Academic Year: 2021-2022

IPOOL FORUM

## Main Objectives

- To conduct workshops, seminars, industrial visits and specialized engineering training to meet the current and emerging needs of the society.
- To support students in applying creative thinking and design techniques to interdisciplinary design processes based on mechanical engineering
- To increase communication skill of the students so that they can share their ideas with others and to cooperate, thus establishing the leadership to manage the organization effectively.
- To enhance their open-minds and positively critic spirits to recognize social and ethical responsibilities for what they have researched and developed.
- To acknowledge international role of engineers in the global society, and develop the leadership for industrial, academic and research institutes.

## Vision

Vision aims to maintain the high level of interaction between the students and the faculty members. To organize Seminars, Workshops and Technical events by creation of close tie-up with the industries and also to assist in managing the resources and labs of the department.

## Mission

Contribute to development of student community of researchers in educational and cultural evaluation for both theory and practical knowledge.

## Goal

To provide superior quality in terms of studies and services by sharing team spirit and working cohesively.

## ABOUT LINGUA CLUB

Enhancing Communication Skills is the need of the hour and the major expectation from all the industries. By having understood this need, Lingua Club from the department of English has been taking all the necessary initiatives to make students proficient in English Language.

As a part of Lingua Club's activities, Public Speaking will be conducted every Thursday in which one faculty member and three students will have a platform to share their personal views on different topics. Also, they will get an opportunity to remove stage fear and equip their language expertise.

Further, a plenty of competitions are conducted to make students exhibit their hidden potential such as Essay Writing, Slogan Writing, Poem Composing, Spell Bee, Tongue Twister, JAM etc. Also, the Club organizes Invited Talk, Workshop etc to give exposure on language enrichment. In addition, Value Added Courses such as BEC and Higher Studies supporting Course, IELTS are conducted for the benefit of students.
