**Description :**

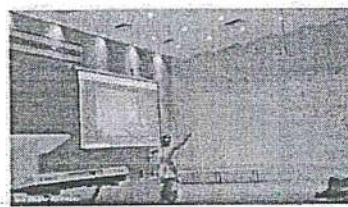

The students are asked to register their performance through the google link <https://forms.gle/8MoraCwmxDZqRYVt8> . Instructions are given to the students.

Initially the program starts with prayer song by S.Chelladurai, AP, Chemistry. Dr.J.C.Kannan, Director-Student Affairs welcome the gathering and gave some inputs the facilities offered by the college. First year students performed well. The events include singing, dance, speech, meme displaying. Anusree. K of I B.Tech IT sang a trendy song with dance made electrifying performance. Nithaj B of I B.E. EEE explained about his you tube channel and his experience of making videos. Rahamathulla S I B.E. Mech and his team recorded the entire program through photography team. All the performance were appreciated by the students and faculty members. Dr.V.Devabharathi, Coordinator-Cultural Club gave vote of thanks at the end of all events. The program ended with the national anthem sung by students

**Outcome of the program :**

The talents among first year UG students are identified. This show created a great platform to showcase their multi talents. Some ideas remain unimplemented due to time constraints. This show provides a good platform for the students' personality development.

NAMAKKAL Dt, TAMIL NADU.

**Description :**

The inaugural function of cultural club was started with prayer song by Kavin Muthu Kumar S of final year EEE. Principal welcomed the gathering. He appreciated the presence of the alumni of music club. He added the opportunities waiting for the students in cultural club. Students sang old new & independent album songs. The remarkable thing in their performance is fully manual. The instrumentalist played three numbers of full instrumentation. All the songs are played by the students and singer added respective expressions in different songs. The audience responded the musicians by their claps and standing ovation for extraordinary performances. The program ended with vote of thanks by the coordinator of cultural club.

**Glimpses of the program :**

NAMAKKAL DI, TAMIL NADU.

**Outcome of the program :**

As a proud moment, the alumni of music club performed two hours non-stop music concert with fully manual orchestration. The team work of the musicians as well as singers was appreciated by all spectators inside the venue. The viewers applaud on their performance and gave their willingness to do performance in the future events.

## PROFILE

Jc Keerthana  
Provisional Zone Trainer  
Qualifications MBA.

In JCI : Joined JCI India In the year 2018 was the director training in the year 2019 and VP Management in the year 2021. Awarded as outstanding participant in EPS, Speech Craft and ZTWS.

### Professional Experience:

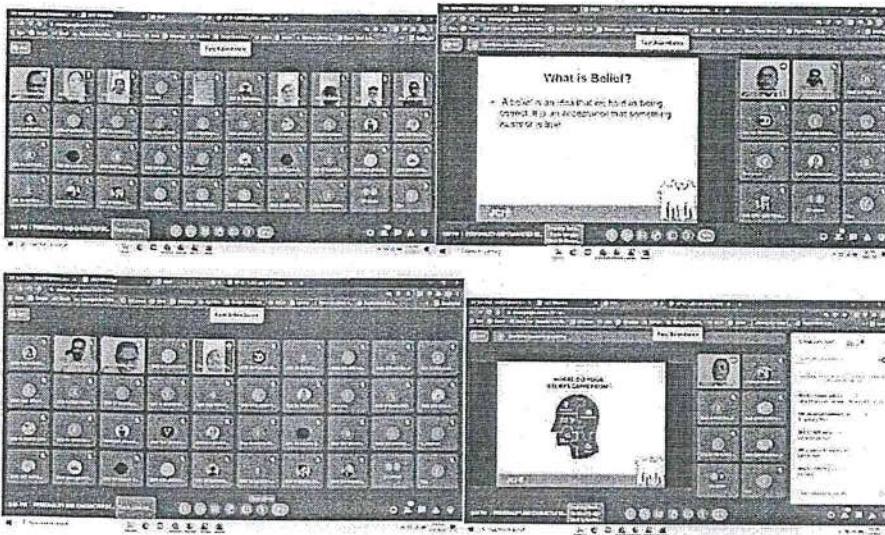

Has 6 years corporate experience, 2 years experience as a competitive exam Trainer.  
NLP practitioner.

Currently working with Canara Bank.

Also a Civic awareness Trainer with CMCA an Bangalore based NGO.

Passion about learning folk arts, playing parai and driving.

Married to Jc lord Magesh and Jjc Charan Karthik.

## PROFILE

SUDHA A

### Educational Qualification:

B.Sc Physics - P.K.R. Arts and Science College, Gobichettipalayam

M.Sc Physics - Bishop Heber College, Trichy.

Diploma in Psychology - Coimbatore.

### Experience:

Teaching: 3 Years

Business career: 12 Years

In 2009 Started a centre for creativity with 30 children and now has grown to a strength of more than 550 children. We have franchisee for Globalart & SIP Abacus, where we teach creative art and Abacus between 5 and 15 years respectively.

In Globalart, our academy has been awarded the Best performing centre in Rest of Tamilnadu for 4 times and in Top 5 Performing centres 3 times all over India.

Children from our academy had participated in National & International level competitions conducted by Globalart & SIP Abacus and had bagged Champion awards and many more winner trophies.

Sudha, aims in training the children to face the world with enhanced level of creativity and confidence which is very essential to build a successful career at this time.

Joined JCI, Erode in 2018 and had completed EPS, Speech Craft and Zone Trainer Workshop. And had been recognized with Outstanding Performer in Zone Trainer Workshop.

ATTENDANCE IT & MECH

The students are made to attend Personality Development Programme in addition to their regular classes. The sessions are conducted meticulously by expert faculty and external resource persons who attempt to hone innate skills of the students. The different subjects which are taken up in the programme are public speaking skills, listening and talking skills, presentation skills, grooming skills, social skills and etiquettes etc.

**Outcome :**

This course prepares the participants to handle all kinds of interview panels with success. A strong emphasis is laid to enhance EQ of the students so that they know how to handle stress, failures and negativity in them.

### Description :

The day before the event, a meeting was conducted to explain about the debate. The students are instructed to give quotes, statistics and give facts related to their topics. The program was conducted in online mode through Microsoft Team platform. Initially the program starts with prayer song by Priyanka S, I B.E. EEE.Kohila. P, I B.E. BME welcome the gathering. The judge Rtn. Major Donor. V.S.Baskar started the debate with introductory line. He also praised the students active participation in debate on the topic "Country's future - Agriculture ? Computerisation ?". The team members of both topics supported with current situation which the society function. They quoted news paper article, whatsapp mernes, their experiences and students reply both traditional as well as present scenario. The judge conclude that agriculture plays a vital role for existence of humans and also the country's future. All the arguments of the speakers from both sides were appreciated by the judge and faculty members through their feedback at the end of the debate. Dr.J.C Kannan, HoD-S&H gave vote of thanks at the end of all events.

**Outcome of the program :**

Agriculture has always been one of those underestimated low-tech sectors. But today, smart AgTech is beefing up the global economies. This unexpected overhaul stems from the advancement of machine learning and computer vision. The debate started a different view on technology revolution. The viewers praised on the great efforts of the student speakers. The debating skills and the kinetics of handling language of the students are appreciated by the faculty members and thank their parents.

<b>Program</b>	French Program	<b>Date</b>	25.05.2022
<b>Venue</b>	Online through Google Meet : <a href="http://www.meet.google.com/cje-vngm-qsz">www.meet.google.com/ cje-vngm-qsz</a>	<b>Time</b>	2 pm

**Objective :**

Learning any new tongue is a challenge that can open up your mind to new perspectives and help you connect with all types of people across boundaries of land and language. When it comes to learning French, these reasons are especially true. This program is exclusively designed to know a new language in which will be useful in their professional career.

**Description:**

On 17<sup>th</sup> June 2022, our college organized its annual day program that was held in the Founde Hall. The faculty team of our college along with volunteer students decorated the auditorium with flowers and lights. The chief guest lit the lamp.

Then our principal, Directors, Guests and Hods also lit the lamp and the program started with prayer. The program was hosted by a student of Various Departments. Their performance was very impressive. The students from different classes participated and performed various activities. First of all students presented a welcome program by welcoming the gathering.

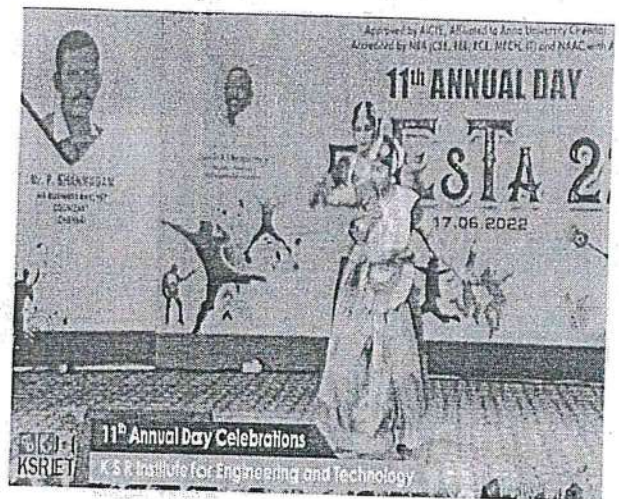

The students from various departments participated in cultural programs and gave their best. The performance includes bharadhanatiyam followed by group dance, solo dance and also various skits. The entire audience and students enjoyed the day with great pleasure. Then celebrities from television gave their performance. The cultural ends with DJ performance by the students.

After that, the principal thanked everyone especially the chief guest for giving his precious time. The principal ended the program by encouraging the students to work hard if they want to make a strong and good career in life. All the people who attended that annual day enjoyed it most. In fact, this was a memorable day.

### DJ Performance by Students

#### Outcome of the program:

It is an occasion of celebration, felicitation, feast and festivity when students present not only their wonderful performances but also receive honours for their curricular and co-curricular achievements.
