Dear Chennakrishnan S,

Further to our Letter of Intent / Offer for the position of Programmer Analyst Trainee / Programmer Analyst aligned to the hiring category and in response to your subsequent confirmation for Internship Program with us, we are pleased to offer you an Internship with us for a period of 3 to 6 months, starting Dec 2021.

During this period, you will be provided with a stipend of INR 12,000 per month equated to the planned duration of the Internship curriculum and will be paid only subject to successful completion of milestones as defined in the curriculum prior to the monthly stipend processing window for a given month based on your performance and attendance.

Actual commencement of Internship dates and duration would be shortly communicated to you and the internship would be based on the business demand aligned to your skill tracks.

Though Cognizant Internship being a pre-requisite skill and capability development program, it does not guarantee employment. However, the successful completion of internship will form a critical part of your employment with Cognizant if an opportunity arises in future.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The outcome during Internship would be monitored through formal evaluations.

Prior to joining on the rolls of Cognizant, you must have successfully completed the prescribed Internship program. In the event of unsatisfactory Internship, Cognizant reserves rights at its sole discretion to revoke its employment offer.

Please also note that:

- The Internship timings would be for 9 hours per day from Monday through Friday aligned to the working timings followed in Cognizant
- Interns are covered under Cognizant's calendar holidays of the respective location of internship and you would need to adhere with minimum attendance requirements. Prior approvals are must towards any unavoidable leave or break requests during the program.
- There would be zero tolerance to plagiarisms and misconduct during the internship. Any such incident reported will lead to immediate cancellation of internship without any notice.
- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions.
- You may be required, to travel to other locations within India if there is a business need as per your internship program
- Cognizant reserves rights regarding IT infra as applicable and access to information and material of Cognizant during the internship period and may modify or amend the Cognizant GenC program terms and conditions from time to time
- Stipend payment will be done for the prescribed Internship Curriculum period only and no additional payment will be done for any delay in completion.
- Attendance and successful completion of Milestone(s) are the eligible factors for processing stipend payment and tenure spent will not guarantee your monthly stipend payment.

Dear Gowsalya. G,

Sub: Letter of Engagement as Intern

We are pleased to inform you that you have been selected for undergoing Internship in our organization Wipro Limited (Wipro) as Intern under the following terms and conditions:

1. Nature of Engagement

You will be engaged as an **Intern at Wipro.**

2. Duration of training

The duration of **internship** will be 10 to 16 weeks starting from March 10th. During this period, Wipro shall evaluate your performance. Unless Wipro extends the period of internship, in writing, solely at its discretion, your internship shall automatically stand terminated at the expiry of the internship period.

3. Verification Report

Your engagement with Wipro will be subject to receipt of satisfactory report with regard to verification of the particulars furnished by you in your application and information given at the time of Interview. If any declaration or information furnished to Wipro proves to be false or if you have wilfully suppressed any material information, in such case, you will be liable to removal from training without any notice.

4. Obligations and Responsibilities

- a. During your internship period, Wipro expects you to undergo training in any department / section in which you are placed with high standard of initiative and efficiency. You shall devote yourself exclusively for undergoing training. You shall not take up any other work for remuneration (part-time or otherwise) or work on advisory capacity or be interested directly or indirectly in any other trade or business (except as share-holder or debenture holder) during the training period without obtaining permission in writing from the appointing authority at Wipro. You will be governed by the service rules / standing orders, policies and regulations as may be promulgated by Wipro from time to time in relation to conduct, discipline and other matters. You will not seek membership of any local or public bodies without first attaining specific permission from the appointing authority at Wipro. You are expected to comply with the policies of Wipro including the Code of Business Conduct and other policies of Wipro as they form an integral part of the terms of your training with Wipro.

Consequently, you are required to understand the scope and intent behind these policies and to comply with the same. These Policies are updated / modified on a periodic basis and new Policies may be introduced and notified to employees/trainees from time to time and you will be required to comply with the same. Any matter or situation or incident that may arise that could potentially result, or has resulted, in any violation of the Policies or the terms of your employment, shall immediately be brought to the notice of Wipro and appropriate disciplinary action will be initiated.

- b. During the training period, if you conceive any new or advanced method of improving processes / formulae / systems in relation to the Business or Trade of Wipro, such developments will be fully communicated to Wipro and will be the sole property of Wipro. In consideration of the opportunities, training and access to new techniques and know-how that will be made available to you, you will be required to comply with the Confidentiality Policy of Wipro. Therefore, please maintain all Confidential Information as defined from time to time in the Confidentiality Policy of Wipro, as secret and confidential and do not use or disclose any such Confidential Information except as may be required

under obligation of law or as may be required by Wipro and in the course of your training. This covenant shall endure during your training and beyond the cessation of your training with Wipro.

- c. During the training period and thereafter, you will not pass onto anyone in writing or by word of mouth or otherwise, particulars or details of work, processes, technical know-how, research carried out, security arrangements, administrative and organization matters of confidential or secret nature, which you may come across during your training period or become known to you by virtue of your undergoing training in Wipro or otherwise.
- d. In connection with your internship and during the term of your internship, upon conception or creation, you shall disclose and assign to Wipro as its exclusive property, all inventions, ideas, concepts, discoveries, techniques, and improvements (including without limitation legal documents, training materials, computer software and associated materials) developed or conceived by you solely or jointly with others (whether or not during business hours), and shall comply with the Policies of Wipro in relation to Intellectual Property.

5. Posting

During your training period, you are liable to be transferred or assigned to training in any division / department / establishment or location at which Wipro or its associate companies have their offices or operation and whether at present existing or which may be set up in future at any time and at any place in India, without any increase in stipend. On such posting, you will be governed by the policies, rules and regulations as applicable in that Unit / Branch / Establishment.

6. Travel

You will be required to undertake travel as required by Wipro and you will be paid travel expenses as per Wipro rules.

7. Termination

Notwithstanding any of the clauses of this letter of engagement, Wipro reserves the right in its sole discretion of terminating this agreement during the training period without assigning any reason by giving one week's (7 days) notice or payment of one week's stipend, in lieu of notice.

8. Training Hours and Holidays

As an intern you will be called upon to undergo training during the hours and days as may be fixed by Wipro. Normally all Sundays will be weekly holidays together with all National and Festival Holidays observed by the establishment.

9. After completion / termination of internship

On completion / termination of internship, you will immediately surrender to Wipro all specifications, documents, literature, drawings, records etc. belonging to Wipro or relating to its Businesses and shall not take or retain any copies of the said items.

10. Date of commencement of training

In case the above terms and conditions are acceptable to you, you are required to return the duplicate copy of this letter of engagement within one week, duly signed by you, in token of your acceptance of the offer and report for training on or before the date of commencement of training. While reporting for training, please bring 3 copies of your latest passport size photographs and two copies each of your certificates and testimonials along with the originals. The original certificates will be returned to you after verification.

Yours sincerely,

Joy Princy
B.E. Electronics & Communication Engineering
KSR Institute for Engineering and Technology, Namakkal

Dear Joy Princy,

Further to our Letter of Intent / Offer for the position of Programmer Analyst Trainee / Programmer Analyst aligned to the hiring category and in response to your subsequent confirmation for Internship Program with us, we are pleased to offer you an Internship with us for a period of 3 to 6 months, starting Dec 2021.

During this period, you will be provided with a stipend of INR 12,000 per month equated to the planned duration of the Internship curriculum and will be paid only subject to successful completion of milestones as defined in the curriculum prior to the monthly stipend processing window for a given month based on your performance and attendance.

Actual commencement of Internship dates and duration would be shortly communicated to you and the internship would be based on the business demand aligned to your skill tracks.

Though Cognizant Internship being a pre-requisite skill and capability development program, it does not guarantee employment. However, the successful completion of internship will form a critical part of your employment with Cognizant if an opportunity arises in future.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The outcome during Internship would be monitored through formal evaluations.

Prior to joining on the rolls of Cognizant, you must have successfully completed the prescribed Internship program. In the event of unsatisfactory Internship, Cognizant reserves rights at its sole discretion to revoke its employment offer.

Please also note that:

- The Internship timings would be for 9 hours per day from Monday through Friday aligned to the working timings followed in Cognizant
- Interns are covered under Cognizant's calendar holidays of the respective location of internship and you would need to adhere with minimum attendance requirements. Prior approvals are must towards any unavoidable leave or break requests during the program.
- There would be zero tolerance to plagiarisms and misconduct during the internship. Any such incident reported will lead to immediate cancellation of internship without any notice.
- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions.
- You may be required, to travel to other locations within India if there is a business need as per your internship program
- Cognizant reserves rights regarding IT infra as applicable and access to information and material of Cognizant during the internship period and may modify or amend the Cognizant GenC program terms and conditions from time to time
- Stipend payment will be done for the prescribed Internship Curriculum period only, and no additional payment will be done for any delay in completion.
- Attendance and successful completion of Milestones (subject to digital factors for processing stipend payment) and tenure spent will not guarantee your monthly stipend payment.

Dear Nithya M,

Sub: Letter of Engagement as Intern

We are pleased to inform you that you have been selected for undergoing Internship in our organization Wipro Limited (Wipro) as Intern under the following terms and conditions:

1. Nature of Engagement

You will be engaged as an Intern at Wipro.

2. Duration of training

The duration of internship will be 10 to 16 weeks starting from March 10th. During this period, Wipro shall evaluate your performance. Unless Wipro extends the period of internship, in writing, solely at its discretion, your internship shall automatically stand terminated at the expiry of the internship period.

3. Verification Report

Your engagement with Wipro will be subject to receipt of satisfactory report with regard to verification of the particulars furnished by you in your application and information given at the time of Interview. If any declaration or information furnished to Wipro proves to be false or if you have wilfully suppressed any material information, in such case, you will be liable to removal from training without any notice.

4. Obligations and Responsibilities

- a. During your internship period, Wipro expects you to undergo training in any department / section in which you are placed with high standard of initiative and efficiency. You shall devote yourself exclusively for undergoing training. You shall not take up any other work for remuneration (part-time or otherwise) or work on advisory capacity or be interested directly or indirectly in any other trade or business (except as share-holder or debenture holder) during the training period without obtaining permission in writing from the appointing authority at Wipro. You will be governed by the service rules / standing orders, policies and regulations as may be promulgated by Wipro from time to time in relation to conduct, discipline and other matters. You will not seek membership of any local or public bodies without first attaining specific permission from the appointing authority at Wipro. You are expected to comply with the policies of Wipro including the Code of Business Conduct and other policies of Wipro as they form an integral part of the terms of your training with Wipro.

Consequently, you are required to understand the scope and intent behind these policies and to comply with the same. These Policies are updated / modified on a periodic basis and new Policies may be introduced and notified to employees/trainees from time to time and you will be required to comply with the same. Any matter or situation or incident that may arise that could potentially result, or has resulted, in any violation of the Policies or the terms of your employment, shall immediately be brought to the notice of Wipro and appropriate disciplinary action will be initiated.

- b. During the training period, if you conceive any new or advanced method of improving processes / formulae / systems in relation to the Business or Trade of Wipro, such developments will be fully communicated to Wipro and will be the sole property of Wipro. In consideration of the opportunities, training and access to new techniques and know-how that will be made available to you, you will be required to comply with the Confidentiality Policy of Wipro. Therefore, please maintain all Confidential Information as defined from time to time in the Confidentiality Policy of Wipro, as secret and confidential and do not use or disclose any such Confidential Information except as may be required

under obligation of law or as may be required by Wipro and in the course of your training. This covenant shall endure during your training and beyond the cessation of your training with Wipro.

- c. During the training period and thereafter, you will not pass onto anyone in writing or by word of mouth or otherwise, particulars or details of work, processes, technical know-how, research carried out, security arrangements, administrative and organization matters of confidential or secret nature, which you may come across during your training period or become known to you by virtue of your undergoing training in Wipro or otherwise.
- d. In connection with your internship and during the term of your internship, upon conception or creation, you shall disclose and assign to Wipro as its exclusive property, all inventions, ideas, concepts, discoveries, techniques, and improvements (including without limitation legal documents, training materials, computer software and associated materials) developed or conceived by you solely or jointly with others (whether or not during business hours), and shall comply with the Policies of Wipro in relation to Intellectual Property.

5. Posting

During your training period, you are liable to be transferred or assigned to training in any division / department / establishment or location at which Wipro or its associate companies have their offices or operation and whether at present existing or which may be set up in future at any time and at any place in India, without any increase in stipend. On such posting, you will be governed by the policies, rules and regulations as applicable in that Unit / Branch / Establishment.

6. Travel

You will be required to undertake travel as required by Wipro and you will be paid travel expenses as per Wipro rules.

7. Termination

Notwithstanding any of the clauses of this letter of engagement, Wipro reserves the right in its sole discretion of terminating this agreement during the training period without assigning any reason by giving one week's (7 days) notice or payment of one week's stipend, in lieu of notice.

8. Training Hours and Holidays

As an intern you will be called upon to undergo training during the hours and days as may be fixed by Wipro. Normally all Sundays will be weekly holidays together with all National and Festival Holidays observed by the establishment.

9. After completion / termination of internship

On completion / termination of internship, you will immediately surrender to Wipro all specifications, documents, literature, drawings, records etc. belonging to Wipro or relating to its Businesses and shall not take or retain any copies of the said items.

10. Date of commencement of training

In case the above terms and conditions are acceptable to you, you are required to return the duplicate copy of this letter of engagement within one week, duly signed by you, in token of your acceptance of the offer and report for training on or before the date of commencement of training. While reporting for training, please bring 3 copies of your latest passport size photographs and two copies each of your certificates and testimonials along with the originals. The original certificates will be returned to you after verification.

Yours sincerely,

Mr. Manoj M
K S R Institute For Engineering And Technology

Dear Manoj,

SUB: Our offer for the position of Trainee

We are happy to let you know that we are impressed with your credentials and welcome you to the Aspire family. We are certain that you would play a vital role in our growth and success and you will be a valuable addition to our talented team of ASPIRIANS.

You will be inducted as a "Trainee". Your initial training will be done virtually if the Covid situation continues and your initial training with the Talent Nurturing team and the department specific training will be for a maximum duration of three months. Post training you will be deputed to any one of our Practices and location, once the situation becomes normal, you will be deputed to work from any of our offices in India. The salary during training will be **Rs.15,000 per month** which will be prorated based on your training duration. At the end of training period, a formal evaluation of your performance will be made.

On successful completion of the training, your total Cost-to-Company (CTC) will be revised to **Rs.3.60 Lakhs Per Annum**. You will also be eligible for a stipend of **Rs.25,000** and this stipend will be payable after completing one month of your service with us and will get credited along with your salary for the consecutive payroll cycle. All remuneration payable to you will be subject to income tax deduction at source and to any other statutory deductions that may be applicable.

Your commencement of employment with us is contingent upon your acceptance of this offer and our terms of employment (Annexure 1). We once again welcome you to share a challenging and mutually rewarding experience at Aspire. Please return the duplicate of this letter duly signed by you.

For Aspire Systems (India) Private Limited

Dinesh Kumar T.K.

Vice President

dinesh.kumaran@aspiresys.com

I hereby accept the offer.

Annexure 1: Terms and Conditions of Employment

1. Any information provided by you prior to your employment with us will be subject to background verification. At any point of time, during your services at Aspire Systems, should we find this information inconsistent, your employment with us will be revoked without any prior notice.
2. During your employment, you may become aware of information relating to the business of the Company, trade secrets, client names/details and pricing structures. Confidential information remains the sole property of Aspire Systems. You shall not, either during or after your employment, without the prior consent of Aspire Systems, directly or indirectly divulge to any person or use the confidential information for your own or another's benefit. We expect you would not under any circumstance try to start or help any other person start the activities carried on by this company.
3. During your services with us, we would expect you not to indulge in any activity or profession, which would prove detrimental to our operations. All software products, systems developed by you during your period of service with the company will be the sole property of the company.
4. Aspire will expend substantial time, effort and cost to recruit and train you. Any sudden departure by you definitely has an impact by causing damage and expense to Aspire. Hence, you agree that you have the full intention to serve as an Employee of Aspire for at least THREE years without causing disruption to the services of the company. In case you decide to leave Aspire within the first three years, you will have to pay an amount as outlined in your Employment Agreement and serve appropriate notice period as defined by the company.
5. You may from time to time be deputed to work at any of our offices globally or at our client's location within India or abroad. During the deputation, you will also be required to comply with the local laws, ordinances, regulations and codes that govern such countries. In case of failure to do so, you will indemnify the company against any loss or damage that may be sustained due to such failure on your part.
6. During the probation and training period, if your performance or conduct is not satisfactory, the company has the right to terminate your services without notice. If you take additional time to complete your training, then there will be no salary paid to you during the additional period.
7. Upon confirmation of your employment, the employment contract may be terminated by giving appropriate notice. You are required to continue your services until the end of the notice period. Further, any salaries or any other remuneration due to you will be forfeited should you fail to serve the appropriate notice periods as mentioned above.
8. The annual CTC is inclusive of the following components: Basic, FBP components you have opted, Statutory components: PF, ESI, Gratuity, Statutory bonus, what is applicable, Special allowance excluding the above, deductions like Mediclaim, TDS, Lunch, transport and professional tax, whatever is applicable. The break-up of components will be available in the monthly pay slip and reimbursement slips that will be sent to you.

9. At Aspire we provide you with wide opportunities to enhance the gamut of your work area and we may in accordance with the same be transferring your services to other departments and you may be assigned any work to test your aptitude during the course of your services.
10. **Salary and Designation Changes:** Your probation is for a period of six months and on successful completion of your probation, you will be confirmed and promoted to "Engineer" and you can refer to the below mentioned table for the same. These salary changes are subject to your performance. For eg: It will work like this:

Dear Aravindhan R,

College Name: **K.S.R Institute for Engineering and Technology.**

Greetings from Mphasis!!

Congratulations on clearing the preliminary interview. We would like to offer you a conditional position at Mphasis Ltd. The details of the offer of the conditional position are enumerated below:

- You will be offered the position of '**Associate Software Engineer**' in **Band 5, Level 2** with Mphasis. The gross compensation will be **INR 4,00,000(INR Four Lakhs only) per annum.**
- A training agreement for 24 months from your date of joining needs to be signed with Mphasis. In case of default, an amount of **INR 1,00,000** will be recovered from the employee.
- You are required to work in **any shift** as per business requirement.
- You are required to be flexible to relocate to any Mphasis location as per the business requirement. In case of any location constraints, we will not be able to take your candidature forward and will proceed with LOI Cancellation
- You are required to perform any role within Applications Tower of Mphasis – **Applications Development, Applications Testing, Application Production Support** etc. as per business requirement.

As you are currently in your final year of graduation and are gearing to start working, Mphasis can be the right place for you to build a long fruitful career. We believe we have a historic opportunity of building a world class company. We also believe Mphasis is very unique in several ways, some of which are:

- Equal strengths in APPs, ITO and BPO
- Being a flat, open and communicative organization
- Organization ethos that encourages, promotes and rewards empowerment
- Flawless execution and leadership

Please note that this serves as a good-faith Letter of Intent. It is contingent upon you:

1. Successfully completing your graduation (BE/ B Tech/ MCA) and scoring the aggregate percentage, as set by Mphasis, in the final academic examinations
2. Securing the required percentage in the evaluation at the end of your 3 months training program at Mphasis
3. Satisfactory completion of the background verification process that Mphasis will conduct at the time of your joining.
4. On successful verification of documents and certificates provided by you.

Your joining date will be communicated after you clear the above conditions.

Important Note: It is made clear that the above is not an offer for employment at Mphasis and is subject to the recipient fulfilling the conditions specified in this letter of intent. Mphasis reserves the right to cancel or recall this letter of intent at any time without assigning any reason.
