, state, regional or national level on energy conservation day. Arthur H. Rosenfeld, a physicist who became widely known as the father of energy efficiency for championing energy saving requirement for appliances and buildings.

Puneet Sagar Abhiyan was launched by NCC to clean Sea Shores/Beaches and other water bodies including rivers & lakes, of plastic & other waste and increase awareness amongst the local population about importance of keeping the beaches and river fronts clean. In the observation of world wetlands week our college NCC cadets participated in the drive as a part of NCC's "Puneet Sagar Abhiyan" to clean water bodies (lakes, rivers & beaches) in the emapalli village. They cleaned plastics and nonbiodegradable waste in the lake. And created awareness about the puneet sagar abhiyan in and around the village people. This drive was organized by Fg Offr R.Sacithraa and Corporal Malik.

 International Year of Millet 2023 - Rally

Date:18.03.2023

K S R Institute for Engineering and Technology celebrated the International Year of Millets-Rally on 18.03.2023. Once a staple in traditional Indian cooking, millets fell out of favour over the years, and have been making a slow comeback in India and across the world. To keep this momentum going, the United Nations has declared 2023 the International Year of Millets. Dr M Venkatesan, Principal, KSRIET, welcomed the gathering and spoke about the significance of Millet in our food. This rally was conducted with the aim to create awareness and increase production & consumption of millets. The rally was started from Kuchipalyam and moved towards Paramasivakavundanpalayam. The rally was a large public meeting that was held in order to show support for Production and Consumption of Millets.

### TREE PLANTATION

Name of the Program	Extension Activity	Forum Name	BEES
Title of the Program	Tree plantation	Date	15/03/2023
		Time	1:00 PM
		Number of Participants Attended	20
Venue	Karuvempampatti village		

Tree Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence enhancing the beauty and balance of the environment. Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply. In this regard, Department of Electrical and Electronics Engineering, K S R Institute for Engineering and Technology organized an event Tree plantation on 15.03.2023. Dr. R. Jeyabharath, Controller of Examination, K S R Institute for Engineering and Technology was invited there as a chief guest. All staff and students were present in the Karuvempampatti village. The program aimed to plant about 20 saplings (five Neem trees, five Pungai trees and ten Manila Tamarind trees) in the Karuvempampatti village and all around as well. The faculty coordinators guided students on how to plant saplings. Faculty members also participated in that event to help students. Some charts and banners were also designed by the students relevant to tree plantation. These posters were hung there to raise awareness in the people about the needs of tree plantations. Dr. P. Veena, Department of Electrical and Electronics Engineering, K S R Institute for Engineering and Technology motivated all of us with a passionate speech on tree plantation. Finally, the event ended and we came college with enthusiasm and happiness after doing such great work.

**Report of the Event**

K S R Institute for Engineering and Technology Department of EEE have cleaned Kamarajar Statue located in Karuveppampatti, Tiruchengode. "Clean India, Green India." This slogan had surely been a significant motto of our government as well as our citizens over these last recent years. Government officials and the people of our country had made restless efforts to help this ideal more flourish by introducing many campaigns, rallies, conferences and meetings. Swachh Bharat Abhiyan had been one of these initiatives which solely aims for making India a clean and open-defecation free country. Many officials, workers, citizens have contributed to this. Statues are important part of our historic environment and can teach lessons about past, most statues were erected to remind us of a significant event. Statues are history on stones. Whenever we get to see different statues, we remember different stories of achievement, service and sacrifice. This is the right method to keep passing on stories to next generations permanently. We divided ourselves into groups and assigned ourselves different works.

Name of the Program	<b>Know Your Millets - Rally</b>	Forum Name	BEES
Location	Kuchipalyam , Paramasivakavundanpalayam	Date	18/03/2023
		Time	02:30 PM
		Number of Participants	97

**Report of the Event**

K S R Institute for Engineering and Technology celebrated the International Year of Millets-Rally on 18.03.2023. Once a staple in traditional Indian cooking, millets fell out of favour over the years, and have been making a slow comeback in India and across the world. To keep this momentum going, the United Nations has declared 2023 the International Year of Millets. Dr M Venkatesan, Principal, KSRIET, welcomed the gathering and spoke about the significance of Millet in our food. This rally was conducted with the aim to create awareness and increase production & consumption of millets. The rally was started from Kuchipalyam and moved towards Paramasivakavundanpalayam. The rally was a large public meeting that was held in order to show support for Production and Consumption of Millets.

After the completion of Program, the students came to understand

Outcomes

- Team work
- Importance of Millet in food.
- Students responsibilities in social reforms
- The mission of IYOM-2023
