

SCIENCE CLUB REPORT-2022

Science club of K S R INSTITUTE FOR ENGINEERING AND TECHNOLOGY is especially created to bring out the Talents of the first year students. This club of ours is known for varied activities like project presentation, quiz events and many events related to science and engineering. Science club is not only about showcasing talents but also building the basic knowledge and to carry out excellent project. Over the days, science club has come up with many project presentation events which keep building strong foundation for students in the very first year itself thus making their thought process and idea even easier in their fore coming years of engineering life. As mention there have been events adding up to the milestone of our science club and some of those are listed in the following

PROJECT PRESENTATION:

Team-B (Project Presentation)

29/12/2021

Title - SOUND SECURITY SYSYTEM

Members - NITHAJ.B

YAGNASRI.N

JAWAHAR.K

ARCHANA.A

KAVIYA.R

SNEKA.C

Team A (Project Presentation)

29/12/2021

Title – ULTRASONIC VECHICLE

Members – HARIHARAN.D

DEEPAK.S

NESIGA.M

DHARSINI.S

DHAKSHINAMOORTHY.S

RAGUL.S

Team C (Project Presentation)

08/12/2021

Title - AUTOMATIC STREET LIGHT

Members - DEVA DHARSHNI.R.K

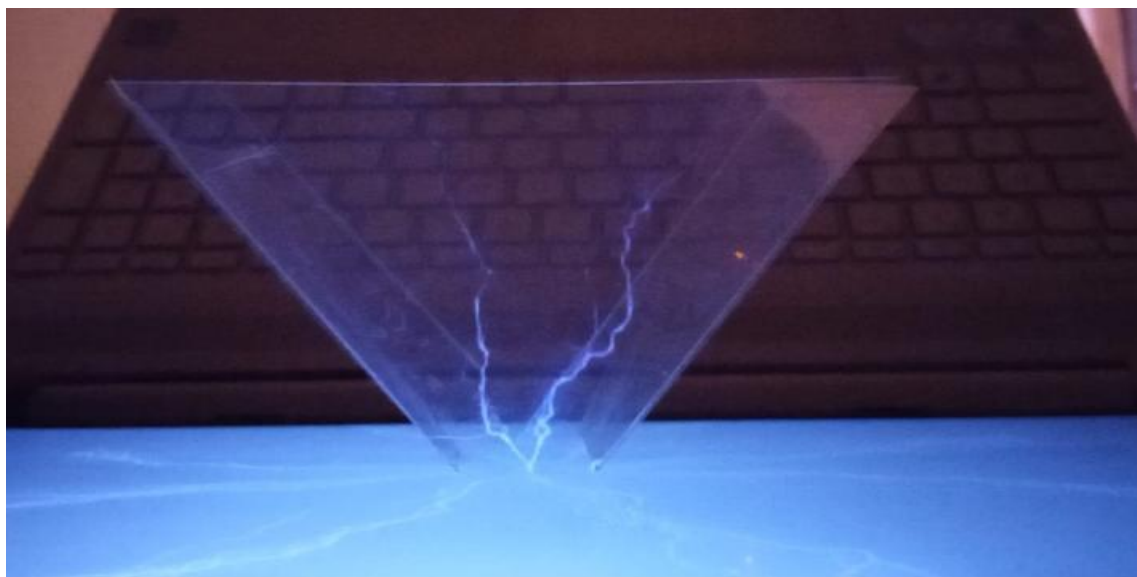

DHANASHRI.A

GOWSHIK KUMAR.K

SABARINATHAN.A.G

MANOJ KUMAR.S

KARTHIK.P

Team D (Project Presentation)

29/12/2021

Title - DIG HOLOGRAM

Members - THUSPIKA.N

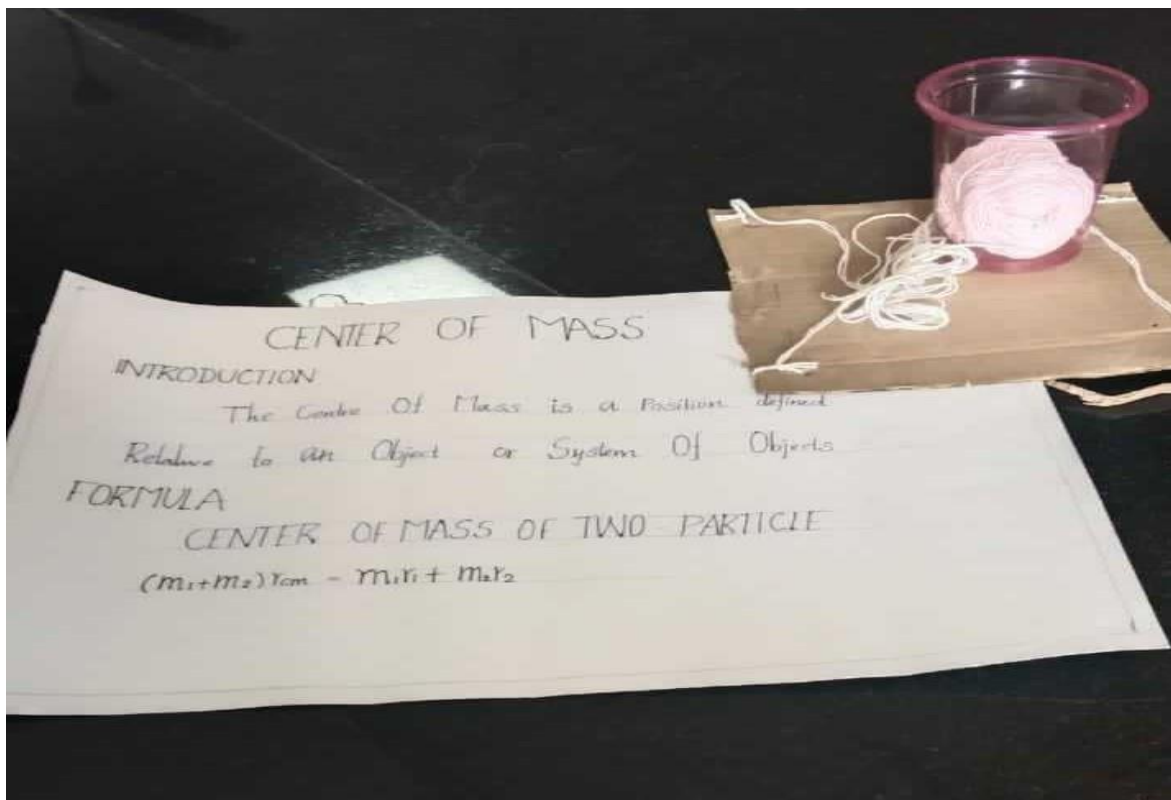

KEERTHIKA.B

ANUJ.R

HARISH.P

NARENDRA PRASANTH.M

KARTHIK RAJ.K

Team E (Project Presentation)

29/12/2021

Title - FIRE EXTINGUISHER

Members - ELSON DEVARAJ.D

POOJA.S

SHOBANA SAMUKTHA RAJ.S

JENIFA.S

Different groups in Science club each team has presenting our project. This Project Presentation event was conducted by monthly twice and had approximately 28 participants. The event was about students showcasing their Ideas and Talents in the forms of their project. Students learn more about their project and improve our Skills.

CONDUCT EVENT:

Event Name – CELEBRATE SRINIVASA RAMANUJAN BIRTHDAY

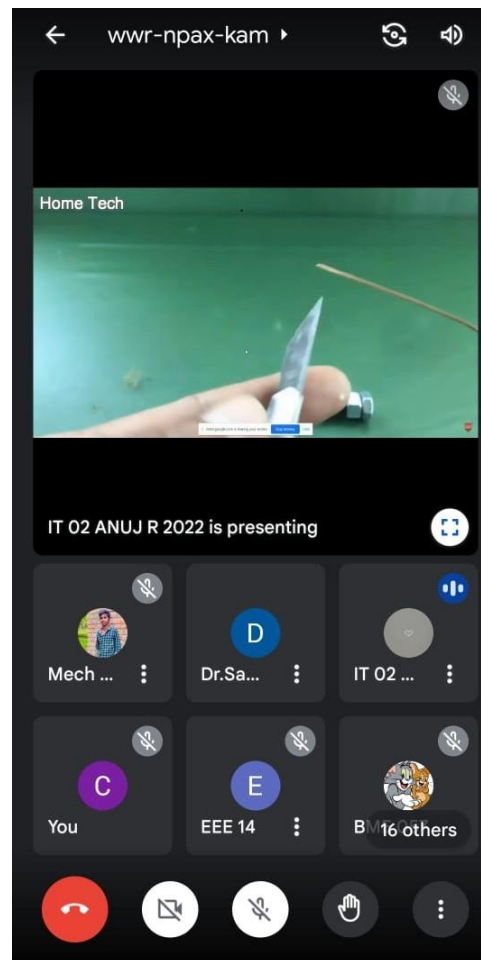

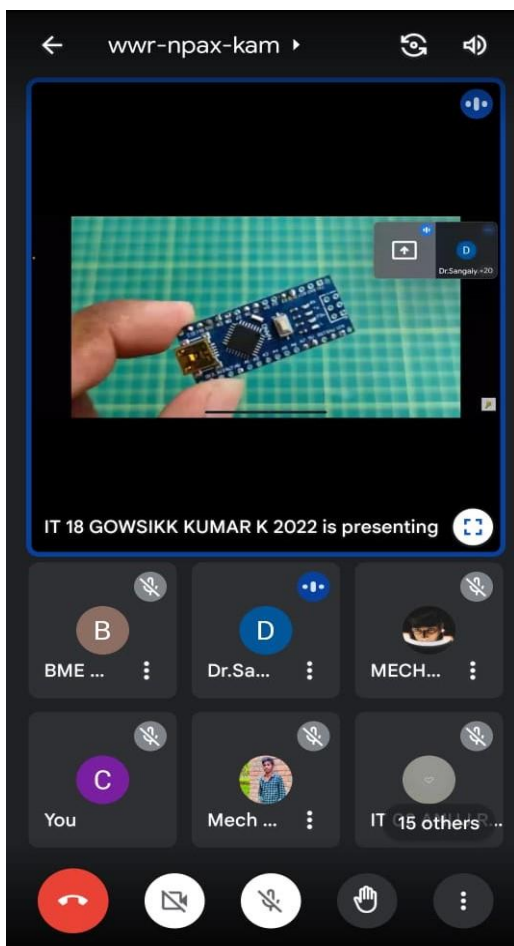

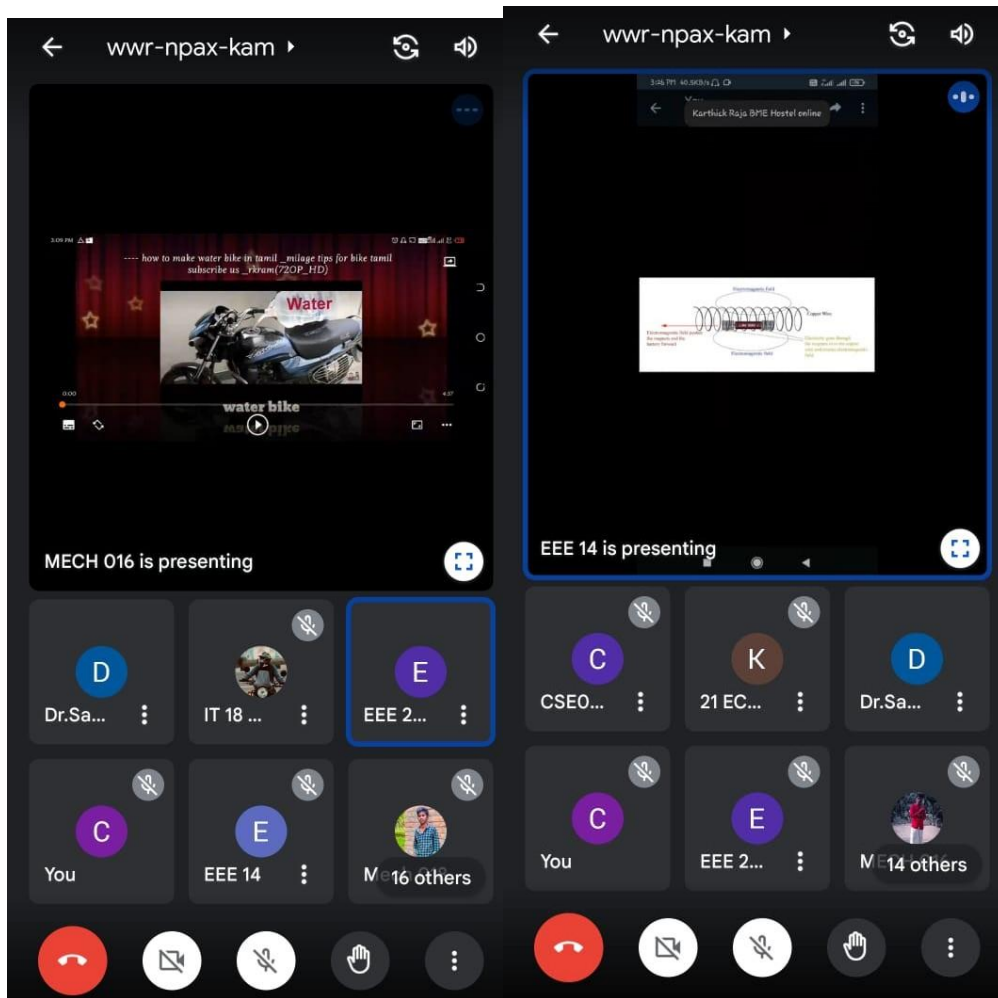

The event was about students answering some of the Quiz question given to them Prizes and awards respective to their performance in the Event. This Quiz event was conducted on 22/12/2021 and had participated the first year students.

ONLINE MODE:

The corona pandemic situation the science club is continuously run by the online mode. The students is very interested the willing to participate the club and their presenting our project. Each team decided the one project to make the ppt and they explained the project in Google meet.

STAFF TEACHING:

The staff teaching is presented the different type of the project, gave Ideas and how to presenting the project. It was useful to improve the students skill, talents, creativity Ideas, give the tips, clear the doubts and very helpful to students projects.

THIS SCIENCE CLUB WAS VERY USEFULL TO STUDENTS AND LEARN MORE GAIN THE KNOWLEAGE. THEY CLUB CONDUCT THE COUNTINOUS 4 YEARS THE STUDENTS ARE LEARN MUCH MORE IDEAS IT'S HELPFUL TO BUILD OUR LIFE.

THANKING YOU

Dr. P. SANGAIYA
Coordinator
Assistant Professor
Department of physics,

Dr. J. C. KANNAN
Overall Coordinator
Director-Student affairs
Professor & Head, Department of physics,
