HEYDAY 2022 - Annual Report

Happy Morning to all the dignitaries on and off the dais.

At the outset, I welcome everyone and my hearty thanks to our Principal for taking time off from his busy schedule and so graciously consenting to deliver the Presidential Address here this morning for Heyday 2022 Celebrations of KSRIET.

One of the joys of preparing an annual report is that it gives us the opportunity to look back and be thankful for all that has been accomplished.

Lingua Club always believes in the potential of our students and it provides a plenty of platforms to exhibit the calibre of the budding Engineers.

This year had been filled with good opportunities and challenges to students. Despite the challenges, many students showed their interest to participate in all the competitions.

This can be attributed to the dedication and team spirit of my teammates of the department of English and the office bearers of Lingua Club.

In this academic year 2021-2022, at the start, we organized Inaugural Function on 18th December 2021. Dr. V. Radhakrishnan, Principal, K.S. Rangasamy College of Arts and Science was the Chief Guest and delivered Special Address to our students.

Then, we started conducting a few competitions.

Essay Writing was conducted on 3rd January 2022. 23 students participated in it and 4 students won the top prizes.
