## Memorandum of Understanding

BETWEEN

ABE Semiconductor Design  
&

INDUSTRY - INSTITUTE INTERACTION CELL

K S R INSTITUTE FOR ENGINEERING AND TECHNOLOGY

(Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai and UG Programmes of EEE,  
ECE, CSE, IT & MECH are NBA Accredited)

TIRUCHENGODE - 637 215

  
PRINCIPAL.

K S R INSTITUTE FOR  
ENGINEERING AND TECHNOLOGY,  
K S R KALVI NAGAR,  
TIRUCHENGODE-637 215,  
NAMAKKAL DI, TAMIL NADU.

This Memorandum of Understanding is between K S R Institute for Engineering and Technology (hereinafter called asKSRIET) having registered office at K S.R. Kalvi nagar, Tiruchengode, Namakkai – 637215 and ABE Semiconductor Design, a non-profit trust incorporated under the laws of India and having its office at LEVEL 5 , NORTH BLOCK THAMARAI TECH PARK,SP PLOT NO.16 AND 20, Thiru Vi Ka Industrial Estate, Gundy, Chennai, Tamil Nadu, India wishes to enter into Memorandum of Understanding (MoU) for sharing of knowledge through experts and training Programme for the purpose of enhancing the knowledge and skill levels of both students and faculty of KSRIET, Tiruchengode which is applicable to departments such as

1. B.E - Bio Medical Engineering
2. B.E - Computer Science and Engineering
3. B.E - Electrical & Electronics Engineering
4. B.E - Electronics & Communication Engineering
5. B.Tech - Information Technology
6. B.E - Mechanical Engineering

### IMPORTANT

This MOU is a guideline for a mutual working arrangement based on mutual trust and there is no legal binding.

### INTRODUCTION

The need for MOU with ABE Semiconductor Design is to bridge the gap between Institution and Industries. The main purpose for this MOU is to enhance the Technical knowledge & skill levels of both the Student and teaching faculty.

### Details of KSRIET

#### General information about the college

- a. The college was established in the year 2011 by Aarthi Educational Trust Thiru. R. Srinivasan is the chairman of the trust. The college is approved by AICTE, New Delhi, affiliated to Anna University, Chennai and the UG Programmes (CSE, EEE, ECE, IT and MECH) are Accredited by NBA.
- b. The college has 6 U.G. programmes such as B.E -Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, Biomedical Engineering and B.Tech – Information Technology.

  
ABE Semiconductor Design

PRINCIPAL.

K S R INSTITUTE FOR  
ENGINEERING AND TECHNOLOGY,  
K S R KALVI NAGAR,  
TIRUCHENGODE-637 215,  
NAMAKKAL DISTRICT, TAMIL NADU.

- c. The College also offers 4 P.G. programmes such as M.E - Embedded systems Technology, CAD/CAM, Software Engineering and Big Data Analytics.
- d. The college library has the collection of 25400 books and 28,000 E-books with spacious reading facility and reprographic facility are available. E- Journals IET, ASME, J-GATE, ISO-JTC1, SPRINGER, ELSEVIER, ASTM, McGraw-Hill are subscribed to facilitate Research and Knowledge upgrade About 36200+ video lectures, 160 Periodicals and 9 News paper subscriptions are available.
- e. Received 34.8 Lakhs grant from AICTE, New Delhi for Moderation of control and Instrumentation lab with Virtual Instruments and Establishing Skill and Personality Development Programme centre.
- f. The college also provides better placement record for all the departments and having MOU with many MNC companies and the placement statistics of the year 2015 - 2020 has a overall 2000 placed students.

#### Vision of KSRIET

To become a globally recognized Institution in Engineering Education, Research and Entrepreneurship.

#### Mission of KSRIET

- Accomplish quality education through improved teaching learning process.
- Enrich technical skills with state-of-the-art laboratories and facilities.
- Enhance research and entrepreneurship activities to meet the industrial and societal needs.

#### Values- KSRIET

- Excellence in Education.
- Student Centric Learning.
- Professional Development.
- Research and Innovation.
- Integrity and Ethics.

#### TERMS OF UNDERSTANDING

The understanding shall be in effect as of the date signed by both parties and shall remain in effect for a period of Threeyears and can be renewed with mutual consent thereafter.

## RESPONSIBILITIES

1. ABE Semiconductor Design and KSRIET shall be responsible for the conduct of their assigned responsibilities. Neither ABE Semiconductor Design nor KSRIET shall be responsible to the other parties for any losses that they may suffer arising out of the understanding. The parties shall be responsible for ensuring their respective premises, equipment and personnel for any claims that may arise from the conduct of the understanding.
2. ABE Semiconductor Design agrees to share the knowledge resources with KSRIET by resource person from ABE Semiconductor Design in technical seminars, conferences, workshops etc. conducted at the premises of the KSRIET for the purpose of enhancing the knowledge/skill levels of the students studying in KSRIET.
3. KSRIET agrees to avail all the services from ABE Semiconductor Design during the period of their MoU.
4. ABE Semiconductor Design agrees to entertain the students and faculty members to ABE Semiconductor Design for industrial visits. ABE Semiconductor Design will not collect any fees from the visitors from the KSRIET for their visits. The traveling expenses stay and food arrangements for the visiting faculty members of KSRIET and their students shall be borne either by the individuals or by the KSRIET as the case may be.
5. ABE Semiconductor Design agrees to impart their students Inplant training conducted in ABE Semiconductor Design premises free of charge to the extent possible for the purpose of skill update to their students and their traveling expenses, stay and food arrangements during the Inplant/industrial training shall be borne by the respective student.
6. In the Inplant training the students will be imparted training on basic concept of Artificial Intelligence, Machine Learning, Deep Learning, Embedded C, Cloud Architecture and Internet of Things. The course will be conducted in the premises of ABE Semiconductor Design.
7. The students deputed for the training courses as mentioned in para 6 above ensure that the security of ABE Semiconductor Design is not hampered.
8. ABE Semiconductor Design shall not bear any expenditure for the above Inplant training courses.
9. No stipend shall be paid by ABE Semiconductor Design for the above training.

First Party & Second Party believe that collaboration and cooperation between themselves will promote more effective use of each of their resources and provide each of them with enhanced opportunities.

- c) The Parties intent to cooperate and focus their efforts on cooperation within area of Soft skill training.
- d) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.

#### FIRST PARTY SECOND PARTY

e) E-CAP ENNUM VAZHAKATTI, Karur, Second Party is engaged Skill Development and Training in Education.

f) E-CAP ENNUM VAZHAKATTI, Karur, the Second Party is promoted by:

Gokul TCM,  
Founder and Director of E-CAP,  
Human Resource Executive, SOAIS,  
Bangalore.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

#### CLAUSE 1

#### CO-OPERATION

The general terms of co-operation shall be governed by this MOU. The Parties shall co-operate with each other and shall, as promptly and is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties.

#### CLAUSE 2

#### OBJECTIVES/SCOPE

The purpose of this MOU is:

- To bridge an Industry – Institutional interaction.
- This MOU would facilitate to organize the workshops, seminars and provide Value added business related Soft Skill training to students.
- To impart the Basic and Advanced application software skills and guide the students.
- To develop projects and implements simple applications.

- A. Joint Development and Consulting
- B. Exchange of Team members
- C. Certificates: Soft Skill Training and Personality Development.
- D. Exchange of Scientific and Technical Material
- E. Joint Conferences, workshops, FDPs, Guest Lectures, and Short-Term Courses
- F. Coordination

**CLAUSE 3**  
**INTELLECTUALPROPERTY**

K S R Institute for Engineering and Technology, 637215, TamilNadu, India and E-CAP ENNUM VAZHIKATTI, Karur, agree to respect each other's rights to intellectual property.

Nothing contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know, inventions, patents, copyrights and designs) of the other Party.

Further, the Intellectual Property Rights that arise because of any collaborative research or activity under this MOU will be worked out on a case-by-case basis and will be consistent with the officially laid down IPR policies of the two institutions.

**CLAUSE 4**  
**TENURE, TERMINATION AND VALIDITY**

This MOU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for **THREE** Academic Years from **2020- 2021 to 2022-2023** and may be continued there after suitable review and agreement. Either institution may terminate the MOU by giving written notice to the other institution six months in advance. Once terminated, neither **K S R Institute for Engineering and Technology, 637215, TamilNadu, India** nor **E-CAP ENNUM VAZHIKATTI, Karur**, will be responsible for any losses, financial or otherwise, which the other institutions may suffer.

The Agreement is executed on this 23<sup>rd</sup> of August, 2021 (Effective Date) by and between:

TMI SYSTEMS is located in No. 204, 1<sup>st</sup> Floor, 75<sup>th</sup> Cross, 12<sup>th</sup> 'B' Main, 6<sup>th</sup> Block (Off. Dr. Rajkumar Road), Rajajinagar, Bengaluru. TMI SYSTEMS is a twenty-five-year-old company with offices at Bangalore and Chennai and support offices across India.

TMI SYSTEMS is in the field of Electrical and Electronic Test-Measurement and Bio-Medical Instrumentation, offering products, solutions, services and training to Technical Institutions and the Corporate sector. TMI SYSTEMS is involved in the Design and Development of Testing Instruments and Bio-Medical Equipments, for the Academic Sector, Industries and Hospitals. TMI SYSTEMS' Biomedical Training Setups are used by almost all the Engineering Institutions in India that offer Biomedical / Medical Electronics program. As an extension of development work, TMI SYSTEMS work with government bodies (DST-NHHID) and leading universities on joint collaboration programs to develop affordable healthcare devices, as part of "Make in India" program.

And

K S R Institute for Engineering and Technology hereinafter called the "KSRIET" (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) of the second part.

WHEREAS:

1. TMI SYSTEMS is manufacturing various testing equipment likes Electrical and Electronic Test-Measurement and Bio-medical Instrumentation for the Academic sector for the past two decades.
2. TMI SYSTEMS specialises in various areas such as Biomedical systems, Simulators, sensors and amplifiers, Transducer kits, modules, data acquisition systems, electrodes and sensor accessories, etc to list a few.
3. TMI SYSTEMS is conducting the training in Artificial intelligence, Machine learning, Cyber security and Big-data Analytics in collaboration with iZen ai, Inc, USA.
4. TMI SYSTEMS has developed Data recording system for Physiology (CMCdaq) in JV with CMC Vellore and DST- Government of India (NHHID - National Hub for Healthcare Instrumentation Development).
5. TMI SYSTEMS' work with government bodies (DST-NHHID) and leading universities on joint collaboration programs to develop affordable healthcare devices, as part of "Make in India" program.

### ROLE OF KSRIET

- To identify prospective students who are interested in applying for courses at school given by GALAXY.
- To try to make sure that all information supplied to prospective students is true and accurate.
- To try to arrange a desk for GALAXY in your university higher education cell as a Technical partner
- To try to arrange special webinars for final year and third year students on monthly once and we will take care of presentations and will organize information sessions to students & faculties for various international universities & industry experts
- To recommend suitable applicant to GALAXY for their career development activities shall pre-assess the applicants according to career growth using the best method at KSRIET disposal (interviews, language tests, Psychometric test, aptitude test etc).
- To ensure that the prospective candidate completes the official application form, including complete documentation and certificate of copies of original documents to support the application
- To ensure that all forms and documents be promptly and diligently transmitted to GALAXY office.
- We require a single point of contact to coordinate the activities through our technical partnership.

### ROLE OF GALAXY

- We ensure student career growth and development
- We regularly update skill demands program for foreign countries
- International students and faculty networking
- Study abroad programs to students with enormous disciplines in Engineering, management and other sectors

### GALAXY SERVICES:-

- Signing MoUs with foreign universities (World ranking universities)
- University delegates visit to your campus
- We train students in terms of English fluency (incase student is worrying about communication)
- We provide personalize support in terms of soft skill training programs
- International professor interaction with your students

NAMAKKAL DL, TAMIL NADU.

WHEREAS

1. Global WeConnect Technologies Pvt Ltd, Bangalore is an end to end Business Intelligence startup company with its offices at Bangalore, Karnataka and Thirupattur, Tamil Nadu. Having well experienced experts team, the company excels at making sense of data and delivering sound actionable insights. The best practices with unique and innovative approach has led to the rapid growth and creating of new ventures outside the firm. The company has also started the Wecertify Academy as one of its leading Business Intelligence and Analytics for Core Industries training venture offering a plethora of job opportunities and consulting services. Partnering with professionals and companies, it identifies the unique needs and provides outcome-centric solutions to help the students and professionals to achieve their professional goals. It offers training, internships to help the students to directly interact with their expert team and work on real time projects. The outperforming students in this program will be given recruitment in their company or placement assistance.
2. K S R Institute for Engineering and Teckuology hereinafter called the "KSRIET" (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) of the second part; is another landmark of the Aarthi Educational & Charitable Trust which has the perquisite of sprawling education proportionally to the society. It has been founded in the year 2011 by the man of great insight, Thiru. R. Srinivasan. He is the younger son of Lion Dr.K.S.Rangasamy whose altruism enlightens the society. K S R Institute for Engineering and Technology was approved by AICTE, New Delhi and affiliated to Anna University Chennai.

The Department of Electrical and Electronics Engineering offers premier professional training with an eye on the modern developments. Teamed with an excellent infrastructure and well qualified faculty, it offers an outstanding opportunity for budding professional to polish their skills and outperform their competitors. The course is a healthy amalgam of Power Electronics, Power Systems, Embedded Systems, Electronics Engineering and Programming skills. The department apart from its regular teaching and training program promotes an ambience of self-development, innovativeness R& D activities and a good inclination towards consultancy, among students by exposing them to the real environment, which they will come across in their subsequent professional career through industrial training, Internships, guest lectures and seminars.

3. The Global WeConnect Technologies Pvt Ltd, Bangalore enters into the following Agreement to offer Training, Internships, Placement and Consultancy services to Department of Electrical and Electronics Engineering, KSRIET.

  
PRINCIPAL.

K S R INSTITUTE FOR

## CADD CENTRE & KSR INSTITUTE FOR ENGINEERING AND TECHNOLOGY MEMORANDUM OF UNDERSTANDING

Date: 07.12.2021

This memorandum of understanding (MoU) is being established between CADD Centre Training Service, 287, Brough Road, Erode – 638001 (here in after referred as CADD Centre) and the Mechanical Engineering Department, KSR Institute for Engineering and Technology, KSR Kalvi nagar, Tiruchengode – 637215, Tamil Nadu, (here in after referred as KSR IET –III CELL & MECH) to provide Value Added Courses, Training and Placement opportunities to the students of KSR INSTITUTE FOR ENGINEERING AND TECHNOLOGY – MECH.

Under this MoU, CADD Centre and KSR INSTITUTE FOR ENGINEERING AND TECHNOLOGY - MECH agrees to co-operate in strengthening the knowledge of KSR INSTITUTE FOR ENGINEERING AND TECHNOLOGY – MECH students in the area of Computer Aided Design and Analysis (CAD/CAM/CAE) using the Engineering Software, Hardware and faculty facilities available at KSR INSTITUTE FOR ENGINEERING AND TECHNOLOGY – III & MECH and CADD Centre.

### THE TERMS OF THE MOU ARE AS FOLLOWS

01. CADD Centre agrees to provide Faculty Members to conduct the Value Added Courses at KSR IET – III CELL & MECH premises.
02. KSR IET – III CELL & MECH agrees to provide Hardware facilities and Class rooms for conducting the Value Added Courses for the pay as agreed mutually by both parties.
03. The essential criteria for this MoU shall be timely assistance by KSR IET – III CELL & MECH to CADD Centre.
04. The main objective of CADD Centre and KSR IET – III CELL & MECH will be to impart quality Training/Education Services to the students of KSR IET – III CELL & MECH.

# CADD<sup>®</sup> CENTRE

05. CADD Centre shall make provision for modification, improvements or changes suggested by KSR IET – III CELL & MECH and course fee variation will be on agreeable terms between both parties.
06. The duration of the MoU shall be for four years and shall be extended there after by mutual consent.
07. For all interactions and execution of this MoU, from KSR IET –III CELL & MECH - The Principal, HOD and Department incharge will be the contact persons and from CADD Centre, the Centre Head Erode will be the contact person.
08. CADD Centre will provide the course material/ Certificate for each course which is intended to develop the knowledge of the students through the above said joint effort.
09. Through this agreement, First year, Second year, Third year and Final year student of KSR IET – III CELL & MECH will be given training in Modeling Software, Analysis Software and Real time project respectively.
10. The total training session will be for a time period of 40 hours to be completed in ODD SEM (July – Dec). In the subsequent EVEN SEM (Jan – Feb) a refresher course for 10 hours will be conducted.
11. The HOD/MECH - KSR IET will be responsible for payment of the course fees by the students to participate in the course.
12. The payment terms as agreed by both CADD Centre and KSR IET – III CELL & MECH are as follows:
  - ❖ 40% of the course fees should be paid during the start of the course.
  - ❖ Remaining 40% of the course fees shall be paid by issuing the course material.
  - ❖ End of the course remaining 20% should be paid.

## CADD CENTRE & KSR INSTITUTE FOR ENGINEERING AND TECHNOLOGY MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) entered on the 07<sup>th</sup> day of December 2021

### **By and Between**

**CADD Centre Training Services**, having its office at 8<sup>th</sup> Floor, Gee Gee Crystal, # 91, Dr. Radhakrishnanan Road, Mylapore, Chennai 600 004 (hereinafter referred as "CADD Centre" for the sake of brevity) and represented by its Centre Head Mr. S.ADHAVAN Having the training centre at 287, BROUGH ROAD, ERODE Which expression shall mean and include its successors and assigns.

### **And**

**KSR INSTITUTE FOR ENGINEERING AND TECHNOLOGY**, having its campus at TIRUCHENGODE, NAMAKKAL, TAMIL NADU- 637215 and represented by its Principal **Dr. M. Venkatesan** which expression shall mean and include its successors in office and assigns.

### **CADD Centre, The party of the first part shall provide:**

- Introduction to CAD training for all the first year engineering students from all the discipline.
- Specially designed course material for the Introduction to CAD, free of charge to every student who is participating the 24 hrs training.
- Participation certificate to all the participants of this unique introduction to CAD training program; college name shall be printed on the certificate.
- Make the students aware of the latest tools and techniques through technical appreciation programs and keep them aware of the industry requirements.
- Assistance in downloading college version of AutoCAD software on behalf of the college and assistance in installing in the college machines
- Optional advanced training required by the students at a subsidized course fee.
- Qualified trainers for the conduct of the course.
- Periodical assessment of the progress of students for their further improvements.

### **The College, The party of the second part shall provide:**

- The required number of computer systems with CAD software and other required infrastructure.

- The Class rooms with LCD projector and a Computer with AutoCAD software for the conduct of the theory classes.
- To Schedule the classes during the weekdays.
- To ensure all students attend the training programs scheduled for them.
- The latest version of AutoCAD software and computer systems
- Disciplinary support for the smooth conduct and timely completion of the entire course.

### Participants:

The participants would be the first year students of all the branches of engineering and architecture.

### Course Contents:

1. Principals of Engineering Drawing
2. Introduction to AutoCAD
3. Coordinates System
4. Drawing Settings
5. File Management
6. Editing Comments
7. Object properties

### Time Schedule:

The program will be conducted during the college timings. Depending on the total strength, the students will be divided into batches with a minimum of 20 and a maximum of 60 per batch. The program will be conducted according to the time table drawn up with the mutual consent of both parties.

### Jurisdiction:

All matters, queries, disputes or differences, whatsoever, arising between the parties touching the construction, meaning, operation or effect of this Memorandum of Understanding or out of or relating to this Memorandum of Understanding or breach thereof shall be settled through arbitration in accordance with the relevant Arbitration Act in force at such time. The Arbitration award shall be binding on both parties.

### Termination:

Both the college and CADD Centre shall have the rights to terminate this MOU by providing three months' notice. Termination of this MoU for whatever reason shall be without prejudice to the rights of either party and of the students and the ongoing academic programmes.

### Validity:

This Memorandum of Understanding will be valid for a period of three years. This Memorandum of Understanding shall come into effect from (Date) 07.12.2021.

KSRIET, Tiruchengode

The Agreement is executed on this 26<sup>th</sup> of December, 2020 (Effective Date) by and between:

Siemens Centre of Excellence in Manufacturing hereinafter called the "Siemens CoE or CoE" functioning in National Institute of Technology, Tiruchirappalli, a premier academic Institution of International repute incorporated under National Institute of Technology Act, 2007 having its permanent campus and office at Tanjore main road, National Highway 67, near BHEL, Tiruchirappalli, Tamilnadu 620015 (hereafter referred to as 'NIT Trichy', which expression shall include its successors and assigns) of the first part,

And

K S R Institute for Engineering and Technology hereinafter called the "KSRIET" (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) of the second part;

**WHEREAS:**

1. The National Institute of Technology (formerly known as Regional Engineering College) Tiruchirappalli, situated in the heart of Tamil Nadu on the banks of river Cauvery, was started as a joint and co-operative venture of the Government of India and the Government of Tamil Nadu in 1964 with a view to catering to the needs of man-power in technology for the country. The college has been conferred with autonomy in financial and administrative matters to achieve rapid development. Because of this rich experience, this institution was granted Deemed University Status with the approval of the UGC/AICTE and Govt. of India in the year 2003 and renamed as National Institute of Technology, thereafter.
2. Siemens CoE established in 2018 at NIT, Trichy premises with 90% investment from Siemens and 10% investment from NIT, Trichy. The CoE operates with a primary objective of creating a robust technical education eco-system through its experience in industrial products and services. This Siemens CoE is intended to bridge today's gap between industry requirements and technical education, and provide solution that makes technical institutes be more aligned with industry needs and make engineering graduate students, industry compliant / on par with industry expectations.

KSRIET, Tiruchengode

3. Siemens CoE has 12 sophisticated Laboratories for Design and Validation, Advanced Manufacturing, Test and Optimization, Automation, Electrical and Energy savings, Process Instrumentation, Mechatronics, CNC Machines, CNC Controller, Robotics, Rapid Prototyping and Internet of Things through which different services are offered to Academic Institutions and Industries.

**4. Vision - Siemens CoE**

a. To provide skill excellence through Training, R&D and Consultancy for robust Industry relevant technical education eco-system.

**5. Mission - Siemens CoE**

- a. To offer certified skill development programmes for enhancing placement opportunities
- b. To promote industry-academia partnership by engaging in extensive consultancy services
- c. To engage in Research and Development for societal benefits and uplift
- d. To strategically align with Institute's Vision and Mission for building the brand image of NITT

**6. Details of KSRIET**

**General information about the college**

- a. The college was established in the year 2011 by Aarthi Educational Trust Thiru. R. Srinivasan is the chairman of the trust. The college is approved by AICTE, New Delhi, Affiliated to Anna University, Chennai and the UG Programmes (CSE, EEE, ECE, IT and MECH) are Accredited by NBA.
- b. The college has 6 U.G. programmes B.E. -Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, Biomedical Engineering and B.Tech – Information Technology.
- c. The College also offers 4 P.G. programmes M.E.- Embedded systems Technology, CAD/CAM, Software Engineering and Big Data Analytics.
- d. The college library has the collection of 25400 books and 28,000 E-books with spacious reading facility and reprographic facility are available. E-Journals IET, ASME, J-GATE, ISO-JTC1, SPRINGER, ELSEVIER, ASTM, McGraw-Hill are subscribed to facilitate Research and Knowledge upgrade. About 36200+ video lectures, 160 Periodicals and 9 News paper subscriptions are available.

KSRIET, Tiruchengode

- e. Received 34.8 Lakhs grant from AICTE, New Delhi for Moderation of control and Instrumentation lab with Virtual Instruments and Establishing Skill and Personality Development Programme centre.
- f. The college also provides better placement record for all the departments and having MOU with many MNC companies and the placement statistics of the year 2015 - 2020 has a overall 2000 placed students.

#### Vision of KSRIET

To become a globally recognized Institution in Engineering Education, Research and Entrepreneurship.

#### Mission of KSRIET

- Accomplish quality education through improved teaching learning process
- Enrich technical skills with state of the art laboratories and facilities
- Enhance research and entrepreneurship activities to meet the industrial and societal needs.

#### VALUES- KSRIET

- Excellence in Education
- Student Centric Learning
- Professional Development
- Research and Innovation
- Integrity and Ethics

The Siemens CoE, National Institute of Technology, Tiruchirappalli, India enters into the following Agreement to offer Skill Development, Training and other related services KSRIET.

1. Siemens CoE offers various skill development courses across different disciplines. KSRIET committed/commits to send 100 number of students/faculty every year for such courses. The timing/duration of the courses shall be arrived on mutually agreed dates. The CoE offers 20-40% discount on the regular advertised course fee depending on the demand.

KSRIET, Tiruchengode

2. A student/faculty who has completed any CoE offered courses will be given 10 Hours of free Lab usage time after the course within one-year duration. The timing will be decided by the CoE based on the availability.
3. Siemens CoE offers the resources for student projects on chargeable basis. It is the responsibility of the faculty mentor from **KSRIET** to monitor the progress. The CoE shall not offer any certification for such usage but shall provide an attendance certificate.
4. Siemens CoE offers Internships to students. The CoE can accommodate a reasonable number of students depending on the demand.
5. The faculty of **KSRIET** shall submit funding/consultancy proposals quoting the Siemens CoE resources. In such cases, a NITT faculty will be the Co-PI and budgeting need to be arrived through mutual discussion before submission.
6. Siemens CoE periodically conducts workshops/symposiums/conferences etc.. For such events, any participant from **KSRIET** will get 25% discount on the Registration fee.
7. **KSRIET** shall organize events such as workshops/symposiums/conferences jointly with Siemens CoE. In such cases, the financial implications need to be discussed and to be approved by competent authorities before the event.
8. Siemens CoE will not be responsible for safety of the students outside the NITT premises. **KSRIET** should instruct their students clearly on the safety and precautionary measures.
9. Siemens CoE will not be responsible for loss/theft or damage of any of the student's belongings. **KSRIET** should instruct their students clearly on the precautionary measures.
10. The implementation of specific activities will be separately agreed between both institutions on need basis.

Industry - Institute Interaction Cell  
K S R Institute for Engineering and Technology

(Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai and UG Programmes of EEE, ECE, CSE, IT & MECH are NBA Accredited)

Tiruchengode -637 215

The Agreement is executed on this 01<sup>th</sup> of March, 2021 (Effective Date) by and between:

Precicut Laser is a true Sheet Metal Fabrication Company functioning in No 58-D, Sidco Indl Estate (NP), Ambattur, Chennai-600098. Precicut Laser supplier of a comprehensive spectrum of Industrial products such as rig hammers, hydraulic cylinders, industrial hydraulic cylinders, pneumatic cylinders, air compressors and Stone crushers in Coimbatore District. As a cause of demand for sheet metal cutting and fabrication increased for our own products and in the open market, we established a Laser Cutting and fabrication shop in Ambattur Industrial Estate, Chennai

And

K S R Institute for Engineering and Technology hereinafter called the "KSRIET" (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) of the second part;

**WHEREAS:**

1. Precicut Laser is a true Sheet Metal Fabrication Company mastered laser cutting on a much more complete range of material type, material thickness and special situation, than our competition. We have the state-of-art Laser Cutting Machines and professional team to manage the production. Our talent in the widest possible variety of laser cutting jobs allows us to set-up quicker, process jobs faster and solves unique problems in a timely fashion.
2. Precicut Laser engineers having vast experience in laser cutting field and have twelve completely trained laser operators. Multiple operators allow us to adjust our schedule to meet our customer's delivery requirements and in-house ability to do our own laser maintenance. This ability keeps our lasers putting out consistently high-quality parts. In-house maintenance allows us to make consistent on time deliveries. Our commitment to service means that we give our customers what they need, when they need it, and at a competitive price. We constantly modify our schedule to satisfy customers.
3. **Mission - Precicut Laser**  
Precicut Laser's, mission is to continuously improve our abilities so that we provide our customers with the highest level of product and service possible and maintain our position as finest laser job shop. Precicut Laser applies the immense power and versatility of laser cutting for our customers in innovative ways to help them achieve success. Precicut Laser constantly strives to obtain the highest level of project management, programming, punching, forming, and machining, welding and other fabrication skills necessary to complement most complete laser job shop. Precicut Laser develops strong and honest partnerships with our customers by exceeding their quality requirements and solving their problems while providing competitive pricing and exceptional service.

#### 4. Infrastructure

Precicut Laser is equipped with latest Three CNC Laser Cutting Machines, Two CNC Bending Machine, ARC and MIG Welding Machines. The state of the art facilities enables us to provide precise quality output as per customer requirements. Factory is equipped with material handing and storage facilities and a well equipped fabrication set up. Utilizing our four CAD/CAM stations, along with the use of Pro E, Solid Works, Mechanical Desktop and AutoCAD , we are able to produce tool paths from surface data, blue prints, templates, sketches or reverse engineering. Our "nesting software" calculates the maximum yield of parts per sheet, leaving a minimal amount of scrap.

#### Details of KSRIET

##### General information about the college

- a. The college was established in the year 2011 by Aarthi Educational Trust Thiru. R. Srinivasan is the chairman of the trust. The college is approved by AICTE, New Delhi, Affiliated to Anna University, Chennai and the UG Programmes (CSE, EEE, ECE, IT and MECH) are Accredited by NBA.
- b. The college has 6 U.G. programmes B.E. -Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, Biomedical Engineering and B.Tech – Information Technology.
- c. The College also offers 4 P.G. programmes M.E.- Embedded systems Technology, CAD/CAM, Software Engineering and Big Data Analytics.
- d. The college library has the collection of 25400 books and 28,000 E-books with spacious reading facility and reprographic facility are available. E- Journals IET, ASME, J-GATE, ISO-JTC1, SPRINGER, ELSEVIER, ASTM, McGraw-Hill are subscribed to facilitate Research and Knowledge upgrade. About 36200+ video lectures, 160 Periodicals and 9 News paper subscriptions are available.
- e. Received 34.8 Lakhs grant from AICTE, New Delhi for Moderation of control and Instrumentation lab with Virtual Instruments and Establishing Skill and Personality Development Programme centre.
- f. The college also provides better placement record for all the departments and having MOU with many MNC companies and the placement statistics of the year 2015 - 2020 has a overall 2000 placed students.

The Precicut Laser, Chennai, India enters into the following Agreement to offer Training services KSRIET.

1. **Faculty Training:-** Precicut Laser offer the faculty training in the area of CNC laser cutting with shearing and bending facilities for maximum period of one week.
2. **Project Support:-** Precicut Laser gives the project to students of Department of Mechanical Engineering in the area of Manufacturing and Design.
3. **Internship and Inplant Training:-** KSRIET students from II year to IV year can undergo Internship and inplant training in Precicut Laser to get the industrial exposure during their semester.
4. **Placement:-** KSRIET students can get the placement support from Precicut Laser depends upon the vacancy exists and company policy
5. **KSRIET shall organize events such as workshops/symposiums/conferences jointly with Precicut Laser.** In such cases, expertise from Precicut Laser Chennai to be used as a resource person for the above said events.
6. **Precicut Laser will not be responsible for safety of the students outside the Industry premises.** KSRIET should instruct their students clearly on the safety and precautionary measures.
7. **Precicut Laser will not be responsible for loss/theft or damage of any of the student's belongings.** KSRIET should instruct their students clearly on the precautionary measures.

The Agreement is executed on this 11<sup>th</sup> of March, 2021 (Effective Date) by and between:

**Kikuwa** manufactures a wide range of die casting parts, including automotive, motor cycle and others functioning in 455, Thespia Drive, Sector 27, Sri City, Chittoor District, AndhraPradesh-517646. It is established in December 2011 and the production started in the June 2014. Kikuwa private limited received the quality control certificates of ISO9001, IATF16949 and ISO14001

And

**K S R Institute for Engineering and Technology** hereinafter called the "KSRIET" (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) of the second part;

**WHEREAS:**

1. **Kikuwa** products fall into strength, high pressure, high precision and/or surface treatment.
2. **Kikuwa** products varieties includes Aluminum, Zinc high pressure die casting, Aluminum squeeze casting, Vacuum casting Stainless steel lost-wax casting, Painting, surface treatment and Semi-Assembling. As a results oriented die cast manufacturer with an achievement, **Kikuwa** able to optimize customer costs with our proposals and know-how. **Kikuwa** provide high quality, precision products through our technology and experience.

3. **Six values of Kikuwa**

- Challenge
- Sincerity
- Be a key person
- A professional team
- Thinking why
- Responsibility

4. **Goal of Kikuwa**

Goal is to meet all our customers' needs by incorporating the latest technology.

KSRIET, Tiruchengode

The Agreement is executed on this 25<sup>th</sup> of March, 2021 (Effective Date) by and between:

**Aerospace Engineers Pvt. Ltd.** is located in 8/63, National High Way -7, Anmapalayam Village, Mallur, Salem. **Aerospace Engineers** was established in the year 2000 to specifically cater the growing needs of Aviation, Space, Defence and CIVIL Aircraft requirements. Aerospace Engineers were are into the manufacturing of High Precision Metallic, Non-Metallic (Rubber & Composite) parts and sub-assemblies. Started way back in 1988 for the manufacturing of Elastomeric seals. First aircraft part (Cockpit seal) successfully developed and flown in Surya Kiran Aircraft. Now, all the fighter aircrafts in India are flying with AEPL made cockpit seal. Flameproof Seals, Gaskets, Bellows, Hoses, etc. are some of the Rubber Products which is fitted to Fighter Aircrafts, Helicopters, Rocket Programs and Defence Vehicles. **Aerospace Engineers** has indigenised more than 20000 different parts and are always open to new challenging opportunities.

And

**K S R Institute for Engineering and Technology** hereinafter called the "**KSRIET**" (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) of the second part;

**WHEREAS:**

1. Aerospace Engineers started its Elastomeric Seals Manufacturing in the year 1988 and entered into the development of Aerospace and Defence production from 1996 onwards. Then entered into the manufacturing parts and LRUs for Missiles, Aerospace, Defence and has been serving the civil aviation industry since then.
2. Aerospace Engineers specialises in various areas such as in the Precision machining and manufacturing of Rubber Components, Composites, Electro Mechanical LRU's, Missiles sub-assemblies, etc to list a few.
3. The surface Treatment facilities available in house at Aerospace Engineers is approved by *DRDO*, *ISRO* and *Nadcap*. With the increase in the requirement for more manufacturing, Aerospace Engineers are expanding their Capability at *SIPCOT*, *Hosur* and are in initial plan phase to create an additional facility in Hyderabad.
4. Aerospace Engineers supply for every major engine programs in which not less than 1200 components are developed by Aerospace Engineers in both Metallic and Non-metallic components. We have long-term supply agreements mainly for engine projects like Su30, Shakthi, Artouste, Garrett, Orpheus, Dart, Adour, PTAE through Hindustan Aeronautics Ltd., Bangalore and Sukhoi Division in Koraput and Nasik.

More than 300 hose assemblies are approved by Centre of Military Airworthiness Certification (CEMILAC) for use on Helicopters and Aircrafts which is also approved for Civil Aerospace by DGCA.

5. Aerospace Engineers has the testing facilities of Computerized Twin Screw Universal Testing Machine, Computerized Izod / Charpy Impact Tester AS PER ASTM D256, Computerized Universal Testing Machine, Rockwell Hardness Testing Machines and other Environment Test Facilities for Metallic and Non-Metallic materials.
6. Aerospace Engineers received process approval from Directorate General of Aeronautical Quality Assurance (DGAQA), ISO 45001, ISO 14001, CE, ZED Cold Rating, AS91000D, ITO Quality Clinic System certificates, CE marking for Health care products and ITSO Certificate by DGCA.

#### **Vision of Aerospace Engineers**

To become the leader and as benchmark for aerospace manufacturing company.

#### **Mission of Aerospace Engineers**

To be the benchmark aerospace manufacturing company providing world class quality products to satisfied customers.

Establishing business collaboration and integration with all stakeholders to support competitiveness in cost, quality and delivery.

Promote a culture excellence through continuous improvement techniques driven by the teamwork and resourcefulness of our people.

NAMAKKAL DI. TAMIL NADU.

**WHEREAS,**

**T-PEP** is a corporate product development, solution provider and Technical Support located in **Coimbatore, India**. The company inculcates its standard product development in 2015. All our businesses are aligned to our vision.

**K S R Institute for Engineering and Technology** is a reputed Educational Institution contributes to the society through pursuit of Engineering education and research at the highest levels of excellence.

**T-PEP** represents that it has the personnel and expertise to provide the services required by **K S R Institute for Engineering and Technology** in a Professional and confidential manner specified in this **MoU** and in any Statement of Services attached here with respect to the implementation of the Service.

Now, therefore, in consideration of the above and the mutual promises set forth in the Agreement, the parties agree as follows:

**Proposal:**

**T-PEP** has issued a proposal to **K S R Institute for Engineering and Technology** with respect to the services required by the Institution.

The representations of the **T-PEP** in the proposal hereby confirmed by **K S R Institute for Engineering and Technology** for the duration of **Three years from the date of signing the MoU**. The Proposal incorporated herein is as follows:

**I. T-PEP Services to K S R Institute for Engineering and Technology:**

- **T-PEP** agrees to provide services consisting of various tasks with respect to the development of products and implementation of the technologies covered in the Professional official curriculum.
- **T-PEP** will offer valuable Industry Perspective inputs to **K S R Institute for Engineering and Technology** in the area of curriculum upgrade and enhancement.
- Two officers nominated by **T-PEP** shall be constituted to implement and give effect to the objectives of this **MoU**.

➤ T-PEP will assure that any number of Projects will be developed by the company with the support of the Institution based on the Terms and Conditions.

➤ T-PEP will charge for Tools, Components, Fabrication and Expenditure.

## II. K S R Institute for Engineering and Technology services to T-PEP:

➤ K S R Institute for Engineering and Technology is to provide the necessary infrastructure like computers, Work Bench, R&D Lab, LCD Projectors etc., for Product Development on campus.

➤ A Co-ordination committee consisting of two faculty members of K S R Institute for Engineering and Technology.

➤ K S R Institute for Engineering and Technology agrees to grant:

❖ Permission to organize Workshops, Internship, In-plant Training, Guest Lectures, Seminars, Value Added Courses, Projects and Faculty Development Programme on topics related to Contemporary Technologies and Consultancy Work for the welfare of students and faculty members of the **Department of Electronics and Communication Engineering** and other professional activities by T-PEP.

## III. Duration of this MoU

It is agreed by K S R Institute for Engineering and Technology and T-PEP that the terms of this MoU shall be in force for a period of **three** years effective from the date of this MoU which may on mutual concern between be extended for further periods on such terms as agreed mutually.

## IV. Miscellaneous

**Modification of Agreement:** Except the above mentioned professional activities, this Agreement should be modified only by the signed authorities of both the parties.

**Financial Terms:** This MoU shall not give rise to any financial obligation by one party to the other.

PRINCIPAL,  
K. S. R. INSTITUTE FOR  
ENGINEERING AND TECHNOLOGY,  
K. S. R. KALVI NAGAR,

### MEMORANDUM OF UNDERSTANDING (MoU)

This Memorandum of Understanding is between **K S R Institute for Engineering and Technology (KSRIET) ECE DEPT**, having registered office at K.S.R. Kalvi nagar, Tiruchengode, Namakkal – 637215 and **KRISH TEC** having their registered office at “No 286, Thadagam Road, Coimbatore, 641 013” Tamilnadu, India” wishes to enter into Memorandum of Understanding (MOU) for sharing of experts, training Programme for students and placement guidance of **KSRIET, ECE Dept. Tiruchengode.**

#### IMPORTANT

This MOU is a guideline for a mutual working arrangement based on mutual trust and there is no legal binding.

#### INTRODUCTION

The need for MOU with and **KRISH TEC** is to bridge the gap between institution and industries. The main purpose for this MOU is to make the teaching faculty and students familiar with the concepts of Hardware and software packages.

#### TERMS OF UNDERSTANDING

The understanding shall be in effect as of the date signed by both parties and shall remain in effect for a period of Three years and can be renewed with mutual consent thereafter.

#### AREAS OF COLLABORATION

MOU between **KSRIET, ECE Dept. & KRISH TEC** will be on the following areas

1. Training
2. Project support for Student's
3. Internship and Inplant training
4. Placement assistance for students

With clear individual roles as below

  
PRINCIPAL,  
K. S. R. INSTITUTE FOR  
ENGINEERING AND TECHNOLOGY,  
K. S. R. KALVI NAGAR,  
TIRUCHENGODE-637 215,  
NAMAKKAL Dt. TAMIL NADU.

- Cont.. Pg 2 -

### ROLE OF KSRIET

1. Reg. training:- KSRIET, ECE shall organize the training for students in association with and **KRISH TEC**
2. Reg. Project Support:- Students of KSRIET, ECE can get the expertise support for doing the project.
3. Reg. Internship and Inplant Training :- KSRIET, ECE students can undergo Internship and Inplant training in **KRISH TEC** to get the industrial exposure during their semester break.
4. Reg. Placement: - KSRIET, ECE students can get the placement assistance from **KRISH TEC** for those who successfully complete the training program conducted.

### ROLE OF KRISH TEC

1. Reg. Training: - **KRISH TEC** will offer the latest Industry requirement Seminars in KSRIET, ECE and make the students to enhance their skill set.
2. Reg. Project Support: - **KRISH TEC** will offer free idea and technical support to make ECE students to finish their projects.
3. Reg. Internship software and Inplant Training: - **KRISH TEC** will provide the opportunity for ECE students to undergo the internship and Inplant training.
4. Reg. Placement: **KRISH TEC** will offer job opportunity for ECE students those who meet the requirement.

## Terms of Employment

Your employment at Global WeConnect Technologies Private Limited ("GWC" or "Global WeConnect") will be governed by Company's policies, as modified, from time to time and at the sole discretion of the company, upon notice to you. The Terms of Employment contained herein must be read as a part of Company's current policies.

### Full Time Employment

This is a full time employment with the Company and you shall devote yourself exclusively to the business of the Company. You will not take up any other work/assignment for remuneration (part time or otherwise) or work on advisory capacity or be interested either directly or indirectly (except as shareholder or debenture holder) in any other trade or business during your employment with the company without prior permission in writing or any such or similar engagement that would conflict with the business/ customer interest of Global WeConnect.

### Roles and Responsibilities

The roles, responsibilities, and duties appropriate to your designation or your employment, will be specified by Company from time to time. Company may at any time, in its sole discretion, upon notice to you, alter or otherwise modify these roles, responsibilities and duties. Further, at any time, you may be required to provide services, directly or indirectly, to Company and its affiliates and their employees, contractors and clients. In view of the trust and confidence reposed in you, you must effectively perform to ensure results and you will be expected to work extra hours to achieve the set targets, whenever the job so requires.

### Working Hours

You are expected to comply with the normal working hours as declared by the Company or project requirements. You may be required to work on a shift basis. Company may, at any time and its sole discretion, change the shift timings upon notice to you.

### Transfer and Deputation

Your services are liable to be transferred in such capacity as the Company may from time to time be determined by the business/ customer needs to any other location, department, establishment, sister company or branch of the company anywhere in the world, with/without any change in terms and conditions of employment at the sole discretion of the management. In such a case, you will be governed by the rules and service conditions applicable to new assignments and locations.

You may also be sent on training, deputation assignments to sister or associate companies or to third parties whether in India or abroad and are expected to participate in them.

You will be governed by the rules and regulations in these regards as may be applicable to you from time to time.

### Notice Period/ Termination of Employment

Your employment with the Company can be terminated either by the Company or by you by giving the other party specified days of advance notice (refer to the Letter of Appointment or

recent communication to know your notice period days).

The responsibility of ensuring the completion of the knowledge transfer within the defined notice period lies with the employee, failing which the relieving date may be extended at the discretion of the management. The relieving date may also be extended incase the project is at acritical juncture.

If the Company relieves you before the completion of the notice period, the gross salary for the balance notice period would be paid to you. If at your request, the Company agrees to relieve you before serving the full notice period, you will be liable to pay the Company the gross salary for the balance notice period. However, please note that accepting any such early relieving request would be entirely at the discretion of the Company.

Company may terminate your employment immediately, with or without notice and without compensation in lieu of notice period on the occurrence of your involvement in:

- (a) Embezzlement, intoxication or illegal drug abuse, unauthorized absence, unauthorized disclosure or misuse of the Company's Confidential Information, gross insubordination, or receipt or attempted receipt of any impermissible rebate, bribe or other similar remuneration or consideration in connection with any potential or existing opportunity for the Company and its affiliates and their employees, contractors and clients;
- (b) Misconduct (willful, intentional or otherwise) during or in connection with the performance of your obligations hereunder or being arrested, charged or convicted in a criminal proceeding or similar proceedings that involves a matter which Company believes, in its sole discretion, may affect the performance of your obligations, whether or not such matter is directly related to the affairs of the Company and/or its affiliates and their employees, contractors or clients; and/or
- (c) Any act of moral turpitude.

#### **Consequences of Termination of Employment**

Upon termination or expiration of your employment, for any reason, or as otherwise requested by Company, you will return to the Company:

- (a) Any property belonging to the Company, such as a laptop, computer, mobile phone, access card and other devices with details of any passwords or user ids installed therein; and
- (b) All Confidential Information and any Work Product, including any documents and information, of whatever description or in whatever form, tangible or intangible, in your possession, together with copies, notes or summaries of such documents and your own working papers which are derived of or based on such documents.

- Upon termination or expiration of your employment, for any reason, amounts due or payable, from or to you by the Company shall be settled in full and an acknowledgment of such settlement shall be recorded in writing.

- Upon termination or expiration of your employment, for any reason, Company shall be entitled to, at its sole discretion, pursue any remedy available in law or in contract to ensure settlement of any amounts owed by you hereunder, including costs and expenses incurred towards your training. Further, Company shall be entitled to, at its sole discretion withhold the relieving letter and all other documents regarding your employment hereunder.

- In the event of you taking up an alternate employment, it is obligatory on your part, not to join any of Global WeConnect's Client/Customer organizations, without a written consent from Global WeConnect for a period of one year from the date of your separation.

### Retirement

You will retire from the services of the Company on completion of 62 years. For this purpose the date of birth as declared in the date of birth proof submitted at time of joining will be treated as final. You may be retired earlier if found medically unfit.

### Background Verification /Past Records

The Letter of Appointment is issued on the understanding that all information/documents provided by you while joining (In the application / employee data form / during the interview) is true & are liable to be verified at any time before or during the period of your employment with the company. In the event, that any declaration been given or furnished by you to the company is proved to be false or found to have been willfully suppressed/ altered confidential proofs of evidence, your services with the company would be terminated. Termination of services on grounds of Background Verification will not be eligible for any notice period or compensation in lieu of notice period. The company at any time may choose to verify all your credentials as deemed necessary by the company and the client.

### Technology and Confidentiality Agreement

You may be required to sign technology and confidentiality agreements with the Company or any other client as required at the time of joining and during the tenure with the company. You are required to adhere to all terms and conditions mentioned in the agreement.

### Confidential Information

You will not at any time without the consent of the Functional Head or any other nominated representative of the Company, disclose or divulge or make public except on legal obligations, any information regarding the company's affairs or administration or research carried out, whether the same may be confined to you or become known to you in the course of your service or otherwise.

You agree, as part of your employment hereunder, you will have access, directly or indirectly, to certain Confidential Information of Company and its affiliates and their employees, contractors and/or clients. During the term of your employment and thereafter, you shall: (a) hold the Confidential Information in the strictest confidence; (b) not disclose or use or attempt to use or disclose, the Confidential Information, except as expressly permitted by the Company and solely for the purpose of which such Confidential Information was disclosed to you; (c) not disclose or divulge the Confidential Information to or for the benefit any third person or entity without the prior authorization of the Company; (d) give prompt notice to Company of any actual or attempted unauthorized use or disclosure of the Confidential Information.

### Intellectual Property

You agree that any rights, title and interest whatsoever, including, but not limited to, patents, copyright, trade secret and design rights, mask rights, whether registerable or not, arising or created as a result of the development of and/or the application of any tangible or intangible work product or materials produced by you during or as a consequence of your employment, whether alone or in conjunction with others and whether during normal working hours or not, including but not limited to, any invention, design, discovery, improvement, computer program, documentation, or other material which you conceive, discover or create during or in consequence of employment shall belong exclusively to the Company.

**Indemnification**

You agree to indemnify the Company and its affiliates for any losses or damages sustained by Company and its affiliates which is caused by you or related to your breach of any of the provisions contained in this Terms of Employment.

**Conflict of Interest**

During your employment with Global WeConnect it is intended to avoid conflict between your interest as an employee and the interest of the Company in dealing with suppliers, customers and all other organizations or individuals doing or seeking to do business with the Company. Further, if any 'Conflict of Interest' does arise in future, you will promptly report the same in writing to the management immediately.

These Terms of Employment will be construed in accordance with and governed by the Laws of India. These Terms of Employment, together with the Letter of Appointment (and any attachments thereto), are the exclusive and entire agreement between the parties relating to its subject matter, and supersedes all prior and contemporaneous discussions, agreements, negotiations, representations, and proposals relating to the subject matter thereof.

You agree to indemnify the Company and its affiliates for any losses or damages sustained by Company and its affiliates which is caused by you or related to your breach of any of the provisions contained in this Terms of Employment.

#### Conflict of Interest

During your employment with Global WeConnect it is intended to avoid conflict between your interest as an employee and the interest of the Company in dealing with suppliers, customers and all other organizations or individuals doing or seeking to do business with the Company. Further, if any 'Conflict of Interest' does arise in future, you will promptly report the same in writing to the management immediately.

These Terms of Employment will be construed in accordance with and governed by the Laws of India. These Terms of Employment, together with the Letter of Appointment (and any attachments thereto), are the exclusive and entire agreement between the parties relating to its subject matter, and supersedes all prior and contemporaneous discussions, agreements, negotiations, representations, and proposals relating to the subject matter thereof.

sincerely,

For Global WeConnect Technologies Private Ltd

## GLOBAL WECONNECT TECHNOLOGIES INTERNSHIP OFFER LETTER

Date: 28-02-2022

Hi Shyam Prashad S,

We are glad to inform you that your application for the position of a **Trainee Data Analyst** has been accepted by the Recruitment Team, and you have been selected for the internship in our company.

This letter is regarding your internship application as of 28-02-2022. The recruitment team has expressed a positive response and confidence, and you are one of the best candidates from the rest of all the applicants. Session and terms of internship have been discussed earlier as well. You will be offered INR 6000 per month as a stipend during this engagement.

As you know it may be a very bustling time, we advise you to be mentally and physically equipped, and of course, you can get along with our expectations.

Note: This offer holds valid for 10 weeks from 01-03-2022 to 09-05-2022. If you are falling to join us in the expected period, this opportunity will be invalid and considered as oblivion and unoccupied.

To accept the company's offer, kindly confirm with your signature and date this letter. If you have any further queries or any information required, please reach us at below contact details.

With best wishes,

*S. Abinaya Sindhu*

## GLOBAL WECONNECT TECHNOLOGIES PRIVATE LIMITED

recent communication to know your notice period days).

The responsibility of ensuring the completion of the knowledge transfer within the defined notice period lies with the employee, failing which the relieving date may be extended at the discretion of the management. The relieving date may also be extended incase the project is at a critical juncture.

If the Company relieves you before the completion of the notice period, the gross salary for the balance notice period would be paid to you. If at your request, the Company agrees to relieve you before serving the full notice period, you will be liable to pay the Company the gross salary for the balance notice period. However, please note that accepting any such early relieving request would be entirely at the discretion of the Company.

Company may terminate your employment immediately, with or without notice and without compensation in lieu of notice period on the occurrence of your involvement in:

- (a) Embezzlement, intoxication or illegal drug abuse, unauthorized absence, unauthorized disclosure or misuse of the Company's Confidential Information, gross insubordination, or receipt or attempted receipt of any impermissible rebate, bribe or other similar remuneration or consideration in connection with any potential or existing opportunity for the Company and its affiliates and their employees, contractors and clients;
- (b) Misconduct (willful, intentional or otherwise) during or in connection with the performance of your obligations hereunder or being arrested, charged or convicted in a criminal proceeding or similar proceedings that involves a matter which Company believes, in its sole discretion, may affect the performance of your obligations, whether or not such matter is directly related to the affairs of the Company and/or its affiliates and their employees, contractors or clients; and/or
- (c) Any act of moral turpitude.

### Consequences of Termination of Employment

Upon termination or expiration of your employment, for any reason, or as otherwise requested by Company, you will return to the Company:

- (a) Any property belonging to the Company, such as a laptop, computer, mobile phone, access card and other devices with details of any passwords or user ids installed therein; and
- (b) All Confidential Information and any Work Product, including any documents and information, of whatever description or in whatever form, tangible or intangible, in your possession, together with copies, notes or summaries of such documents and your own working papers which are derived of or based on such documents.

- Upon termination or expiration of your employment, for any reason, amounts due or payable, from or to you by the Company shall be settled in full and an acknowledgment of such

settlement shall be recorded in writing.

- Upon termination or expiration of your employment, for any reason, Company shall be entitled to, at its sole discretion, pursue any remedy available in law or in contract to ensure settlement of any amounts owed by you hereunder, including costs and expenses incurred towards your training. Further, Company shall be entitled to, at its sole discretion withhold the relieving letter and all other documents regarding your employment hereunder.

- In the event of you taking up an alternate employment, it is obligatory on your part not to join any of Global WeConnect's Client/Customer organizations, without a written consent from Global WeConnect for a period of one year from the date of your separation.

## GLOBAL WECONNECT TECHNOLOGIES PRIVATE LIMITED

### Retirement

You will retire from the services of the Company on completion of 62 years. For this purpose the date of birth as declared in the date of birth proof submitted at time of joining will be treated as final. You may be retired earlier if found medically unfit.

### Background Verification /Past Records

The Letter of Appointment is issued on the understanding that all information/documents provided by you while joining (In the application / employee data form / during the interview) is true & are liable to be verified at any time before or during the period of your employment with the company. In the event, that any declaration been given or furnished by you to the company is proved to be false or found to have been willfully suppressed/ altered confidential proofs of evidence, your services with the company would be terminated. Termination of services on grounds of Background Verification will not be eligible for any notice period or compensation in lieu of notice period. The company at any time may choose to verify all your credentials as deemed necessary by the company and the client.

### Technology and Confidentiality Agreement

You may be required to sign technology and confidentiality agreements with the Company or any other client as required at the time of joining and during the tenure with the company. You are required to adhere to all terms and conditions mentioned in the agreement.

### Confidential Information

You will not at any time without the consent of the Functional Head or any other nominated representative of the Company, disclose or divulge or make public except on legal obligations, any information regarding the company's affairs or administration or research carried out, whether the same may be confined to you or become known to you in the course of your service or otherwise.

You agree, as part of your employment hereunder, you will have access, directly or indirectly, to certain Confidential Information of Company and its affiliates and their employees, contractors and/or clients. During the term of your employment and thereafter, you shall: (a) hold the Confidential Information in the strictest confidence; (b) not disclose or use or attempt to use or disclose, the Confidential Information, except as expressly permitted by the Company and solely for the purpose of which such Confidential Information was disclosed to you; (c) not disclose or divulge the Confidential Information to or for the benefit any third person or entity without the prior authorization of the Company; (d) give prompt notice to Company of any actual or attempted unauthorized use or disclosure of the Confidential Information.

### Intellectual Property

You agree that any rights, title and interest whatsoever, including, but not limited to, patents, copyright, trade secret and design rights, mask rights, whether registerable or not, arising or created as a result of the development of and/or the application of any tangible or intangible work product or materials produced by you during or as a consequence of your employment, whether alone or in conjunction with others and whether during normal working hours or not, including, but not limited to, any invention, design, discovery, improvement, computer program, documentation, or other material which you conceive, discover or create during or as a consequence of employment shall belong exclusively to the Company.

## GLOBAL WECONNECT TECHNOLOGIES PRIVATE LIMITED

### Indemnification

You agree to indemnify the Company and its affiliates for any losses or damages sustained by Company and its affiliates which is caused by you or related to your breach of any of the provisions contained in this Terms of Employment.

### Conflict of Interest

During your employment with Global WeConnect it is intended to avoid conflict between your interest as an employee and the interest of the Company in dealing with suppliers, customers and all other organizations or individuals doing or seeking to do business with the Company. Further, if any 'Conflict of Interest' does arise in future, you will promptly report the same in writing to the management immediately.

These Terms of Employment will be construed in accordance with and governed by the Laws of India. These Terms of Employment, together with the Letter of Appointment (and any attachments thereto), are the exclusive and entire agreement between the parties relating to its subject matter, and supersedes all prior and contemporaneous discussions, agreements, negotiations, representations, and proposals relating to the subject matter thereof.

## Value Added Course – Syllabus

The course covers the topics you need to review for the **AutoCAD** including:

### Module 1: INTRODUCTION TO AUTOCAD

6

AutoCAD Screen Components- Drawing Area Command -Window Navigation bar Status bar  
AUTOCAD Introduction-Software Requirements- Files handling in CAD- Draw toolbar- Modify  
toolbar- Dimensioning toolbar- Opening an Existing Drawing- Quitting AutoCAD

### Module 2: Introduction to OF Tool bars

6

Functional keys and properties - Layers and leaders- Tool menu customization- Geometric  
constraints- Dimension constraints- Drawing Lines in AutoCAD- Invoking tools Using Dynamic  
INPUT/Command- Prompt Coordinate Systems

### Module 3: Starting With Advanced Sketching

6

Drawing Arcs- Drawing Rectangles -Drawing Ellipses- Drawing Regular Polygon- Drawing  
Polylines Placing Points -Drawing Infinite Lines Writing a Single Line Text- Working with Layers-  
Object Properties- Drafting Settings dialog box

### Module 4: Editing Sketched Objects

6

Editing Sketches- Moving the Sketched Objects -Copying the Sketched Objects- Creating Multiple  
Copies Creating a Single Copy Offsetting Sketched Objects- Rotating Sketched Objects Scaling the  
Sketched Objects -Filleting the Sketches- Chamfering the Sketches- Trimming the Sketched Objects  
Extending the Sketched Objects- Stretching the Sketched Objects -Lengthening the Sketched  
Objects -objects Text Mirroring

### Module 5: Isometric Drawings

6

Isometric drawings- Extrusion-View, visual styles and orbit- Solid (3D) modelling- Solid editing  
operations- Rendering and scenes

## **Value Added Course - AutoCAD**

### **REPORT**

The Department of mechanical Engineering conducted a value added course on AutoCAD organized through Centre for Value added Education and in collaboration with CADD centre, Erode for the students of II<sup>nd</sup> and III<sup>rd</sup> year Mechanical Engineering from 13.08.2021 to 25.08.2021. The theory sessions and drawing practice demonstrations are conducted through online mode in Google meet app. The students are allowed to practice the drawings in their own and the query clarifications are carried out in the next sessions.

At the end of the course students are able to:

- Evaluate the mechanical designs and select the proper process and materials for production.
- Create 2D and 3D computer drawings and models for manufacturing and prototyping.
- Evaluate computer aided design models and assemblies based on critical thinking and problem solving skills.
- Collaborate with people of diverse backgrounds and abilities.
- Develop a solution through group work.
- Communicate and present ideas and solutions to design problems.
