INTERNSHIP COMPLETION LETTER

This is to certify that **Mr. Ajaykanth S** department of Electrical and Electronics Engineering, a student of KSR Institute for Engineering and Technology has successfully completed his internship at Green Resource Solutions from 08.02.2023 to 25.02.2023.

During his internship, he was exposed to the various activities in Control Panel Components Assembly & Wiring Division.

We found him extremely inquisitive and hard working. He was very much interested to learn the functions of our core division and also willing to put his best efforts and get in to the depth of the subject to understand it better.

His association with us was very fruitful and we wish him all the best in his future endeavours.

INTERNSHIP COMPLETION LETTER

This is to certify that **Mr. Kamalesh C** department of Electrical and Electronics Engineering, a student of KSR Institute for Engineering and Technology has successfully completed his internship at Green Resource Solutions from 08.02.2023 to 25.02.2023.

During his internship, he was exposed to the various activities in Control Panel Components Assembly & Wiring Division.

We found him extremely inquisitive and hard working. He was very much interested to learn the functions of our core division and also willing to put his best efforts and get in to the depth of the subject to understand it better.

His association with us was very fruitful and we wish him all the best in his future endeavours.

ACKNOWLEDGEMENT

We are deeply indebted to our chairman Mr. R. Srinivasan sir, without whose guidance and corporation tour would not been possible.

Our sincere gratitude to Principal Dr M Venkatesan for giving us Permission to go for such an Industrial visit.

We also express our sincere gratitude to Head of Department Dr R Prabu who has taken a lot of efforts for getting success at each and every step and coming along with us.

We would like to thank Directors, Faculties and staff and our college for being supportive all the time and giving such a good opportunity to see and interact with the corporate world in college life itself.

ABOUT THE COMPANY

AMTZ is India's premier medical technology park with Common Manufacturing Facilities & Common Scientific Facilities that include specialized laboratories, warehousing, and testing centers such as the Center for Electromagnetic Compatibility and Safety Testing, Center for Biomaterial Testing, Center for 3-D Printing, Centers for Lasers, MRI Super Conducting Magnets, Gamma Irradiation Centre, Mold & Machining Centre, and many other industrial service centers.

SIGNIFICANCE OF THE INDUSTRIAL VISIT

The basic objective of having industrial tour is for studying various aspects related with different industrial units.

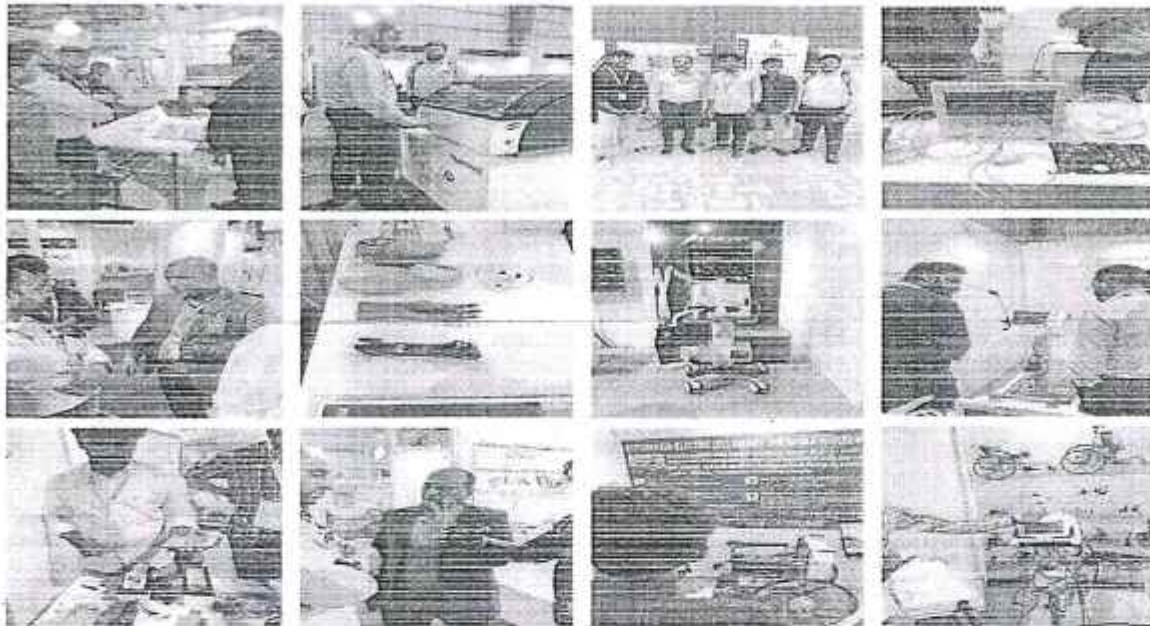

The different techniques and methods being used in industries are studied to gain wide outlook concerning industrial activities for that purpose.

On day we reached Kalam Convention Centre, AMTZ around 9.00 am and received by Mr N Naresh, Coordinator, Indian Biomedical Skill Consortium, AMTZ.

In morning session, we attended various invited talks and panel discussions.

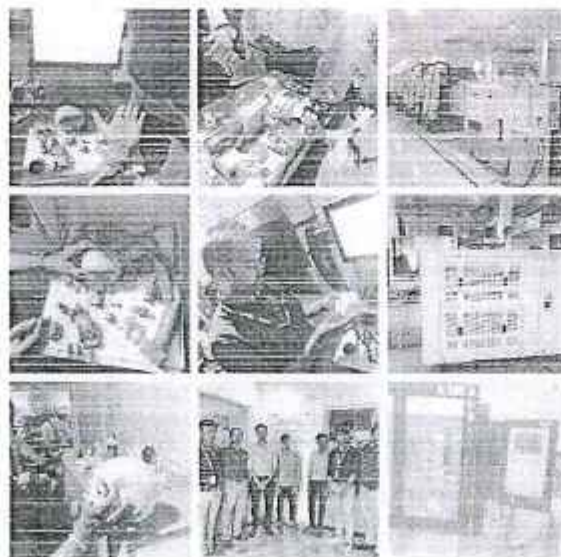

First, we visited Gama Irradiation Centre, where they explain the purpose of uses of gamma irradiation on medical equipment and various food materials and also explained the working process and various stages involved in it.

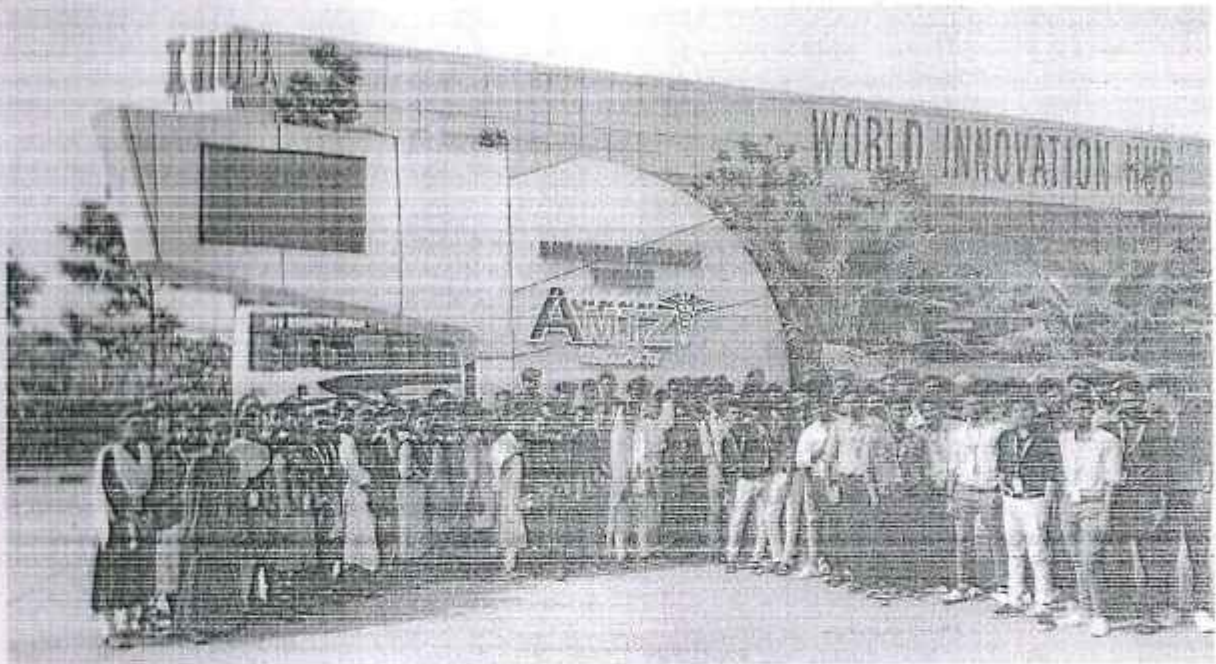

After morning session, we had our lunch at AMTZ cafeteria

Secondly, we visited 3D printing lab. We were explained about different type of 3D printing such as Nylon printing, PLA (Poly lactic acid) printing and Metal Printing. We were shown various objects printed in their lab. They also printed one life size Late Dr Abdul Kalam sir statue which was showcased in the convention Centre.

At last, we visited TÜV Rheinland, they are highly qualified experts test technical systems and products around the world, train people in numerous professions and certify management

systems according to international standards. We had elaborate visit in their facility. We learned about biological certifications such as chromatography, Electrical Safety certifications and testing lab, Sound Acoustic lab, Acoustic Radiation lab, stability lab and various testing labs.

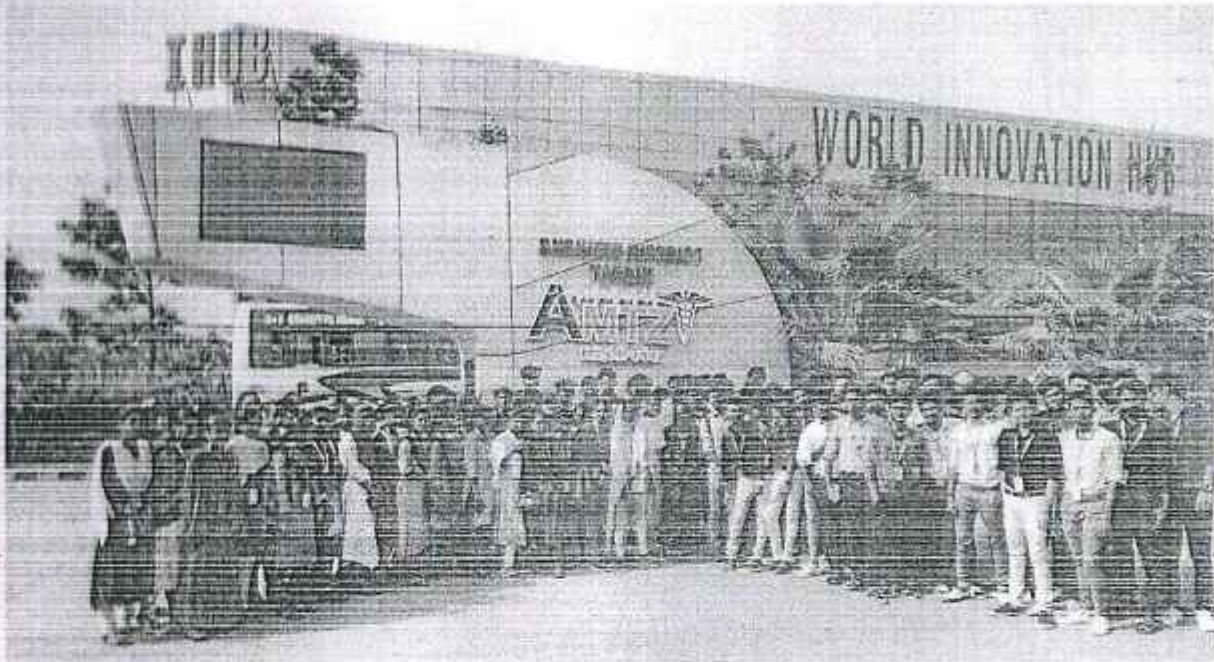

After visiting various facilities, we left AMTZ around 4.30 PM.

INTERNSHIP OFFER LETTER

25 November 2022

Chennai

Dear Keerthirajan M,

Further to our discussions, we are pleased to offer you an opportunity as **Development Trainee- Intern** in our organization **GUVI Geek Network Pvt. Ltd.** Your date of joining will be **December 01, 2022 (Thursday)**. Your internship stipend will be **Rs. 13,000** per month.

During your internship period, you will be reporting to **Mr. Muruganantham** and may have access to confidential business information. By accepting this offer, you agree that you will keep all this information strictly confidential and will not share it with anyone outside the company. In case, if you fail to do so you will be penalized accordingly. Also, you agree that you will not use it for your own benefits and upon completion of your tenure at GUVI, you will return all the documents, equipment and any other property of the company entrusted to you.

It should also be noted that you should serve at least two months as an intern to be eligible for the internship experience letter. Additionally, you will be required to serve a notice period of 14 days while leaving the company, failing which you will not be provided with the internship experience letter. Moreover, failing to serve any one among these two will also lead to putting your last month stipend on hold. Also, based on the company need and availability, the internship either will be extended or you will be converted to a Full Time Employee. During the internship period, the company may terminate your service for any misconducts, unprofessional acts or poor performance.

Please confirm your acceptance of the terms of this offer within 24 hours after receiving the letter, failing which, we have the right to cancel the internship. We look forward to having you on our team. If you have any questions, please feel free to reach out to us.

Balahari Krishna V
B.E. Electronics & Communication Engineering
K.S.R Institute for Engineering and Technology, Tiruchengode

Dear Balahari Krishna V,

Further to our Letter of Intent / Offer for the position of Programmer Analyst Trainee / Programmer Analyst aligned to the hiring category and in response to your subsequent confirmation for Internship Program with us, we are pleased to offer you an Internship on premises with us for a period of 3 to 6 months. Your Internship onboarding will be scheduled based on your availability factoring your college exam schedule and our business requirements.

During this period, you will be provided with a stipend of INR 12,000 per month equated to the planned duration of the Internship curriculum and will be paid only subject to successful completion of milestones as defined in the curriculum prior to the monthly stipend processing window for a given month based on your performance and attendance.

Though Cognizant Internship is a pre-requisite skill and capability development program, it does not guarantee employment and there is no employer – employee relationship during the course of this internship program. However, the successful completion of internship will form a critical part of your eligibility for employment with Cognizant if an opportunity arises in future.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The outcome during Internship would be monitored through formal evaluations.

Prior to joining on the rolls of Cognizant, you must have successfully completed the prescribed Internship program. In the event of unsatisfactory Internship, Cognizant reserves rights at its sole discretion to revoke its employment offer.

Please also note that:

- The Internship timings would be for 10 hours per day from Monday through Friday aligned to the working timings followed in Cognizant which based on the need could also be operated on a shift model. Attendance is mandatory on all the days to stay active in the Internship Program. The Intern Offer would be terminated if the mandatory requirement of minimum 90% attendance at office is not met in a month.
- Interns are covered under Cognizant's calendar holidays of the respective location of internship, and you would need to adhere with minimum attendance requirements. Prior approvals are must towards any unavoidable leave or break requests during the program and Internship would be terminated if leaves are availed without prior approvals.
- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions failing which your internship would be terminated.
- The Technical skills track mapped could change at the start or mid-way or even later during the program depending on business demand changes and you would be required to be flexible for this change failing which your internship would be terminated.
- After successful completion of your Internship if there is a business demand which expects you to get skilled on a different skill, you would be expected to get skilled in that demand failing which your Full Time Offer would be cancelled / withdrawn.

PRINCIPAL,
 K S R INSTITUTE FOR
 ENGINEERING AND TECHNOLOGY,
 K S R KALVIKAGAR,
 TIRUCHENGODE-612 005,
 NAMAKKAL DI, TAMIL NADU,

• Stipend payment will be done for the prescribed Internship Curriculum period only and no additional payment will be done for any delay in completion. Attendance and successful completion of Milestone(s) are the eligible factors for processing stipend payment and tenure spent will not guarantee your monthly stipend payment.

• There would be zero tolerance to plagiarisms and misconduct during the internship. Adherence to Cognizant Internship policies and guidelines is mandatory and any breach of incident reported will lead to immediate cancellation of Internship without any notice.

• During the course of your Internship and at all times, you shall be governed by Cognizant's Social Media Policy and shall, refrain from posting malicious, libelous, defamatory, false, obscene, political, anti-social, abusive, and threatening messages/statements or disparaging the Company, clients, associates, competitors, or suppliers or any third parties, irrespective of whether any such statements are likely to cause damage to any such entity or person. Any breach of this section would lead to immediate termination of the Internship and revocation of the Employment Offer/Agreement.

• Cognizant reserves rights regarding IT infra as applicable and access to information and material of Cognizant during the internship period and may modify or amend the Cognizant GenC-program terms and conditions from time to time.

At the time of your reporting for the internship, you will be required to sign a Non - Disclosure Agreement with the company. During the course of your Internship and after completion of the same, you are required to maintain strictest confidentiality with respect to company proprietary or products that you access or come into contact with, during your project as an Intern, at all times as per our Policy. Use of company proprietary information or products shall not be made without prior permission from the concerned authority. Any breach of information security will be dealt as per Company Policy.

This offer from Cognizant shall be active and valid for only 3 calendar days and hence you are expected to accept or decline the offer through the company's online portal within the said time-period of 3 calendar days and you will also be required to submit the mandatory documents at least 7 days before your Internship Onboarding Date as part of your Pre-joining & Background Verification (BGV) process. In case you don't comply to the above timelines, this Offer shall stand withdrawn and will be considered as cancelled. Any official written extension to the offer validity and the above-mentioned timelines will be at the sole discretion of Cognizant.

Below are the **mandatory documents** to be submitted as part of your **Background Verification**:

- Your Pan Card
- Letter of Authorization (LOA) which should be downloaded from the BGV application and signed with your name and date and reuploaded back to the application

Below are the **mandatory documents** to be submitted as part of your **Pre-joining formalities**:

- 2 Passport sized Photographs preferably with a Grey / White background
- Personal individual bank account from a nationalized bank for processing stipend

Please do not hesitate to call us for any information you may need.
We wish you good luck.

Yours sincerely,
For Cognizant Technology Solutions India Pvt. Ltd.,

Maya Sreekumar
Vice President - Human Resources

I have read the offer, understood and accept the above mentioned terms and conditions.

INDUSTRIAL VISIT TO SPECTRUM SOFTTECH SOLUTIONS – KOCHI – KERALA

Date: 25/03/2023 & 26/03/2023

Attended by: II – CSE

ABOUT THE INDUSTRY:

Spectrum Softtech Solutions is a reputed IT service company that specializes in medical data analysis and IT services. The company has a team of experienced professionals who work on various projects related to software development, data analysis, and cybersecurity. The company has a client base that spans the globe, including healthcare organizations.

Product Description:

As an IT service company, Spectrum Softtech Solutions provides a wide range of services to its clients. Some of the key services offered by the company include software development, data analysis, cybersecurity, cloud computing, and IT consulting. The company has expertise in various technologies, including Linux, Redhat, and SELinux.

Quality Assurance and Statutory Compliance:

Spectrum Softtech Solutions has a strong focus on quality assurance and statutory compliance. The company follows industry-standard processes and practices to ensure that its products and services meet the highest quality standards. The company also ensures that it complies with all relevant laws and regulations related to data privacy and cybersecurity.

Benefits:

The IT industry has a significant impact on the global economy, and companies like Spectrum Softtech Solutions play a vital role in driving innovation and growth. Some of the benefits of working in the IT industry include:

- High demand for skilled professionals.
- Opportunities for career growth and development.
- Exposure to the latest technologies and trends.
- Competitive salaries and benefits.

Things We Learnt:

During the visit, we had the opportunity to learn about various aspects of the IT industry, including:

- Linux architecture and basics.
- Redhat concepts and SELinux.
- Cybersecurity-related concepts.

We also learned about the importance of teamwork, communication, and problem-solving skills.

Outcomes:

The Industrial Visit to Spectrum Softtech Solutions was a great learning experience for us. We gained valuable insights into the IT industry and learned about the latest technologies used in the industry. The visit also helped us understand the importance of teamwork, communication, and problem-solving skills in the IT industry. We would like to thank the management and staff of Spectrum Softtech Solutions for providing us with this opportunity.

Feedback:

An industrial visit is a short-duration training course for students to develop their skills and get industrial knowledge which will help them to understand what actually happens in the industry. Students' interaction with industry is very much required to meet the industry requirements and to obtain knowledge in the latest technologies.

Overall, the Industrial Visit to Spectrum Softtech Solutions was a great success. The students were impressed by the company's operations and the knowledge and expertise of its staff. The visit was a great learning experience for the students, and it helped them to gain valuable insights into the IT industry. The students would like to thank the management and staff of Spectrum Softtech Solutions for their hospitality and for providing them with this opportunity to learn and grow.

INDUSTRIAL VISIT TO PANDURANGA COFFEE WORKS –CHIKMAGALUR –
KARNATAKA

Date: 17/02/2023 & 18/02/2023

Attended by: IV-CSE Students

ABOUT THE INDUSTRY:

Mr.Venkatesh, Mr. Sridhar and Mr. Deepak entered the family business and now oversees the day to day affairs of the company. Panduranga Coffee has been totally involved in the business of Coffee from growing, manufacturing, transporting and selling the products to Pthe consumer.

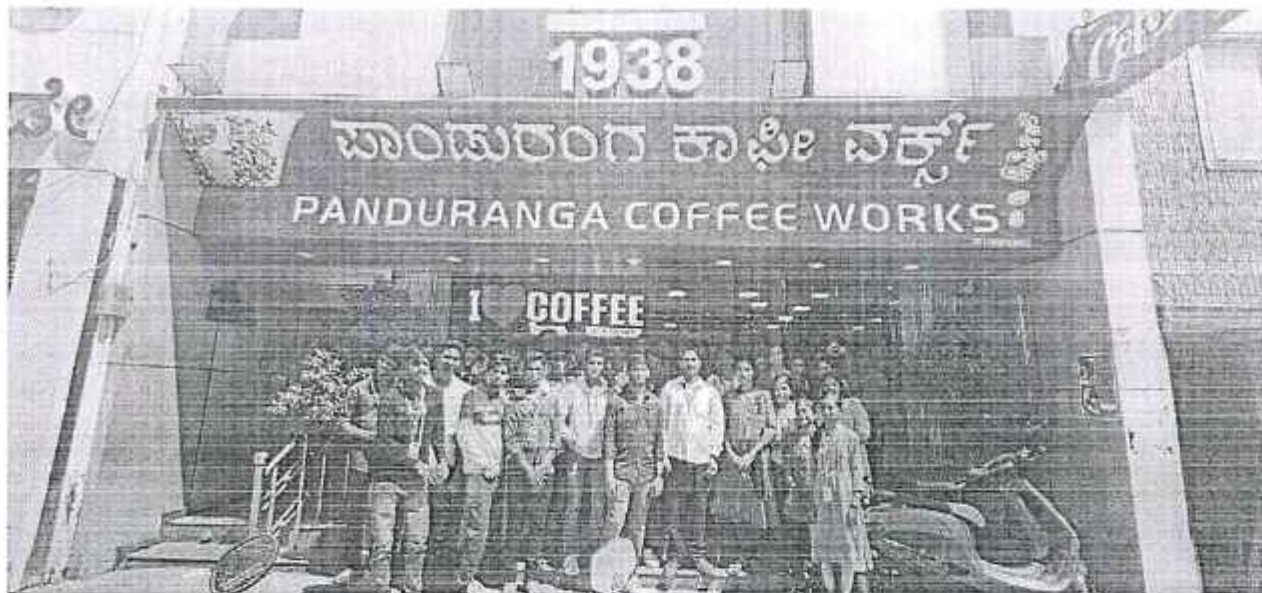

Product Description:

Panduranga Coffee now walks the wild side to bring you a unique exciting experience from the bhadra wild life sanctuary in the Muthodi forest, situated in the midst of Western Ghats of Chikmagalur. This tiger reserve is home to other mammals, reptiles and over 250 species of birds. Here wild tigers are allowed to thrive in nearby estates where select Arabica coffee is being cultivated under the natural shade of forest tree canopies. Such plantations act as a wild life sanctuary, serving as corridors and refugee points for wild animals.

On going efforts to educate farm workers to tolerate tigers in estates while they stake their lives for this prized crop. Sharing such space in the wild adds to the nutrient content producing natural bio compost, enhancing the fertility in our coffee beans. Tiger movement in the plantation certifies ecologically everything is in perfect order. Our distinctive aroma and flavour will engulf you with a heightened sensory experience.

To provide a friendly, comfortable atmosphere where the customer can receive quality food, service and entertainment at a reasonable price.

Panduranga Coffee is the cumulative achievement of five generations of coffee lovers and the product of a land so rich and lush that it is unmatched. Shop Best Chikmagalur Coffee Online from Panduranga Coffee Works. Buy Coffee Powder, Roasted Beans, Tea, Spices, Brewing Accessories.

Quality Assurance and Statutory Compliance

Service quality has a significant and positive effect on customer satisfaction in a coffee shop. Creates positive or negative emotions in the minds of the customers that are affected by their own impression, which might lead to customer satisfaction.

Successful coffee shops focus on the quality of their product above all else. So far we've learned that "quality" includes unique flavors.

Being able to get consumers hooked on your coffee shop is very important. A coffee shop can build a solid reputation by offering quality products.

Get these items dialed in and you'll be drinking a perfect cup each and every time. There are 3 elements to control regarding the water, temperature, flavor and volume.

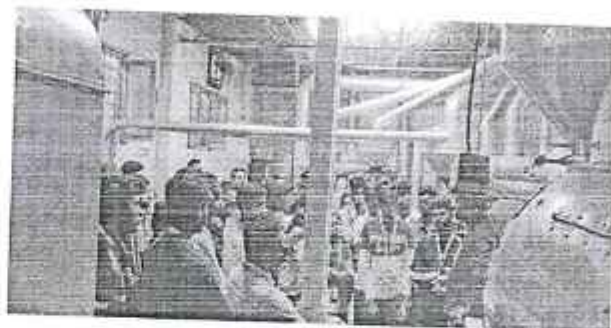

Benefits:

- Enhanced energy levels.
- Reduced body fat.
- Increased physical activity.
- Reduced risk of Type 2 diabetes.
- Reduced risk of liver disease.
- Reduced risk of Alzheimer's.
- Reduced risk of Parkinson's

Things We Learnt:

- We have learned the way coffee is made, what type of approach do they follow to make coffee, or how it is different in taste. It is a great way to have fun and travel.
- We have learned all about the menu and different types of coffee drinks.
- We can take our passion for coffee to a whole new level, learning about the source of the beans, how they're roasted and ground and the best blends for the smoothed, most delicious coffee.

Outcomes:

The Industrial Visit to PANDURANGA COFFEE WORKS gave a clear insight into the computer technology used in manufacturing and working of coffee machines in the Coffee Works. It is useful for doing practical sessions and mini/main projects.

Feedback:

Industrial visit is a short duration training course for students to develop their skills and get industrial knowledge which will help them to understand what actually happens in industry. Student's interaction with industry is very much required to meet the industry requirements and to obtain the knowledge in latest technologies.

Overall this Industrial visit helps to learn the process of manufacturing of core which is the main part of the ships. The manufacturing process of the core is detailed by the industry persons; we also got basic ideas of types of ships, its working, and its uses in various domains. We are very much thankful for the management, Principal, Director, and HOD, for having permitted us to undergo Industrial visit. The knowledge gained by the training will definitely be used for improvement of ourselves and the institution.
